The "Mission Statement for the Town of Wilmington" is as follows:

"The Town of Wilmington, as a municipal corporation, exists in order to deliver a wide range of municipal services to those who live, work or own property within the borders of Wilmington; and in order to make this community a good place to live, to work, and to raise and educate a family, those services must be responsive to the needs of the people. They must be effective and efficient. Principles of honesty, fairness, dependability and compassion must govern the actions of the officials and the employees of the Town. Those who work for the Town as employees or as members of boards, committees and commissions are recognized as its most important resource and the key to its success in serving the people of Wilmington."

Endorsed by the Board of Selectmen May 22, 1989.

## TOWN OF WILMINGTON MASSACHUSETTS

### BOARD OF SELECTMEN

Perhaps the issue of greatest focus by this Board in 1989 was traffic. A number of traffic related issues have been addressed by the Board of Selectmen.

Traffic signalization of the Richmond Street and Main Street intersection was completed on June 30, 1989. The Commonwealth of Massachusetts, Department of Public Works, has taken over control and maintenance of the lights. The State Department of Public Works is studying the traffic flow at this intersection to make adjustments on the timing of the traffic lights. These adjustments should improve the flow of traffic through the intersection.

Bell Traffic Signal Maintenance Co., Inc. from Hingham, MA has been hired to install traffic signals at the intersection of Deming Way, Burlington Avenue and Chestnut Street. This project will be completed in 1990.

The intersection of Route 125 and Andover Street has been designated a high hazard intersection by the state. While this would normally entitle the town to funding eligibility, state funds are not currently available. Peter Breen, a local businessman, is working with businesses in that area to fund design and installation of traffic signals.

Once again the future of the Town Center has been a significant point of attention by the Board of Selectmen. The major question centered on whether the Selectmen should endorse "Alternative III" a complete traffic improvement plan for the Town Center, or replacement of the Burlington Avenue bridge only. A majority of the Board favor the Alternative III option. Selectmen Bruce and McCoy support the bridge replacement only plan. However, it now appears that due to the condition of the Burlington Avenue bridge, significant repairs or total replacement is essential on an accelerated schedule. A recent inspection of the bridge by state officials necessitated closing the bridge to one lane of traffic.

Our board has withdrawn its support for the state's proposed reconstruction of the Interstate 93 and Route 129 Interchange. It is our belief that the reconstruction proposed by the State Department of Public Works will not resolve traffic congestion and, in fact, may aggravate the problem on West Street and Lowell Street. The state has placed the interchange project on hold.

A partial truck exclusion on Salem Street received approval from the state Department of Public Works. Due to the persistence of many residents in the neighborhood and numerous discussions between our board, the Tewksbury Board of Selectmen and state officials, the restriction went into effect in February. The truck exclusion is limited to heavy commercial vehicles, in excess of ten tons, traveling westbound on Salem Street. The exclusion is in effect 24 hours a day, 7 days a week. An exclusion on trucks traveling eastbound from Tewksbury was not possible due to lack of agreement with the Town of Tewksbury on an alternate route for truck traffic.

Affordable housing continues to be a priority of the Board. The Board's Affordable Housing Task Force has been working with the Wilmington Community Development Corporation to construct a house on Everett Avenue. The house is being built by students from Shawsheen Technical High School. Town owned land on Wildwood Street is a potential site for additional affordable housing. Negotiations are currently ongoing with neighbors to obtain access to the property.

Negotiations with Reading Municipal Light Department are nearing a close. The Board of Selectmen have been negotiating with RMLD to obtain in-lieu of tax payments, representation regarding policy matters and equal treatment for streetlight assessments. The Board anticipates that such an agreement may be ready for the Town Meeting. Such an agreement will ensure that the Town of Wilmington is receiving fair and equitable treatment in its dealings with RMLD.

Thanks to an affirmative vote at a Special Town Election in November, the Town is proceeding with its plans to install two new boilers in the Wilmington High School. The work should be substantially complete by the end of September, 1990.

The town has received a \$200,000 donation from A. Fiorenza for use by the town in the area of police and fire operations. These funds will be available to the town after his definitive site plan is approved for residential subdivision. The development is a 57 lot subdivision slated to be constructed on land off Andover Street. The Board wishes to extend our thanks to Mr. Fiorenza for his generous gift.

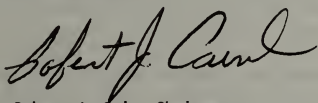

With the increased budget constraints, the Board established a Recycling Advisory Committee to investigate opportunities available to the town to save money on our rubbish disposal costs. The Board approved the committee's recommendation to establish a drop-off center for recyclables on town property off Old Main Street. The drop-off center is open each Saturday from 9:00 a.m. to 4:00 p.m and is staffed by volunteers. The Board encourages you to use the center. Recycling will reduce the town's solid waste budget while also saving the environment.

In June the Board of Selectmen voted to lease the South Street School to the Marine Corps League. The League had requested use of the building as their headquarters for meetings of their membership and various special activities which might occur throughout the year. The Marine Corps League has completed significant renovations inside of the building.

As the town's lease on an animal shelter on McDonald Road expired, a search for a new site was started. An interim agreement with Central Animal Hospital in Stoneham was executed to address the immediate issue of space needs. Several sites were presented to the Selectmen as possible options for location of an animal shelter. However, due to concerns raised by residents the proposed sites were rejected. The Board will continue to explore alternative sites.

On a sad note, Lawrence Juergens, one of Wilmington's finest and a patrolman on the Wilmington Police Department passed away. The Selectmen authorized the placement of a granite marker, in his honor, on the Town Common near the site of the time capsule, which he helped bury during Wilmington's 250th anniversary.

As always the Board wishes to thank the town employees for their continued commitment to the Town of Wilmington. We welcome your comments and suggestions and hope that you will participate in the Annual Town Meeting scheduled for April 28, 1990 at the Lawrence W. Cushing Gymnasium.

## Vital Statistics - Chapter 46, General Laws as amended:

Births - Final figure for 1988	239
Births - Actually recorded for 1989	221
Marriage Intentions recorded for 1989	134
Marriage recorded for 1989	130
Deaths recorded for 1989	104

## Chapter 46, Section 15:

The Town Clerk will furnish to parents, householders, physicians, and registered hospital medical officers applying therefor, blanks for the return of births as required by law.

## Chapter 207, Sections 19, 20 & 40:

Chapter 718, Acts of 1979 made changes to sections 19 & 20 along with section 40 and as stated before in each annual report anyone intending to marry should inquire of this office to see if any changes have been made in the laws as they are changing constantly

## Chapter 207, Section 45:

This chapter provides for the availability of marriage records:

## Chapter 114, Section 45, 46:

Thirty-six burial permits have been issued by the Town Clerk as Special Agent to the Board of Health for the year. Eight out-of state deaths were reported and filed in this office. Eighteen Wilmington Veterans were buried in Wildwood Cemetery.

## TOWN RECORDS

### Permits and Certificates of Registration for the Storage of Inflammables:

Inflammable permits are issued by the Board of Selectmen through the Town Clerk. Notice is sent to owner or occupant of the land where the storage is located on or about March 15th for renewal by April 30th of each year. If not registered on time or failure to comply with the Boards regulations may result in revocation of the permit after a public hearing.  
Ninety-nine Flammable permits were issued during the year.

### Permits & Recordings:

Uniform Commerical Code recording	502	Business Certificates issued	84
Uniform Commerical Code terminations	76	Business withdrawals	1
Federal Lien recordings	32	Fish and Wildlife licenses	881
Federal Lien releases	21	Pole locations	27
Dog licenses issued	1,358	Medical registrations	0
Duplicate dog tags	16	Raffle & Bazaar permits	12

### Other Services:

By virtue of her office, the Town Clerk is clerk to the Board of Registrars.  
In this capacity, she has met with the Board of Registrars on a regular monthly meeting night, kept the minutes of same up to date, supervised the Annual Town Census by mail, kept the voting list up-to-date, and registered voters during the regular office hours of the Town Clerk. She also meets with the Board for Special evening sessions to register voters and to certify nomination papers for candidates.  
This year was a year of preparation for the 1990 Federal Census, the Town Clerk compared the block counts of the Feds with our Assessors map and was able to substantiate 455 additional dwellings within our town.

Annual Town Election	April 15, 1989
Town Meeting	April 22, 1989
Special Town Election	June 13, 1989
Special Town Meeting	October 16, 1989
Special Town Election	November 4, 1989

## *Board of Registrars*

In accordance with Section 1, Chapter 3 of the Town By-Laws, meetings of the Board of Registrars were held on the second Monday of each month for the registration of voters and to conduct business. Under Chapter 616 of the Acts of 1958, these meetings were open to the public and press, and it is so posted in the Town Hall

The Board held registration sessions as mandated in Mass. General Laws, Chapter 54, section 64, Chapter 53, sections 43 & 63 and Chapter 51, sections 26, 28, 29 & 30. And all in accordance with the Town Charter and Inhabitant By-laws REVISED of the Town of Wilmington.

The Town Clerk attended most of the Conferences in order to keep up with the changing election and census laws.

The 1989 calendar year ended up with 10,266 registered voters, of our listed 18,131 inhabitants.

The Board of Registrars wants to thank all citizens of the town who returned their CENSUS forms without delay. A true census is an asset to the town.

## *Permanent Building Committee*

During 1989, the Permanent Building Committee held meetings twice a month. The following is a list of projects the Board was involved in:

- o In February, the Committee received the final report on the Wilmington Town Common Land Use Study prepared by Wallace, Floyd Associates, Inc.
- o The installation of the new energy efficient windows had to be interrupted until an asbestos problem could be corrected. During the summer, asbestos was removed from the classrooms slated to receive the new windows. In the early fall the window project was completed. Now all the windows in the school are the new energy efficient type.
- o The Committee performed an in-depth study of the high school heating system and found that extensive repairs were required. At the Special Town Meeting on October 16, 1989, the voters approved the \$852,705 bond issue to fund the high school heating system repairs. At a Special Town Election held on November 4, 1989, the debt for this project was exempted from the levy limit. Work began during the Christmas/New Year break.
- o The firm of Putnam and Associates was hired to conduct a feasibility study for the Police Station and Fire Station/Substation. This study is on-going and should be completed in the late spring of 1990.
- o Renovation plans for the Barrows Auditorium (Barrows Cultural Center) will be worked on in more detail in 1990. The \$157,000 originally set aside for the auditorium was used to remove the asbestos in connection with the window installation project. This caused a one year delay in the project. It is now anticipated that the auditorium will be funded by a combination of public and private money. The Town Manager and the School Superintendent will be working with the Permanent Building Committee on pursuing grants and other private sources of funding.

In November, we accepted the resignation of former Chairman, Dr. Robert Soper, who served on the Board for four years. We welcomed back Mr. Bernie LaVita, a former Permanent Building Committee member.

# Fire Department

It is my pleasure to submit the following Annual Report of operations, activities, and to reflect the accomplishments of the Wilmington Fire Department during the year 1989.

The manual force consists of the Chief, two Deputy Chiefs, five Lieutenants and twenty-eight Privates. There is a call force of seven members. The department responded to a total of 1,929 calls during 1989.

Residential Buildings	10	Out of Town Assistance	54
Commercial Buildings	3	Dumpster	24
Chimney, Fireplaces & Woodburning Stoves	1	False Alarms or Needless Calls	76
Vehicles	65	Rescue and Ambulance	1,145
Brush, Grass or Rubbish	109	Service Calls	442

Estimated value of property endangered was \$19,473,850. Estimated property loss was \$525,250.

The following is a list of permits issued:

Black Powder	6	\$ 30
Blasting	31	155
Class "C" Explosives	1	5
Fire Alarm	138	690
Flammable Liquid	9	45
Oil Burner	171	855
Propane	42	210
Report	53	265
Smoke Detector	188	940
Tank	26	130
Court Fee Returned	2	10
Unaccounted	4	20
TOTAL	671	\$3,355

As required by law, inspections of all schools, public buildings, and all flammable storage were made by Deputy Fire Chief Daniel R. Stewart.

The Fire Alarm division inspected and tested all boxes. All circuits were tested and checked for repairs. All repairs to circuits were made. Circuits were tested and operated in good order. There were 242 changeovers and 30 new pole changeovers. The installation of five new master boxes, installed and tested for complete operation. We overhauled one complete master box, tested and put it back in operation. Notified one company of the need to replace an old box which is beyond future repairs. The completion of connecting the new figure eight cables has been completed to the North Wilmington side of Town. This wire will give us considerable flexibility for communications (alarm circuits, computer use, direct line use, a tie-in to future Fire Station, or surrounding towns tie line). The alarm division has in storage additional figure eight cable for future extension to other locations of the town.

I wish to extend my thanks to the staff and members of the Wilmington Fire Department for their support, loyalty and dedication to duty during 1989.

# Police Department

In accordance with the By-Laws of the Town of Wilmington, I hereby respectfully submit the Annual Report on the activities of the Wilmington Police Department for the year of 1989.

The enclosed statistical report represents the total for all crimes, complaints and incidents reported during the year 1989; and, for the most part the corresponding enforcement efforts of the Wilmington Police Department. During 1989 the total number of complaints and incidents reported to the police department increased by 12% from 10,787 incidents in 1988 to 12,204 during 1989. For the most part these increases were spread throughout the various crime categories and service related incidents. However, a number of the serious crime categories increased significantly during 1989. Breaking and Entering into homes and buildings increased by 255% from 56 incidents in 1988 to 199 during 1989. Armed robberies increased by 125% from 4 incidents during 1988 to 9 during 1989. Totals for Assaults and Batteries increased by 224% from 29 in 1988 to 94 in 1989. Motor vehicles stolen in Wilmington decreased by 10% from 58 in 1988 to 52 in 1989. During the past five years Wilmington had enjoyed significant reduction in the areas of burglaries, robberies and stolen motor vehicles. As a result of those decreases, Wilmington was listed in the November 1989 issue of Boston Magazine, as one of the safer communities in which to live. However, the increases during 1989 have set the community back to the 1984 level.

Motor vehicle accidents and traffic congestion continue to be serious community problems; however, during 1989 the police department experienced a 14% decrease in the motor vehicle accident rate. During 1989 motor vehicle accidents decreased by 135 accidents from 980 accidents in 1988 to 845 during 1989. This is the lowest accident rate since 1977 when Wilmington experienced 804 accidents.

The police department continued to place a high priority on the enforcement of motor vehicle violations during 1989. During 1989 the department cited 7,783 motor vehicle violations, this represents a slight decrease of 1% from the violations cited during 1988. The following are the totals for some of the major areas of concern; speeding violations 4,121; operators license violations 491; unregistered and uninsured 198; and, miscellaneous Violations 3,106. Arrest for operating a motor vehicle under the influence of alcohol were increased by 20 from 88 in 1988 to 106 during 1989.

Arrest for crimes other than motor vehicle offenses during 1989 totaled 822. During 1989 the police department continued to place a high priority on alcohol and drug related offenses. As a result, arrest for liquor law violations totaled 364 and there was a total of 49 narcotics arrests during 1989. In addition to motor vehicle and other criminal arrests, the department placed a total of 181 persons under Protective Custody. A total of 1,319 persons were taken into custody by the police department during 1989. As a result of the increased enforcement efforts by the department. The fine monies returned to the Town of Wilmington from the Woburn District Court increased from \$280,820 in 1988 to \$360,830 during 1989.

The department makes note of personnel changes during 1989. Patrolman Lawrence M. Juergens passed away after a tragic battle with cancer. Officer Juergens, although with us for only a brief period, earned the respect, and won the hearts of each of us. His passing has left a void in the department and in the community which cannot be filled. During 1989, Sgt. Herbert Peterson, Officers Daniel M. Ballou and Robert E. Vassallo retired from the police department after many years of service. We all wish Herb, Dan and Bob health and happiness in their retirement. Officer David McCue was promoted to the rank of sergeant. Officer James McNally returned to the police department after an extended leave of absence. During that leave Officer McNally served as an Agent with the U.S. Secret Service. The experience which he gained in that service will be an asset to the department. Considering the tremendous turnover in the police department's personnel during the past few years, the following Departmental Roster is being provided:

## DEPARTMENTAL ROSTER

CHIEF OF POLICE  
Bobby M. Stewart

DEPUTY CHIEF  
Bernard Nally

Administrative Division Commander  
Lt. Robert C. LaRivee

Operations Division Commander  
Command Sgt. James T. Palmer

## SERGEANTS

Det. Sgt. George E. Shepard  
Sgt. Donald L. Mercier  
Sgt. James J. Rooney

Sgt. Joseph Duffy  
Sgt. William E. Gable  
Sgt. David McCue

# PATROLMEN

Ptln. James Cuoco  
 Ptln. Robert E. Shelley  
 Ptln. Arthur V. Lynch, Jr.  
 Ptln. Michael McKenna  
 Ptln. Robert H. Spencer, Jr.  
 Ptln. Alfred S. Venuti  
 Ptln. Michael A. Celata, Jr.  
 Ptln. Joseph Waterhouse  
 Ptln. Lawrence Redding  
 Ptln. J. Christopher Neville  
 Ptln. Patrick J. King  
 Ptln. Wm. Mark Jepson  
 Ptln. Francis Hancock  
 Ptln. James Peterson  
 Ptln. Stephen LaRivee  
 Ptln. Stephen Mauriello

Ptln. James White  
 Ptln. Jon Shepard  
 Ptln. Robert Richter  
 Ptln. Thomas Miller  
 Ptln. Charles Fiore  
 Ptln. Paul Chalifour  
 Ptln. James Hanlon  
 Ptln. Paul W. Jepson  
 Ptln. David L. Axelrod  
 Ptln. Joseph F. Harris, Jr.  
 Ptln. Joseph A. Desmond  
 Ptln. Gregory Farnkoff  
 Ptln. Michael R. Begonis  
 Ptln. James A. McNally  
 Ptln. Chester A. Bruce, III.

In closing this report, I want to thank the Town Manager, the Board of Selectmen, all other Boards and committees; and, all department heads and their workers for their support and cooperation during 1989.

A special note of thanks to the Staff and Members of the Wilmington Police Department, for without their support and continuing efforts none of our accomplishments could have been realized.

## POLICE DEPARTMENT STATISTICS - 1989

### ARRESTS:

Arson	0
Assault & Battery	12

YEAR	COMPARISON OF UCR AND DEPARTMENT STATISTICS WITH ENFORCEMENT EFFORTS				FINES RET. TO TOWN
	UCR CRIME RATE	ACCIDENTS	MOTOR VEHICLE VIOLATIONS	SPEEDING VIOLATIONS	
1979	56.1	992	579	125	\$ 39,917
1980	61.5	969	2,417	1,280	
1981		1,067	1,662	651	
1982		1,156	1,045	328	
1983		1,176	2,065	1,056	\$ 81,541
1984	39.4	1,330	2,788	1,408	\$ 92,595
1985	30.2	1,396	4,197	2,133	\$146,605
1986	20.1	1,039	5,190	2,908	\$171,706
1987	17.3	1,082	4,239	2,022	\$211,758
1988	16.6	980	7,931	3,945	\$280,820
1989		845	7,783	4,121	\$360,830

ote: The Uniform Crime Report for 1989 should be released by May, 1990. The crime rate reflects the total number of uniform crimes per 1,000 residents. The uniform crimes upon which this rate is based are: Murder, Rape, Robberies, Aggravated Assaults, Burglaries, Larcenies and Stolen Motor Vehicles. Based upon the considerable increases during 1989 in Robberies, Aggravated Assaults and Breaks into Residence and Building, the Police Department is projecting a drastic increase in the 1989 crime rate for Wilmington.

## *Emergency Management*

The Wilmington Emergency Management Agency (WEMA) is located in the basement of the old town hall located at 219 Middlesex Avenue (Route 62 across from the Congregational Church). The goals of WEMA are to supply needed services to the citizens of Wilmington. We continue to furnish personnel and radio communications to assist at check points for the walk-a-thon. It was our privilege to again provide mobile units equipped with radio, telephone, and packet capabilities to assist the Wilmington Police Department this last Halloween. Our dive team stands ready for recovery operations and we have shelter capabilities with limited supplies.

Our radio communications group under the supervision of Doug Chisholm and Herb Nickerson continues to be very active. WEMA is fortunate and grateful in having its base station located in the N.Y.N.E.X. tower complex located at the junction of Route 129 and Route 38. We are in the process of developing a second radio repeater under the direction of Ed Thompson. This second repeaters only function will be that of emergency back up to our primary repeater. WEMA continues in the distinct role of being the designated backup communications for Massachusetts Civil Defense Area - 1, which is comprised of 85 communities.

The dive team under the direction of William Gable and Robert Larivee, continues to be an active element of WEMA. After two years of waiting, I am happy to announce that the dive team was increased and now has four fully equipped certified divers.

The success of any organization is always attributable to the dedication of its members. As of the date of this writing our agency faces close to a 60% cut in funds. I would like to take this opportunity to thank all the members of the Wilmington Emergency Management Agency for their steadfast support and loyalty.

It is with deep regret and a heavy heart that I announce that three members of our radio communications group: Thomas Berren, John Orner and Carl Noelcke have become silent keys. They are missed by never forgotten.

The Wilmington Emergency Management Agency again extends its thanks and appreciation to all of you for your support.

# Planning Board

During 1989, the Planning Board welcomed two new staff members. Alma L. D'Antonio was hired in April as the Planning Board's Senior Clerk. Janet R. Stearns was hired in August as the Town's first Planning Director. Following completion of the Town-Owned Land Study, Planning Intern Donald Madeau departed from the Town after working under the direction of the Planning Board for the past two years. Throughout this year the Planning Board has also received technical assistance from Town Engineer, Harold Gillam.

## SUBDIVISION CONTROL:

Under the authority vested in the Planning Board of the Town of Wilmington by Section 81-Q of Chapter 41 of the General Laws, the Board reviewed the following subdivision plans:

- o Ainsworth Road Extension Preliminary Plan #1 - application for submission of proposed 14 lot industrial subdivision was disapproved.
- o Larry Cushing Drive Preliminary Plan - application for submission of proposed 6 lot residential subdivision approved with conditions.
- o Burtt Road Extension, Corporate Place 93 Definitive Plan - application for submission of proposed industrial subdivision, land area primarily in Andover, approved.
- o Marion Street II Definitive Plan - application for submission of proposed 8 lot residential subdivision, approved with conditions.
- o Ainsworth Road Extension Preliminary Plan #2 - application for submission of proposed 9 lot industrial subdivision, approved with conditions.
- o Oakridge Circle Extension Definitive Plan - application for submission of proposed 2 lot residential subdivision approved with conditions.
- o Wedgewood Avenue Extension Definitive - application for submission of proposed 4 lot residential subdivision approved with conditions.
- o Andover Heights Definitive Plan - application for submission of proposed 59 lot residential subdivision approved with conditions.
- o Cushing Estates Definitive Plan - application for submission of proposed 11 lot residential subdivision - decision pending.

The Planning Board collected a total of \$6,173.57 in filing fees in the 1989 calendar year, with these being turned over to the General Fund Account. In December 1989, the Planning Board revised the Subdivision Rules and Regulations and its accompanying fee schedule governing filing fees for subdivision and Approval Not Required Plans.

Of the forty-three (43) plans believed not to require approval that were submitted in 1989: The Planning Board found that 36 plans did not require approval under the Subdivision Control Law and therefore were endorsed; 5 plans were found to require approval and therefore were denied for cause; 2 plans were endorsed by the Town Clerk.

## ZONING:

In accordance with M.G.L. ch. 40A, the Planning Board held required statutory public hearings on proposed amendments to the Zoning By-Law and Map and submitted formal reports and recommendations to Town Meeting voters as follows:

TOWN MEETING ACTION	ARTICLE	PROPOSED ZONING AMENDMENT	PLANNING BOARD RECOMMENDATIONS	TOWN MEETING ACTION
4-22-89 Special	2	Rezone from R60 to R20, parcel on Hopkins Street	Disapproval	Approved
4-22-89 Annual	13	Accept Ch. 245, Acts of 1988 re: Completion of Subdivisions	Approval	Approved
4-22-89 Annual	15	Street Acceptances	Approval	Approved

TOWN MEETING ACTION	ARTICLE	PROPOSED ZONING AMENDMENT	PLANNING BOARD RECOMMENDATIONS	TOWN MEETING ACTION
4-22-89 Annual	17	Transfer of Town land to non-profit affordable housing corporation (Everett Avenue)	Approval	Approved
4-22-89 Annual	23	Create a non-profit affordable housing corporation	Approval	Disapproved
4-22-89 Annual	29	Drainage easement, Walnut Street	Disapproval	Approved
4-22-89 Annual	30	Aquifer Protection Recharge Districts	Disapproval	Disapproved
4-22-89 Annual	31	Rezone from G1 to R60 areas in vicinity of Brown's Crossing and Salem Street well sites	Disapproval	Disapproved
4-22-89 Annual	32	Amend Zoning By-Law, re: Special Permits	Approval	Approved
4-22-89 Annual	33	Amend Zoning By-Law re: Restaurants	Disapproval	Withdrew
4-22-89 Annual	34	Rezone from R60 to R20, Andover Street	Disapproval	Approved

4-22-89 Annual	37	Rezone from R20 to NB, Main and Clark Streets	Disapproval	Withdrew
4-22-89 Annual	38	Amend Zoning By-Law, re: Hammerhead lots	Disapproval	Disapproved
10-16-89 Special	10	Rezone from R60 to R20, Hopkins Street	Approval	Approved

#### PARKING SITE PLAN REVIEW

The Board reviewed 8 applications for Site Plan Review, referred to the Board by the Town Engineer and recommended accordingly.

#### PLANNING BOARD PARTICIPATION IN OTHER STATE AND LOCAL ORGANIZATIONS

The Board wishes to thank William G. Hooper, Jr., its senior member, who acts as its representative at the Board of Appeals hearings by expressing the Board's recommendations on zoning variances and special permits requested along with offering conditions to be included in Official Map and Board of Appeals decisions. Carole Hamilton and David Clark continue to represent the Board on the Affordable Housing Task Force. Carole Hamilton has also participated over the year on the Strategic Management Committee. All members of the Board attended the Northeast Regional meeting of the Massachusetts Federation of Planning Boards and Boards of Appeals with Carole Hamilton and Bill Hooper attending the annual meeting in September.

# Accepted Streets

STREET	LOCATION	LENGTH	DATE (s) ACCEPTED
Adams Street	from Middlesex Avenue to Parker Street	2,915	1908
Adelaide Street	from Church Street to Middlesex Avenue	666	1976
Agostino Drive	from Gandalf Way	999	1979
Aldrich Road	from Shawsheen Avenue to Billerica Line	6,740	1894
Allen Park Drive	from Fairmont Avenue to Fairmont Avenue	2,319	1971 1984
Andover Street	from Salem Street	180	1894
Andover Street	from Andover Line to beyond Woburn Street	11,300	1894 1970
Andrew Street	from Aldrich Road to beyond Houghton Road	435	1985
Anthony Avenue	from Salem Street to Catherine Avenue	300	1966
Apollo Drive	from Charlotte Road to Draper Drive	300	1971
Arlene Avenue	from Salem Street to Ella Avenue	3,754	1966 1978
Auburn Avenue	from Shawsheen Avenue	755	1945
Ayotte Street	from Westdale Avenue to Crest Avenue	240	1947
Baker Street	from Brand Avenue to beyond Phillips Avenue	684	1945
Baland Road	from Ballardvale Street	540	1972
Ballardvale Street	from Salem Street to Route 125	965	1894
Ballardvale Street	from Route 125 to Andover Line	12,000	1894 1985
Bancroft Street	from Liberty Street	400	1952
Barbara Avenue	from Anthony Avenue to Dorothy Avenue	850	1966
Beacon Street	from Church Street to Belmont Avenue	970	1915
Beech Street	from Burlington Avenue to Byron Street	1,005	1947
Beeching Avenue	from Cunningham Street to Faulkner Avenue	440	1959
Belmont Avenue	from Columbia Street to State Street	980	1933
Benson Road	from Radcliff Road to Tewksbury Line	616	1971

Dogs Licensed	1,358	Number of Ponies	30
Number of Written Warnings	55	Number of Goats	6
		Number of Beef Cows	2
		Number of Poultry	17

## *Redevelopment Authority*

In 1989, the Wilmington Redevelopment Authority (WRA) made significant progress in its efforts to coordinate with the Massachusetts Department of Public Works to develop a compatible bridge replacement plan and the long range traffic improvements for the Town Center Project and the Route 129 corridor.

Through a series of staff planning sessions, representatives of the town, the state and the Authority were able to work out a plan of action for going forward with the Town Center Project planning effort in conjunction with the Commonwealth's bridge replacement project for the intersection of Routes 38/129 and 62. It is anticipated that the major activity for 1990 will be the preparation of preliminary design plans by Authority engineering consultants in cooperation with the Massachusetts Department of Public Works.

In 1989, the Town of Wilmington experienced a financial emergency because it was unable to fund its proposed budget. The Board of Selectmen and School Committee requested that the Authority help the town by providing emergency funds to the Town to offset revenue shortages. The Authority voted to grant a gift to the town in the sum of \$110,685 to help the community meet its financial emergency.

The members of the Authority voted for the grant on the basis that necessary Authority funds could be provided at the time for emergency relief for the town and, as the Authority needed replacement of the funds to carry on its proposed work plan, the town would be in a better position financially to replace funds as required.

In 1989, the Wilmington Redevelopment Authority saw Carl A. Backman, Jr. re-elected to another five-year term by the voters of Wilmington. The opening created by the resignation of the Governor's appointee, C. Nick Johnson, in 1988 has yet to be filled. The officers of the Authority are as follows: Jay Donovan, Chairman; Vaughn Surprenant, Vice Chairman; Carl A. Backman, Jr., Treasurer and Sidney Kaizer, Assistant Treasurer.

Besides the work undertaken on the Town Center Project, the Town of Wilmington continues to reap the benefits of its investment in the Jewel Industrial Park more than 20 years ago. At the end of 1989, there were 11 businesses operating in Jewel Park employing a total of 933 workers. Based upon Fiscal Year 1989 data, provided by the Assessor's Office, the total assessed value of the park was \$20,222,900 and the annual tax revenue to the Town of Wilmington totalled \$323,768.

## *Recycling Advisory Committee*

The committee was appointed by the Town Manager in June of 1989. Its mission is to prepare "a recommendation . . . regarding the specific steps that Wilmington should take to develop an effective recycling program."

Committee members presented a recommendation to the Board of Selectmen and the Town Manager in August addressing that mandate. After examining alternative approaches, the Wilmington Recycling Advisory Committee (WRAC) suggested establishing a voluntary drop-off recycling program. Five sites in Wilmington were considered. The WRAC recommended the existing site off Old Main Street. It was estimated that the town could remove 550 tons of trash from the waste stream within one year.

With approval from the Board of Selectmen, committee members worked with representatives from Waste Management Essex County, the town's solid waste hauler, to arrange for storage and removal of recyclables. Waste Management provided two roll-off containers to the town at no charge. They also agreed to transport the materials at a cost of \$125 per truckload.

October 14, 1989 was the grand opening for the recycling drop-off center. Thanks to the efforts of the Public Works Department the drop-off area was graded, paved and fenced in. The drop-off center is open each Saturday from 9:00 a.m. to 4:00 p.m. Volunteers staff the site. Newspaper, glass bottles, aluminum cans and pie pans, leaves and Christmas trees are currently accepted at the site. To date over 345 tons of material has been brought to the site.

The WRAC is currently working to expand the types of material which can be accepted at the recycling drop-off center. In addition, the committee is preparing an environmental fair to be held in honor of Earth Day on Saturday, April 21st.

Members of the WRAC deserve a tremendous amount of credit for their tireless efforts and determination. WRAC members are: Thomas Olilla, Esta Browning, Stephen Sabounjian, Elizabeth Harriman, Jonathan Goldfield and Robert Palmer. The volunteers also deserve a great deal of credit for their efforts to make recycling in Wilmington a success.

Recycling truly is an easy way for each one of us to save the environment and to save tax dollars.

## *Strategic Management Committee*

The Strategic Management Committee is submitting its second annual report. This committee was established to guide the development and execution of strategies aimed at addressing long-term problems or opportunities of a townwide nature. Five issues were defined as being of a priority nature which warranted immediate attention: affordable housing, community development, financial management; school facilities; human resources. These issues were brought forward from 1988 with some revisions. Five task forces have been created to address each of the five issues. Each task force is developing a set of actions to be carried out in FY-1991. These action lists will define specific steps which Town departments will be required to initiate in order to move closer to the desired end results. Each year the work of the task forces and their strategies will be reviewed. Input from the public will be solicited. The Strategic Management Committee will decide what, if any, changes should be made to the strategies to reflect the needs of the community at that point in time.

A major benefit resulting from this program has been the increased communication between departments. Each month the Town Manager, Chairman of the Board of Selectmen, Chairman of the School Committee, School Superintendent, Chairman of the Finance Committee and the Town Moderator meet. These sessions have been very beneficial in terms of providing some of the key people in Wilmington town government with an opportunity to discuss issues of critical importance to the town.

Each task force is pursuing a specific course of action, a strategy, to address its issue. Those strategies are recapped below:

1. Affordable Housing - Press forward on a step by step basis to create the necessary tools and incentives using our regulatory powers, town surplus land, and a nonprofit affordable housing corporation. Stress public information and education concerning the need for affordable housing.
2. Financial Management - Produce long range, 3 to 5 year revenue and expenditure projections and promote high quality non-residential development where appropriate, while continuing to control costs.
3. Community Development - Consideration should be given to expanding the three-pronged strategy outlined for the suburban character issue. In addition to a beautification program, resource protection measures such as aquifer protection and recycling should be included in a broader strategy to protect resources of both aesthetic and environmental value.
4. Human Relations - Build a performance management system which includes clear goals, objectives and job performance standards, provides training and support and emphasizes a comprehensive reward system. This system will embrace all committees, managers and employees.
5. School Facilities - Identify space needs and means to address those needs over the next 3 to 5 years and develop a systematic approach to monitoring and responding to feedback on the cleanliness and condition of school buildings.

The following people serve on the Strategic Management Committee: Town Moderator, Finance Committee Chairman, a representative of the Planning Board, School Superintendent and the Town Manager. The Chairmen of the School Committee and Board of Selectmen are ex-officio members. The Planning Director and Assistant Town Manager serve as support staff.

The committee welcomes comments or questions you might have regarding the Strategic Management Program. You may contact the Town Manager by phone or in writing.

# Board of Health

The Board of Health consists of three members appointed by the Town Manager for three year terms. Serving on the Board throughout 1989 were: Dr. James Ficociello, D.D.S., One Fletcher Lane; Joseph Paglia, 101 Nichols Street; Milton Calder, 14 Hobson Avenue. The Director of Public Health is Gregory P. Erickson R.S. C.H.O., and the Public Health Nurse is Ann FitzGerald. The secretarial staff (which is shared with the Building Inspector) consists of Joan Goulet and Toni LaRivee. In addition, part-time help has been employed as needed to cover some of the field inspections required.

The annual Rabies Clinic was held at the Department of Public Works on Andover Street.

One of the goals for this year was to implement the ticketing system for violations of health regulations in the Town of Wilmington. In accomplishing this, the entire history of regulations needed to be reviewed and revised. This has been completed and the ticketing system is now part of the operating procedure of the Board of Health.

The annual flu clinic was held on October 14, 1989, the total number of flu shots given was 692 including clinics, distribution to Wilmington Woods, office, and home visits. Twenty-four flu shots were given out in evening hours, 14 pneumonia shots have been given also.

Personnel in the Wilmington Fire and Police Departments, school nurses and the public health nurse received 3 vaccinations each against Hepatitis B, total was 125.

Board of Health nurse participated in the annual senior clinic at the high school giving TD vaccine and Mantoux testing.

The nurse also participated in a Cardiac Fitness Program for the Wilmington town employees and looks forward to beginning testing in January, 1990. Interest in cardiovascular health is reflected in the cholesterol screening program, 148 clients, 77 new, and 71 returnees with total 379 tests run on the D160 Analyzer.

The Board of Health purchased a new portable Glucometer Accucheck II machine for use in office, home, and senior center. One hundred-one tests were done in 1989 for diabetes mellitus.

Home visits for nursing care, injections, communicable disease follow-up totaled 312.

The nurse has attended 2 cholesterol workshops, 1 hypertension workshop and has attended AIDS programs. Aids education will be a priority in programs for the coming year.

## A. Communicable Disease Control:

1. <u>Immunizations</u>	90
Office visits	678 (flu)
Home Visits	14 (flu)
2. <u>Communicable Disease Reported</u>	78
Home visits	4

16. Miscellaneous Inspections	34

The Wilmington Family Counseling Service, Inc., is a non-profit clinic providing counseling and therapy services to residents of Wilmington under a contract with the town. Fees for residents are set on a sliding scale from \$5 to \$50 depending upon income and number of dependents in a family. Town funds help to subsidize these fees. Services are provided to people with a wide range of problems from adults with symptoms of anxiety or depression to runaway teenagers and unmanageable children to adolescents and adults with substance abuse problems to couples who are on the verge of ending their marriage.

- 171 Client-families received service in 1989
- 73 New client-families received service in 1989
- 49 Client-families returned for further service in 1989

10% Increase from 1988 in the number of client-families receiving service

#### Primary Presenting Problems:

- 41% Adults with Personal-Emotional Problems
- 15% Marital Problems
- 13% Child Adjustment/Management Problems
- 12% Adolescent Adjustment/Management Problems
- 19% Drug and Alcohol Abuse

1900 Scheduled counseling and therapy sessions in 1989.

Sixty-eight percent increase in 1988 in the amount of consultation with the schools, agencies, and other programs about specific clients and also to assess problems in the community and develop programs to meet them. As an outgrowth of this consultation a new partnership program was started in the Wilmington Public Schools for 16 high school students at risk of dropping out of school. Other partnership programs are being developed for 1990.

Fifty-six percent increase in the number of group therapy sessions from 39 in 1988 to 61 in 1989. These groups were for adult children of alcoholics and at the high school for students at risk of dropping out of school.

#### Percentage of Appointments by Client Income

Weekly	Yearly		*Massachusetts Poverty Level for
Under \$150	(Max. \$ 7,800)	21%	Family of 1 - \$11,213
\$151 - \$300	(Max. \$15,600)	19%	Family of 2 - \$15,038
\$301 - \$450	(Max. \$23,400)	18%	Family of 4 - \$22,688
\$451 - \$600		11%	
\$601 - \$750		17%	
Over \$750		14%	

Fifty percent or more of our clients are at or below the poverty level for a family of 4 in Massachusetts.

\*Information provided by the Secretary of State's Office.

\$8.58 cost to the Town per scheduled appointment up only 3.6% from \$8.28 per scheduled appointment in 1988.

Every \$1.00 the Town contributes generates \$6.52 worth of service.

## Town Counsel

On January 1, 1990, there were pending the following actions by or against the Town (exclusive of actions in which the Town was merely summoned as trustee, and in which it had no interest, and of tax lien foreclosure proceedings in the Land Court and petitions for abatement before the Appellate Tax Board\*).

Beatrice G. Swenson v. Town of Wilmington, et al, Middlesex Superior Court (petition for assessment of damages for land taking)

Harvey Lobdell v. Board of Appeals, Middlesex Superior Court (petition in equity for appeal for variance by zoning by-laws)

Androniki Gaglione v. Thomas B. Brennan, et al, Middlesex Superior Court (petition for assessment of damages)

Joseph Scaro, et al v. County of Middlesex, et al, Middlesex Superior Court (petition for assessment of damages for land taking)

John E. Hayward, et al v. County of Middlesex, et al, Middlesex Superior Court (petition for assessment of damages for land taking)

John E. Hayward, et al v. County of Middlesex, et al, Middlesex Superior Court (petition for assessment of damages for land taking)

Robert Stevens, Tr. v. Town of Wilmington and Planning Board, Land Court (petition for registration and claim to Swain Court - private way)

Sanborn Brothers, Inc. v. Town of Wilmington, District Court of Lowell (action for property damage - negligence)

George Anderson, et al v. Town of Wilmington, et al, Middlesex Superior Court (claim for personal injury)

School Teacher v. Wilmington School Committee, Equal Employment Opportunity Commission (complaint of discrimination as to benefits)

John J. Lyons, et al v. Town of Wilmington, Land Court (complaint to determine validity and extent of the zoning by-laws of the Town of Wilmington)

Frances Dec v. Town of Wilmington, et al, Massachusetts Commission Against Discrimination (complaint alleging sex discrimination)

Dorothy A. Cosman v. Town of Wilmington, Middlesex Superior Court (claim for personal injury)

Fosters Pond Improvement Association, Inc. et al v. Aldo Caira, et al, Middlesex Superior Court (action in the nature of certiorari for decision of Board of Selectmen granting earth removal permit)

Ruth J. Gronemeyer, Exec. v. George R. Allen, et al, Middlesex Superior Court (complaint for assessment of damages)

James Rooney v. Sterling C. Morris, et al, Municipal Court of the City of Boston (appeal from decision of Civil Service Commission sustaining appointing authority)

George Donovan, et al v. Bruce MacDonald, et al, Middlesex Superior Court (appeal from the decision of the Board of Appeals denying variance to construct a single family dwelling)

Town of Wilmington v. AFSCME, Council 93, Middlesex Superior Court (complaint for declaratory judgment to determine rights)

A. John Imbimbo, et al v. Bruce MacDonald, et al, Middlesex Superior Court (appeal from the decision of the Board of Appeals)

Jeanette Iverson, et al v. Town of Wilmington, et al, Middlesex Superior Court (claim for personal injury and consequential damages)

Town of Wilmington v. Robert Corey, aka, et al, Middlesex Superior Court (complaint alleging violation of Town Zoning By-Law and Inland Wetland Act)

Dianna Holmes, et al v. Town of Wilmington, Massachusetts Commission Against Discrimination (complaint for discrimination in violation of Chapter 151B)

AFSCME, Council 93, AFL-CIO v. Town of Wilmington, Board of Conciliation and Arbitration (petition for mediation and fact finding)

M & P Pipejacking Corp. v. Town of Wilmington, et al, Middlesex Superior Court (complaint in equity restraining the Town from paying Pitt for monies alleged to be due on Contract #6)

Clarence T. Bryant, et al v. Town of Wilmington, et al, Fourth District Court of Eastern Middlesex (claim for personal injury)

Ruth E. Marranzini, et al v. Bruce MacDonald, et al, Middlesex Superior Court (appeal from the decision of the Board of Appeals)

Frances Dec v. Town of Wilmington, Equal Employment Opportunity Commission (claim for sex discrimination)

Wilmington Town Employees Association v. Town of Wilmington, Labor Relations Commission (claim for grievance)

William Baldwin, ppa, et al v. Town of Wilmington, Middlesex Superior Court (claim for personal injury)

Jean Beninati v. Town of Wilmington, Middlesex Superior Court (claim for breach of contract)

James Tighe v. Charles P. Lawrenson, Middlesex Superior Court (claim for violation of civil rights and for mandamus to require the Building Inspector to issue a building permit)

Ralph Fiore Bus Service, Inc. v. Town of Wilmington, et al, Middlesex Superior Court (complaint under Mass. Antitrust Act, G.L.c.93)

Town of Wilmington v. Alice Papaliolios, Middlesex Superior Court (violation of G.L.c.140, s.136A, operating a kennel)

Town of Wilmington v. Weston & Sampson, et al, Suffolk Superior Court (claim by insurer for reimbursement of insurance loss)

Town of Wilmington v. Reading Municipal Light Department, Department of Public Utilities (petition for investigation of rates of the RMLD)

Joyce Corey v. Town of Wilmington, et al, Middlesex Superior Court (claim for violation of civil rights and injunctive relief)

In Re: Robert J. Vassallo, Hearing Before Appointing Authority Concerning Disciplinary Charges. Reduction in rank to patrolman found by the Appointing Authority, after hearing. (on appeal to Civil Service Commission), decision of appointing authority affirmed; matter currently on appeal to Boston Municipal Court.

Ernestine McVicker, et al v. Town of Wilmington, et al (Middlesex Superior Court (claim for personal injury))

Town of Wilmington v. SWS Industries, Inc., et al, United States District Court (claim on bid bond concerning high school window replacement)

Town of Wilmington v. Joseph Lundergan, et al, Middlesex Superior Court (complaint for certiorari)

(b)(1) During the year 1989, the following new actions were brought against the Town of Wilmington or its officers or agents:

Brentwood Enterprise Trust v. Board of Appeals of the Town of Wilmington, Department of Community Affairs, Housing Appeals Committee (appeal to Housing Appeals Committee from denial of comprehensive permit)

Brentwood Enterprise Trust v. Board of Appeals of the Town of Wilmington, Middlesex Superior Court, (appeal from decision of the board of Appeals denying comprehensive permit)

Robert Andersen, et al v. Reginald S. Stapczynski, et al, Middlesex Superior Court (complaint seeking equitable relief relative to G.L.c.149, s. 19B)

IBPO, 318 v. Town of Wilmington, American Arbitration (claims for grievance)

Maryanne Stone v. Town of Wilmington, et al, Fourth District Court of Eastern Middlesex (claim of unfair and deceptive practice by Town relating to her Blue Cross/Blue Shield coverage, after termination)

Joseph Raetano v. Planning Board of the Town of Wilmington, Middlesex Superior Court (appeal of decision of the Planning Board)

IBPO, 318 v. Town of Wilmington, American Arbitration (claim for grievance)

Mark D. Nelson v. Board of Health of the Town of Wilmington, et al, Middlesex Superior Court (complaint alleging claims for review of agency decision and tort damages)

Thomas J. Smith, et al v. Town of Wilmington, Land Court, (petition for registration involving private way - official map street)

Carl J. Marcy v. Town of Wilmington, Department of Employment and Training, (claim for unemployment compensation)

Richard Stuart, Trustee, et al v. Board of Appeals of the Town of Wilmington, Land Court (Appeal of decisions of Board of Appeals denying reconsideration of a prior decision, denial of variances and denial of applications concerning official map (C.41, s.81E))

IBPO, 318 v. Town of Wilmington, American Arbitration (claim for grievance)

Stanton M. Zarrow, et al, Trustees v. Town of Wilmington, et al, Land Court Department (a petition for declaratory judgment and determination of validity of zoning by-law concerning land located in Woburn with proposed access in Wilmington)

(b)(2) During the year 1989, the following new actions were brought by or on behalf of the Town:

Town of Wilmington v. Don H. Townley, Land Court (petition to vacate tax title foreclosure)

\*There are pending as of January 1, 1990, 64 separate petitions for abatements before the Appellate Tax Board, many involving claims for several different years.

(c) During the year 1989, the following actions by or against the Town were disposed of:

Michael McCoy, et al v. Corcoran Jennison Co., Inc., et al, Middlesex Superior Court (defendant's motion to dismiss allowed by Court)

AFSCME, Council 93 v. Town of Wilmington, American Arbitration Association (disposed of by dismissal and clarifying directive from Chief of Police)

Town of Wilmington v. SWS Industries, Inc., et al, United States District Court (disposed of by dismissal with prejudice, ordered by the Court)

Town of Wilmington v. Weston & Sampson, et al, Suffolk Superior Court (disposed of by settlement in the amount of \$11,500.00 to reimburse Town for deductible and expenses)

IBPO, 318 v. Town of Wilmington, American Arbitration (disposed of by withdrawal of grievance by grievant)

Warren Atkinson v. Wilmington School Committee, et al, Middlesex Superior Court (disposed of by School Committee requesting private counsel prior to trial/advised case was settled)

Robert E. Vassallo v. Civil Service Commission, et al, Boston Municipal Court (disposed of by appellant withdrawing his appeal of the decision of Civil Service)

Viola Berglund v. Town of Wilmington, Land Court (disposed of by stipulation of dismissal with prejudice, agreed to by both parties)

Ernestine McVicker, et al v. Town of Wilmington, et al, Middlesex Superior Court (disposed of by settlement by Town's insurer in the amount of \$2,500.00 and stipulation of dismissal with prejudice filed)

James Rooney v. Sterling C. Morris, et al, Municipal Court of the City of Boston (disposed of by dismissal under Rule 41(b)(2) (lack of prosecution)

John T. Bresnahan, et al v. Town of Wilmington, et al, Land Court disposed of by compromise and settlement between neighbors).

Sandra L. Murphy v. Town of Wilmington, Division of Employment Security/Board of Review (disposed of by decision of Board of Review that the applicant was not entitled to benefits)

Brentwood Enterprise Trust v. Board of Appeals of the Town of Wilmington, Middlesex Superior Court, (disposed of by Board of Appeal's motion to dismiss allowed by the Court)

Joseph Guzzo v. Bruce MacDonald, et al, Middlesex Superior Court (disposed of by agreement for judgment disposing of contested issues)

Town of Wilmington v. Alice Papaliolios, Middlesex Superior Court (disposed of by dismissal because of mootness)

Maryanne Stone v. Town of Wilmington, et al, Fourth District Court of Eastern Middlesex (disposed of by settlement made by Blue Cross/Blue Shield - no expense to Town)

Carl J. Marcy v. Town of Wilmington, Department of Employment and Training, Board of Review (appeal from Decision of Commissioner is dismissed)

## *Historical Commission*

The Wilmington Historical Commission is pleased to announce that the West Schoolhouse on Shawsheen Avenue was placed in nomination for the National Register of Historic Places by the Massachusetts Historical Commission. The National Register of Historic Places is the federal government's official list of historic properties worthy of preservation. Listing in the National Register provides recognition and assists in preserving our nation's heritage.

One of the town's historic properties, the Old South School on Chestnut Street, has been leased by the town to the Marine Corps League. In cooperation with the Historical Commission, the League has worked to preserve the exterior while remodeling the building to fit their needs.

The Commission continues its quest for recognition of our historical buildings around the town common area. Application has been made to the Massachusetts Historical Commission for a federal survey and planning grant for the Wilmington Centre Village National Historic District project.

Protection and preservation of historical properties throughout our town continues to be our goal. In accordance with this, we have worked with town officials and Station Development Corporation to preserve the Wilmington Town Pound (1814) and Scalekeepers Building (1830); both located on Glen Road.

The Historic Plaque program continued with more plaques being prepared and placed on historical properties throughout the town.

We received from the Dublin Historical Society in New Hampshire an original promissory note which originated in Wilmington in 1748. It is now on display at the Harnden Tavern.

The Commission continued its program of cataloging articles in the Tavern.

The Harnden Tavern Open House program continues on the first Sunday of each month. Informative historical tours are offered by our tenants, Josh and Lisa Winant. There is much more on display at the Tavern thanks to the activity of the Friends of the Harnden Tavern. Many historical artifacts were purchased at local auctions; including the Allgrove and Buck estates. The Friends also held successful Strawberry, Harvest and Christmas socials.

The Public Buildings Department has continued to cooperate to preserve the Harnden Tavern and Carriage House.

Memberships in the National Trust for Historic Preservation and Historic Massachusetts have been renewed.

The Wilmington Historical Commission wishes to thank the many town departments which have assisted us throughout 1989 in the preservation and maintenance of Wilmington's historic buildings.

The Commission meets on the second Monday of the month at the Town Hall, Room 4, 7:30 p.m.

## *Carter Lecture Fund*

On May 4, 1989, the Carter Committee presented the Retired Men's Band of Wakefield. The retired musicians performed a wide range of selections from marching band and concert to symphony and theater. It was an interesting and diversified program, which was well received.

In the 80th anniversary year of the Carter Lecture Committee, we offer a brief history, from the first records of the Committee.

The donor, Mrs. Sarah Davis (Jaquith) Carter, was born in Wilmington on March 24, 1832, daughter of Joshua and Sabra (Gowing) Jaquith of the stock of early settlers of the town. She was married to Cyrus Lewis Carter on February 5, 1874 in Wilmington, and died in Wilmington on November 28, 1907.

Following is the bequest contained in Mrs. Carter's will, which bore the date of November 26, 1907, and was admitted to Probate in Middlesex County on December 24, 1907:

"Eleventh: I give and bequeath to the Town of Wilmington the sum of Six Thousand Dollars, in trust to invest the principal sum and to expend the income in maintaining courses of lectures for the benefit of the people of Wilmington. I direct that the principal of this fund shall be invested only in such securities as may be a lawful investment for Savings Banks in this Commonwealth except that it shall not be loaned on the security of individual names. And should the principal of said trust be lessened by depreciation in the value of the securities in which the investment may be made, or by losses, then the income accruing from the investments shall be allowed to accumulate and to be capitalized until the fund shall be restored to its original value of Six Thousand Dollars."

Town Meeting, March 1, 1909 - At the request of the Executor of Mrs. Carter's will, the warrant for the Annual Town Meeting in Wilmington on March 1, 1909 contained the following:

"Article 18: To see if the Town will vote to accept the bequest contained in the will of the late Sarah D. J. Carter, and determine how the same shall be cared for."

The Town Clerk's record of the meeting tells of the following action:

"Article 18: On motion it was unanimously voted that the Town of Wilmington accept the legacy of Mrs. Sarah D. J. Carter, and that the same be placed in the hands of the Board of Trustees of Trust Funds for Investment, and the income derived therefrom be paid annually to a committee consisting of five members. . . ."

The current Carter Committee may be unable to schedule a program for 1990 until the renovations to the high school auditorium have been completed.

## *Public Buildings Department*

I respectfully submit my Annual Report for the year 1989.

Highlights of projects completed during 1989:

- o New pollution control furnace installed at D.P.W. garage. System runs on old motor oil.
- o New light fixtures installed in cafeteria and corridors at the North Intermediate School.
- o New steel exit doors were installed at the Shawsheen Street School.
- o Handicapped ramp was constructed at the Arts Council building.
- o Repaired and refinished cafeteria stage floor at the North Intermediate School.
- o Voting machines were programmed for Special Town Meeting.
- o Enclosure constructed for rear entrance at the Senior Citizens Center.
- o New underground oil tanks were installed at the Boutwell Street School, Shawsheen Street School, North Intermediate School, West Intermediate School, Town Hall and the Memorial Library.
- o The AHERA (Asbestos Hazard Response Act) Program, mandated by the federal government, was completed for all school buildings. A copy of this report is on file in each school building and at the Public Buildings office.

Painting of the interior/exterior of various town and school buildings continues.

Plumbing and electrical fixtures have been repaired or replaced in various locations as needed.

Doors and door hardware have been replaced or repaired in various locations as needed.

Food, supplies, furniture, and equipment have been picked up and delivered as required.

I gratefully acknowledge the support of the Board of Selectmen, Town Manager, School Administration and all personnel of the Public Buildings Department.

# Recreation Department

Wilmington's Recreation Department continued to provide a wide variety of leisure time activities for local citizens during calendar year 1989.

Although our department is relatively small, with only two full time employees, it represents the second largest industry in the nation. In fact, Americans spend about 12 percent of their personal income on recreation.

The Recreation Commission consists of five volunteer citizens appointed by the Town Manager. This board functions in a policy making and advisory capacity to the Director.

The Recreation Commission and Director keep in mind the following departmental objectives as they plan and conduct recreation programs throughout the year:

- To provide opportunities for self expression.
- To develop a sense of personal worth.
- To provide activities that allow for personal achievement and accomplishment
- To provide activities that are fun and enjoyable.
- To provide physical activities which are new and different, offering a certain amount of challenge to participants.
- To teach skills in various activities that will have carry-over value in later life.
- To provide a healthful and diversified program of recreation activities in an attempt to meet the needs and interests of the people being served.

Our total funding comes from a variety of sources. User fees and donations heavily supplement the town funded budget which was decimated by the effects of Prop. 2 1/2 many years ago. Volunteers always play a key role in providing two dollars worth of service for every dollar spent. We receive much help from local clubs and organizations. Some of these invaluable contributors are: Rotary, Kiwanis Club, Lions Club, Police Association, Chamber of Commerce, Knights of Columbus, Tewksbury-Wilmington Elks, Town Employees Association, Special Needs PAC, Camp 40 Acres, Custodial Union, Sons of Italy, and Pepsi. Along with the support we get from the above is the assistance given from such civic minded businesses as: AGFA, Compugraphic, Massbank for Savings, Charles River, F & R Auto Supply, Rocco's, Dunkin Donuts, Town Crier, McDonalds, Lowell 5c Savings Bank, Polaroid, Stelios, Jay's Deli, Century 21 Starwood, Woburn District Court, Leavitts Insurance, and Donut Maker. Our summer day camp for special needs kids is 50% reimbursable from the Commonwealth.

The Recreation Department is involved, in varying degrees, with many recreation oriented projects and groups. In this nature we serve as a quasi-consulting agency. We also loan equipment to families and groups of all types for various functions.

Our basic programs are: Santa's workshop, Horribles Parade, Special Kids Christmas Party, Christmas shopping in New York City, spring trip to New York City, Basketball League, Men's Basketball, Men's Gym, Swimming Lessons, Swim-A-Cross, CPR, First Aid, Punt Pass & Kick Contest, Gymnastics, Ladies Fitness, Cinema Discounts, Other Commercial Recreation Enterprise Discount Coupons, Sesame Street Live at the Boston Garden, Special Needs Gym Program, Boat Cruise to Provincetown, Florida Discounts, T-Ball, Easter Egg Hunts, Circus trip to Boston Garden, Bruins tickets, Summer Playground, Tiny Tots, Special Needs Day Camp, Public Beach Supervision, Canoe Rental and Clinic, Crane's Beach Day, Teen Trips to Hampton Beach, Tennis Lessons, Concerts on the Common, Red Sox Trips, Sport Clinics, Fishing Derby, Self Defense, Co-ed Volley Ball, Disney on Ice Trip, Free Loan of Fishing, Canoeing, Soccer, Aerobics and Hawaii VCR Tapes, Police Association Beach Day, Easter Coloring Contest, Sale of Entertainment Discount Guides, Special Needs trips to the Shriners Rodeo and Circus, Sale of Greater Boston Discount Books, Ballroom Dancing Lessons, Atlantic City Trip, Town Christmas Party and International Karate Tournament.

Other groups that offer leisure type programs in Wilmington are: Little League, Council on Aging, Pony League, Youth Hockey, Pop Warner, Figure Skating Club, Men's Softball, Square Dancing, Youth Soccer, Tennis Club, July 4th Committee, Community Schools, Council for the Arts, Scouts, and Campfire. Schools and churches round out the active recreation picture.

There is an obvious lack of commercial recreation facilities in Wilmington such as bowling centers and movie theatres. The Town also lacks youth serving agencies such as YMCA's, YWCA's, Boys and Girls Clubs. The addition of the new rink is a great plus. This void stresses the importance for town support of various leisure oriented programs.

## Veterans' Agent

The Wilmington Veterans Agent respectfully submits his Annual Report for the year 1989.

Paul A Farrell, Veterans Agent and the part-time services of Diane Peters, as clerk. Veterans services is governed by the General Laws of Massachusetts Chapter 115 as amended with strict compliance to this Chapter, the rules and policies of which govern the disbursement of aid.

Benefits are for the needy veteran and his immediate family who have been subject to unforeseen needs. Final approval of benefits comes from the Commissioner of Veterans Services, Boston, Massachusetts.

The balance of the first six months of 1989 from previous appropriations was \$10,997.84 total available funds beginning July 1, 1989 was \$10,000, total expended for aid to veterans and their families for the entire year was \$1,672.75.

The total expended by the Veterans Administration directly to an approximate veteran population of 2,033 in Wilmington was \$1,411,058 for benefits for the fiscal year ending June 30, 1989, representing the amount of tax dollars not required to be expended for support of those, who because of circumstances, find it necessary to apply for aid.

The appropriation for 1989 and six months of 1990 was \$10,000 as voted at the Annual Town Meeting, a balance of \$9,353.00 forwarded for the first six months of 1990.

## Library Director

The annual report of the Memorial Library with its compilation of statistics for 1989 is submitted herewith:

The decade concluded with the service goals of the library being satisfactorily met.

A new public service was introduced with the receipt of a grant from the Massachusetts Board of Library Commissioners. The library purchased two Apple IIGS computer systems for public use. The grant covered the cost of the computers, related equipment, and seventy software programs for all levels of use and application. Ten residents offered their volunteer services to help in computer orientations, and 135 patrons participated in the program. The computers, located in the Children's Room, and on the main floor, are being used approximately three hours per day. Volunteers continue to assist with orientations and in giving assistance with specific computer programs, and are very much appreciated.

The Circulation Department has noticed an increased awareness by the public of the public access computer terminals. The public more frequently makes access to the holdings of other communities participating in the Merrimack Valley Library Consortium. The Reference Department experienced jumps in inter-library loan requests. The Circulation Librarian observed a great increase in the use of museum passes, furnished by the local parent advisory groups. The Circulation Department also chose materials for Wilmington Woods nursing home on a long-term loan basis.

The Children's Department adopted uniform hours with the Adult Department, and part-time personnel hours were increased to provide additional reference service, and to assist in meeting both circulation and programming demands. The summer reading program "Mystery Summer" was a resounding success. The children discovered the Apple IIGS computer, and the colored printers had heavy usage. Teenagers and mothers of pre-schoolers contributed valuable volunteer time to insure success with story hours and the summer program, and this help is very much appreciated.

1989 was a very productive year for Technical Services, and it managed to get the bulk of new materials processed and in the public's hands within a week of the materials arrival. At the end of November, the department began work on reading an improved patron access catalog. The need for maintaining two cataloging systems will be coming to an end.

During 1989 the library examined its traditional roles of providing access to books and materials, and of providing reference and informational services. It presented a proposed budget to start a plan to replace worn materials, and to update reference collections. It also presented a budget to consider developing new collections consisting of compact discs, talking books, and children's videos in response to public requests for such collections and services.

The accomplishments of 1989 are due to the efforts of the library staff, underpinned by town support. The Trustees and Director of the Memorial Library gratefully acknowledge the effort and the support.

#### Library Statistics for 1989

Number of days open during 1989		292
Hours open each week	(summer)	52
	(winter)	60
Acquisitions & Holdings:		
Newspapers		10
Periodical Titles		200
Microfilm/fische Titles		33
Museum Passes		5
A/V Materials		59

1988	11,514	
1989	\$342,458	
1989 Per Capita Expenditure	\$ 18.89	
Receipts transferred to Town Treasurer	\$6,197.60	

## Sealer of Weights and Measures

The following inspections were completed during the 1989 year:

<u>DEVICES</u>	<u>SEALED</u>	<u>NOT SEALED</u>
Gas Station Pumps	141	4
Digital Scales	34	1
Pharmacy Weights	47	0
Oil Truck Meters	5	0

(2 adjustments made)

The inspections completed were accomplished in a short period of time. I was appointed in the middle of September and have not completed all necessary inspections. The next year will include thorough inspections of all sites in Wilmington.

## Constable

During the year the following notices and warrants were posted:

<u>Event</u>	<u>Posted</u>	<u>Date</u>
Annual Town Meeting & Election	6 Places	March 21, 1989
Special Town Meeting	6 Places	April 7, 1989
Special Town Election	6 Places	May 9, 1989
Special Town Meeting	6 Places	September 27, 1989
Special Town Election	6 Places	October 24, 1989

# Conservation Commission

1989 was a transitional year for the Conservation Commission which brought about many changes; both in membership and staff. The Commission welcomed four new members in 1989 whose enthusiasm, dedication and expertise complement the board: Gary Mercer, Dennis Poltrino, Margaret Imbimbo and Sheila Goldfield. The Commission also said good-bye to two members whose service and dedication were deeply appreciated: Margaret Carson and Jean Locicero. In August, 1989, Conservation Administrator Elizabeth Sabounjian bid the Commission farewell after over 2-1/2 years of dedicated service as Wilmington's first Conservation Administrator. She was highly commended by the Town and the Commission for her exemplary performance and deep commitment to the Commission, in it's mission to protect Wilmington's natural resources. Planning Intern Donald Nadeau assisted the Commission as Acting Conservation Administrator through October, 1989. His dedicated service was appreciated during a challenging transition period for the Commission.

Eileen M. Flaherty joined the Commission's staff as Conservation Administrator in late October, 1989. She formerly served as Andover's Environmental Affairs Coordinator/Conservation Agent and brings over five years of experience in wetlands protection and conservation to the Town.

The Conservation Commission invites the public to attend its meetings which are held on the first and third Wednesdays of each month at 7:30 p.m. in Room 6 at the Town Hall.

While continuing to pursue the goal of education outreach, the Conservation Administrator made several presentations to classes in the Wilmington elementary schools during the winter and spring of 1989. In late November, 1989, the Conservation Administrator gave a slide show and presentation to the Wilmington Garden Club. Entitled "Wetlands Protection and Conservation - an Overview", this presentation was videotaped and aired on local cable television.

The Commission members continued to actively pursue a schedule of self-taught seminars on wetlands protection. The Board is also close to completing the update of the Commission Operating By-Law. The Land Acquisition Subcommittee was very active in 1989; targeting parcels of land for acquisition which are significant to wetlands protection and open space values. Another subcommittee, the Boiler-Plate subcommittee will be working in earnest to update and revise the existing Boiler-Plate which contains the standard conditions and language utilized in the issuance of Order of Conditions permits.

During 1989, the Conservation Administrator prepared an updated map of Wilmington's Conservation land. This map identifies all parcels under the Conservation Commission's control as of 1989 and is available to any interested citizens.

The Conservation staff and board members actively served and assisted on many Town Projects in 1989 including but not limited to the Recycling Committee, Local Emergency Planning Committee, Affordable Housing Task Force, Town-Owned Land Study, Aquifer Protection Study and the Strategic Management Plan.

Conservation Intern/Ranger Donald Penney completed many projects on several parcels of Conservation land in Wilmington. Signs, trails and footbridges constructed by Mr. Penney now welcome visitors to many of our conservation properties.

The Commission office is open to the public in the Town Hall, Room 6, weekdays from 8:30 a.m. to 4:30 p.m. The office is staffed by full-time Conservation Administrator, Eileen M. Flaherty; part-time secretary, Ginny Lemos and part-time Conservation Intern/Ranger, Donald Penney.

The Conservation Commission and its staff gratefully acknowledge the support and cooperative efforts shown by the Selectmen, the Town Manager and all of the Town Departments and Boards this year.

The Commission would also like to extend deep appreciation and special thanks to Mr. Jay Palmer for the donation of 13 acres of land to the Town for conservation purposes.

The preservation of natural resources in Wilmington remains a major priority of the conservation Commission. All who are interested in contributing to land preservation in Wilmington via land donations are urged to contact the Commission office anytime.

Wetlands protection and open space preservation goals can be fully achieved only with the assistance and cooperation of Wilmington's citizens.

Thank you for your support!

# Council on Aging

In 1989, the Council on Aging under the leadership of Chairman Grace Kirkland accomplished a great deal. The parking lot was made twice its original size. A picnic area was cleared. An enclosure was added to the building's entrance door, to keep the wind and cold out of the building. A metal gate was installed to close off the back entry where leaves were building up and could cause a fire by a discarded match. Received a car to transport our frail and disabled seniors to medical and other elderly related appointments. A cable television hook-up was installed in the center donated by Continental Cablevision.

This year many of our seniors suffered heart attacks. For many by-pass surgery was required, for others a diet was recommended. We have several excellent exercise programs at the center to keep the seniors healthy, but we felt a little more had to be done. Walking and bike riding are excellent to keep the heart healthy. But this is difficult during the winter months. To solve this we set up an exercise room containing a treadmill, exercise bike and a rowing machine.

Through the brochures of all the programs and services under the Council on Aging we are reaching many more of our younger senior residents in their sixties. They are becoming very active in our programs and classes. Our dance class has a group of students who are now performing throughout the year for hospitals, nursing homes and other senior citizen centers upon request. The older seniors are pleased to see the younger seniors joining in these performances.

Every year the seniors work very hard putting together the Senior Fair. Many volunteer hours, much time, talent and money is donated willingly by the seniors to make it a success. They feel the money they earn will buy articles for the center, our way of helping the town meet the needs of its older residents. In 1989, through the fair money, the committee bought a tape recorder for the Council meetings, a music center for the dance class, a calculator, 2 file cabinets and a typewriter for the office, new refrigerator for the kitchen, treadmill, exercise bike, rowing machine, glass doors and trim on the doors for the exercise room, tools for the woodworking class, three therapeutic socials, open house party at Christmas and New Year's and the July all day picnic.

Services rendered through the Council on Aging to the elders in 1989 were:

Transportation to medical and other elderly related travel appointments	7,426
Miles traveled	
Meals on Wheels to shut ins	16,607
Miles traveled	14,023
Meals served at the congregated lunch site	6,341
Volunteer hours by seniors	7,623
Special holiday dinners to our homebound donated by the Analog Device Corp.	
and the Kiwanis Club	405
Outreach through our therapeutic socials	2,438
Telephone calls received into the center for help and information	8,143
Applications for fuel, oil burners and weatherization	165
New seniors were given photo I.D. cards	408
Seniors entering the center	22,769
Weekly newspaper columns written and published in the Town Crier, Advertiser and the Suburban News	52

To the following we extend our thanks for funds, enabling us to deliver the above services:

The taxpayers for approving our budget.	
Federal and state for paying for fuel, oil burners and weatherization	\$164,721
Minuteman Home Care for homemakers, hospice services and chore workers	165,837
Department of Elder Affairs Grant used for our Outreach Organizer	3,708
Northeast Visiting Nurse Assoc.	11,750
Mystic Valley Mental Health (counseling for depression)	11,200
H.B. Fuller Company for painting the house of a disabled senior living alone estimated cost	1,000
Tewksbury/Wilmington Elks November therapeutic social estimated value	3,000
Rotary Club monthly food gift certificate	
Kiwanis Club monthly donation to the Whist	
Lion's Club June therapeutic social estimated value	3,000
Lion's Club monthly food gift certificate	

We also thank Town Manager, Buzz Stapczynski for his guidance and support. Representative James Miceli for being there to help us get through the redtape of state agencies in helping our seniors, and his support on our grant application. Diamond Crystal Salt Co. for napkins and sugar used at the center, the Yum Yum Shop for their daily supply of pastry for the center, Plate Escape for their help with the large number of cups used yearly, Flower Stop for flowers to the shut-ins, Meadow Gardens for our Christmas tree, Continental Cablevision for the cable hook up at the center, all the merchants who contributed gifts for our fair raffle, Hampshire Press for donating the printing of our chance books. And all in any way who contributed in making the lives of the senior residents of Wilmington more meaningful in the year 1989, we are grateful.

# Board of Appeals

<u>APPLICANT</u>	<u>REASON FOR APPEAL</u>	<u>DECISION</u>
<u>Case 1-89</u> Presidential Development Corporation	To acquire a variance from standard dimensional regulations (Table 11) authorizing the construction of a single family dwelling within the side yard setback for property located on lot 13 Ohio Street. (Assessor's Map 35, Parcel 213)	Granted
<u>Case 2-89</u> Chestnut Builders	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on Wedgewood Avenue. (Assessor's Map 21 and 33, Parcel 44)(Lot 3)	Granted
<u>Case 3-89</u> Chestnut Builders	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on Wedgewood Avenue. (Assessor's Map 21 and 33, Parcel 44)(Lot 4)	Granted
<u>Case 4-89</u> Chestnut Builders	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on Wedgewood Avenue. (Assessor's Map 21 and 33, Parcel 44)(Lot 1)	Granted
<u>Case 5-89</u> John Cushing	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on 12 Presidential Drive. (Assessor's Map 18, Parcel 8L)(Lot 1)	Granted
<u>Case 6-89</u> John Cushing	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on 12 Presidential Drive. (Assessor's Map 18, Parcel 8L)(Lot 2)	Granted
<u>Case 7-89</u> Koch Membrane System	To acquire a special permit to use office trailers for a minimum of six months while renovations are being done to their second floor, property located at 850 Main Street. (Assessor's Map 38, Parcel 1)	Granted
<u>Case 8-89</u> Oliver Realty Trust	To acquire a variance authorizing the construction of an addition with less than required lot area, frontage, side and rear yard setback for property located at 375 Main Street. (Map 42, Parcel 22G)	Granted
<u>Case 9-89</u> Peter J. Caruso	To acquire a variance for two lots of land located in a public way, Andover Street, to be approved as buildable lots. Lot 1 contains 60,000 square feet. Lot 2 contains 60,618 square feet. Both lots comply with all dimensional regulations except 5.2.3 lot width permitting a circle with a diameter of 200 feet to be placed within said lots. The circumference of such circle would intersect some of the lot lines. The area of the Town in which these lots are located will not be harmed by this variance. The shape of both lots has determined this variance request. Literal enforcement would be a hardship upon the owner. Property located on Andover Street. (Assessor's Map R3, Parcel 20)	Granted
<u>Case 10-89</u> Granted Bruce and Janet Dewire	To acquire a variance authorizing the construction of an addition within the front yard setback as per Section 5.2.4 of Wilmington Zoning By-Law for property located on 12 Dadant Drive. (Assessor's Map 78, Parcel 12)	
<u>Case 11-89</u> Camille Barletta	To obtain a special permit authorizing a dwelling conversion for property located at One Ferguson Road. (Assessor's Map 32, Parcel 110)	Withdrawn

<u>APPLICANT</u>	<u>REASON FOR APPEAL</u>	<u>DECISION</u>
<u>Case 12-89</u> William Stark	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on 54 Andover Street. (Assessor's Map 103, Parcel 1A)	Granted
<u>Case 13-89</u> Matt and Ellie Kane	To acquire a variance from standard dimensional regulations authorizing the construction of a pool within the side and rear yard setback for property located on 5 Marcus Road. (Assessor's Map 92, Parcel 110)	Granted
<u>Case 14-89</u> Highway Leasing Co.	To request a determination that a vehicle leasing use its allowed pursuant to the use provisions of the Zoning By-Laws for the Town of Wilmington for property located at 615 Main Street. (Assessor's Map 40, Parcel 28)	Withdrawn
<u>Case 15-89</u> Priscilla R. Ward	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on Fitz Terrace. (Assessor's Map 34, Parcel 147 and Part of 156)	Granted
<u>Case 16-89</u> Raymond Lepore	To acquire a special permit in accordance with Section 3.6.3 authorizing a repair garage and variance to remove the existing house and construct a new building on a lot with less than required area for property located at 148 Ballardvale Street. (Assessor's Map R2, Parcel 9)	Granted
<u>Case 17-89</u> Joyce K. Brisbois	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on Boutwell Street. (Assessor's Map 18, Parcel 3A)(Lot A1)	Granted
<u>Case 18-89</u> Joyce K. Brisbois	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on Boutwell Street. (Assessor's Map 18, Parcel 3A)(Lot A2)	Granted
<u>Case 19-89</u> Joyce K. Brisbois	To obtain a special permit in accordance with Section 5.3.4 of the Zoning By-Law to authorize a hammerhead lot for property located on John Street. (Assessor's Map 18, Parcel 3A)(Lot A3)	Granted
<u>Case 20-89</u> James and Eleanor Demos	To acquire a variance from Standard Dimensional Regulations (Table II) authorizing the sub-division of a parcel of land and to construct a dwelling with less than required frontage for a parcel located on 40 Hopkins Street. (Assessor's Map 11, Parcel 58C)	Granted
<u>Case 21-89</u> Michael Sullivan	To acquire a variance to sub-divide a parcel and to allow an existing single family dwelling to remain as situated on property located on 3 Adelman Road. (Assessor's Map 83, Parcel 33)(Lot A)	Granted
<u>Case 22-89</u> Michael Sullivan	To acquire a variance from Standard Dimensional Regulations (Table II) authorizing the construction of a single family dwelling on a lot with insufficient depth, width, frontage and area, for property located on Pineview Road. (Assessor's Map 83, Parcel 33)(Lot B)	Granted
<u>Case 23-89</u> Daniel and Anne Devine	To acquire a variance authorizing the construction of a single family dwelling on a lot with insufficient frontage, width, and area for property located on Littlewood Street and Avon Street. (Assessor's Map 9, Parcel 34)	Withdrawn
<u>Case 24-89</u> Edward Welch	To acquire a variance authorizing the construction of a single family dwelling within the side yard setback for property located at Pearl Court. (Assessor's Map 34, Parcel 59)	Granted

<u>Case S-38-89</u> Robert Gamlin	On a way known as Reading Avenue.	Granted
<u>Case S-39-89</u> Ohio Street Realty Trust	On a way known as Lot 16 Vermont Road.	Granted
<u>Case S-40-89</u> Richard Stuart	On a way known as Phelps Road.	Denied
<u>Case S-41-89</u> Richard Stuart	On a way known as Curtis and Phelps Streets.	Denied
<u>Case S-42-89</u> Joseph Langone	On a way known as Curtis Street.	Denied
<u>Case S-43-89</u> Joseph Langone	On a way known as Curtis and Phelps Streets.	Denied
<u>Case S-44-89</u> James Mangano	On a way known as Avery Street.	Granted
<u>Case S-45-89</u> R. Ribeiro	On a way known as Lot 95 Rustic Lane.	Granted
<u>Case S-46-89</u> Kevin J. McMillan	On a way known as Canyon Street.	Granted
<u>Case S-47-89</u> Kevin J. McMillan	On a way known as McGrane Road.	Granted
<u>Case S-48-89</u> Stephen Lawrenson	On a way known as Somerville Avenue.	Granted
<u>Case S-49-89</u> Stephen Lawrenson	On a way known as Somerville Avenue.	Granted

## *Council for the Arts*

The year 1989 saw the achievement of many plans by the Wilmington Council for the Arts. Art exhibitions, concerts, demonstrations, and art classes enriched the artistic and cultural quality of the Town of Wilmington which is blessed to have as its Art Center the beautiful "Old Town Hall". The gracious main gallery with its enormous windows is a fitting place to display visual arts. Here, the paintings of three generations of an old Wilmington family were shown on one occasion where the music of piano and organ in concert created a harmonious background.

Funds allocated by the Massachusetts Arts Lottery supply the means whereby the local council may provide grants and scholarships to deserving applicants. This year ten grants were awarded. Two scholarships to pursue educations in Theater and Visual Arts respectively were given to Lauren Beth Bishop and Douglas J. Michaud. Seven PASS (Performing Arts Students Series) awards accorded 580 Wilmington students the opportunity to attend live performing arts events. Funds provided by the Massachusetts PASS program (which is carefully monitored by the Massachusetts Arts Lottery Council) made this possible. The Wilmington Council spends many hours (individually and as a whole) screening applicants for Arts Lottery Grants in an effort to be completely fair to each applicant. After approval by the council, the successful applications are submitted to the state for approval, and they have strict guidelines.

The Ninth Annual Art Exhibition by the Arts Council was held this year on Saturday, July 1 and over 200 people came to view the more than 75 works of art in exhibition. Three distinguished artists acted as judges: Eleanor Mahoney, Beatrice MacLellan and Roberta Thresher.

First prize in oils was won by Andrea Peters, well-known Wilmington artist; first prize in watercolors went to Elaine Bradley; first prize in pastels was won by Dorothy Richards; first prize in photography was given to Ray Capodanno, and Joan Ward won first prize in Miscellaneous. The John D. Brooks Memorial Award is the only one selected by the council and it is given to a Wilmington artist who has shown the most promise and progress in his work. This year it was awarded to Charlotte McCain for her collage entitled "Five of Hearts". "Music and Art in the Afternoon" was a delightful occasion on a Sunday afternoon in May. Art of local artists and high school students was exhibited while music of the High School Show Choir (show had recently performed in Washington, D.C.) under the direction of Toby Simon and a trio of piano, cello and flute made for a memorable afternoon. Miss Lorraine Kalil, director of performing and fine arts at the high school added welcome words of tribute to the Wilmington Arts Council. In December a Christmas concert by Ms. May Bliss at piano and Ms. Aloha Jaynes at the organ made a Sunday afternoon in 1989 a very happy occasion for the many who attended the combined art exhibition and concert. It was the first time the organ had been used in public and the response was so enthusiastic that a Spring Concert is planned with the same performers.

Art demonstrations proved very successful this year and one on framing and preserving art work by Mr. Bruce Jope, who has galleries in Wilmington and Provincetown, drew a large number of interested participants. A demonstration in November by four artists in oils, watercolors, pastels and portraiture in charcoal was also extremely successful. There is never a charge for these events.

Art classes have been overwhelmingly successful in 1989. Lessons oil, watercolor, and portrait painting were so widely accepted that, in many cases, classes could not accommodate the number of applicants. The charge for these lessons is minimal and many a person, old or young, has acquired a joy in painting. Lessons given in summer to children were so enthusiastically received that one young artist preferred his lessons to vacation with his family.

Bus trips were made in 1989 to the Boston Pops and the Museum of Fine Arts. An ARTBUS trip is planned for the "Monet Series" at the MFA in early February of 1990.

Council members attend many out-of-town workshops and demonstrations and art exhibitions to maintain a state-of-the-art awareness.

The musical group, "Sweet Adelines", who won international acclaim in Paris during the past summer, meet and rehearse in the Center weekly.

The Arts Council operates on an extremely limited budget so donations in almost any form are welcomed. A generous contribution was made by community schools and also by generous-minded individuals. Particularly welcomed this year were two paintings by Anne MacDougall, who donated them to the Art Center. Ms. MacDougall is an accomplished former Wilmington resident and her large watercolor and serigraph are proudly acknowledged by the Arts Council.

In addition to the center, an item which brought the most satisfaction to members was an access ramp for the disabled. It was professionally constructed by town workers under the direction of Mr. Roger J. Lessard, Superintendent of Public Buildings. This ramp is a vital necessity which now permits everyone to enter and enjoy the benefits this beautiful old building is making possible for this community. The council is grateful to Mr. Lessard and his men who have done so much.

Officers of the Council for the Arts are: Elizabeth White, Chairperson; Edith Michelson, Vice Chairperson; Anne Buzzell, Treasurer; Evelyn Choate, Recording Secretary; Frances D. Keough, Corresponding Secretary. The Council is grateful for the support of the people of Wilmington, the Town Manager, and the Board of Selectmen.

# *Metropolitan Area Planning Council*

With the support of Wilmington and 100 other communities in the Boston region, the Metropolitan Area Planning Council (MAPC) was able to continue to provide planning services, information and advice for regional communities during 1989.

Throughout the year, MAPC concentrated on refining MetroPlan 2000, the regional growth plan adopted in principle by representatives at the 1989 Annual Meeting in May. The regional development framework will aid communities in designating potential growth areas based on the availability of infrastructure, and in designating areas where growth should be discouraged.

With a regional plan, growth can be directed so that affordable housing issues are addressed, open space and environmentally sensitive areas are protected, and transportation habits that contribute to traffic congestion and air pollution are changed.

At the same time, planned growth can encourage new job opportunities by providing incentives for growth in specific areas. In addition, with a shortage of funds to build new roads or maintain old ones, planned growth encourages the best use of limited resources, such as in the Wilmington Town Center area.

In addition to MetroPlan 2000 planning efforts, MAPC staff produces community population and employment forecasts, and updated the development file and vacant sites survey for each community. Some communities also took advantage of information programs, and met with MAPC planners to discuss the federal Transportation Improvement Program, trip reduction tools, curb cut controls and impact fees.

The Town of Wilmington has become an active participant in the North Suburban Planning Council, which discusses subregional issues of common concern to each community. MAPC is also developing a suburban mobility workshop to lessen traffic congestion in the Route 128/93 area.

In Fiscal Year 1989, Wilmington contributed \$3,338 to MAPC for regional planning services.

## *Housing Authority*

This year has proven to be year of great transition and change for the Wilmington Housing Authority. Two vacancies existed with the retirement of Bill Strob and the relocation of Warren Newhouse to Montana. The temporary vacancies were filled by appointment of two new board members, Joan Sadowski and Mary Keough, until the next election. The Wilmington Housing Authority is proud to welcome these past, dedicated, town board members aboard.

1989 has proven to be a busy and dynamic year for ongoing construction projects. Groundbreaking for 32 units of elderly housing commenced last December, 1988 and is in the final construction stages. Occupancy is slated for March, 1990. The 32 units are comprised of 26 conventional units, 2 handicap accessible, and 4 congregate units. There has been extensive renovation of our present community hall, office, kitchen, laundry and maintenance areas. The tenants are eagerly awaiting completion of the Community Building to resume their social activities.

The "design review process" is still proceeding with Executive Office of Communities & Development for the construction of a home for autistic children. At the present time, a desirable site selection seems to be delayed and has set the development schedule on hold.

The Wilmington Housing Authority has three ongoing projects for family housing. Funding has been secured for two of the homes. We were fortunate to be selected from the lottery by the Shawsheen Technical School for a family home to be built by the school. An article for conveyance of a parcel of land by the town to the Wilmington Housing Authority and/or the Community Development Corporation passed at the Annual Town Meeting in April, 1989. The other two homes are being built by Ohio Realty Trust through an agreement reached with the developers and Board of Appeals.

The present board members are Kevin McMillan, Chairman; Dan Gills, Vice Chairman; Joan Sadowski, Secretary Elaine Machey, Treasurer; Betty Keough, Vice Treasurer. Office staff consists of our Executive Director, Ella Belmore and Administrative Assistant, Phyllis Tumsaroch. Edward Melanson is our maintenance person.

The Authority is proud of its accomplishments and would like to thank the endeavors of our past board members, Bill Strob and Warren Newhouse for their support, work and time. We would also like to thank the townspeople, Town Manager, Board of Selectmen, Department of Public Works, Wilmington Community Development Corporation, Wilmington Affordable Housing Task Force for their support and work on various ongoing projects.

# Water & Sewer Department

## WATER

The Edmund H. Sargent Water Treatment Plant was put into service on May 2, 1989, with all state approvals being met.

An open house was held on September 16, 1989. The open house was attended by many neighborhood residents and Water Department personnel.

The contracts for the 3.0 million gallon water storage tank and connecting water mains were awarded.

Except for landscaping the tank is complete and was put into full service December, 1989.

The Water Department has obtained the services of a consulting firm to study and prepare "Aquifer Protection Zoning By-Laws" to be adopted at the Annual Town Meeting (1990).

Many "Water Impact Reports" were reviewed for proposed sub-divisions.

Unpaid water and sewer bills for 1988, in the amount of \$52,941.02, were committed as liens to the Tax Collector.

## SEWER

The Northeast Sewer Interceptor design is still ongoing. Survey work on private property is being done where access permission has been obtained.

Nine hundred feet of sewer interceptor has been cleaned in the South Main Street area.

Approximately 2,200 feet of sewer is to be constructed in Main Street, from the junction of Route 38 and Route 129 to Cross Street. Construction is expected to start early 1990.

A sewer rate increase was reflected in the October, 1989 sewer billing. Most of the sewer rate increase was due to the sewer assessment charges from the Massachusetts Water Resources Authority. Charges for FY-1990 are \$660,581.00.

### PUMPING STATISTICS

WATER SUPPLY	1984	1985	1986	1987	1988	1989
Maximum Gallons Per Day	4,228,700	4,193,300	5,130,700	4,518,100	4,912,000	4,064,500
Maximum Gallons Per Week	26,093,500	24,598,300	28,474,500	29,735,500	29,811,200	22,565,700
Maximum Gallons Per Month	100,396,500	101,415,100	110,876,900	124,240,900	120,030,100	97,243,800
Average Gallons Per Day	2,780,674	3,024,474	2,966,701	3,192,664	3,245,345	2,823,110
Average Gallons Per Month	<u>84,578,825</u>	<u>91,994,400</u>	<u>90,320,492</u>	<u>95,779,920</u>	<u>98,712,563</u>	<u>85,869,600</u>
Total Gallons Per Year	1,014,945,900	1,103,932,800	1,082,845,900	1,185,567,065	1,184,550,563*	1,030,435,200*
*Includes water purchased from other systems						
Annual Rainfall	47.61"	36.38"	41.94"	38.41"	36.10"	42.66"

### CONSUMPTION STATISTICS - GALLONS

Residential Use*	413,005,845	408,518,662	411,814,446	474,675,803	432,331,418	403,228,522
Percent of Total	50.6%	46.1%	41.3%	40.71%	47.64%	39%
Industrial Use	402,034,245	477,200,640	469,455,823	631,254,953	470,317,313	457,822,530
Percent of Total	49.3%	53.8%	58.7%	59.29%	51.83%	44%
Total Water Metered	815,040,090	885,719,302	881,270,269	1,109,869,081	907,415,379	857,301,052

Percent of Water Pumped**	81%	80.2%	87.54%	95.19%	76.60%	83%
---------------------------	-----	-------	--------	--------	--------	-----

\*Residential use includes small commercial users, that is, all water passing through 5/8" meters.

\*\*The difference between the water pumped and the water metered, 173,134,148 gallons in 1989, represents water used for flushing of water mains, flushing and filling new water mains, for fires, street sweeping and other hydrant uses, testing new water treatment plant before acceptance by department and water lost due to main breaks.

#### WATER DISTRIBUTION SYSTEM

The following new mains were constructed during 1989:

<u>Street</u>	<u>Amount</u>	<u>Size</u>	<u>Hydrants</u>
Olmstead Avenue	375'	6"	1
Marrietta Avenue	750'	8"	2
Pearl Court	225'	6"	0
Crystal Road	950'	8"	3
Whitefield Elms	1650'	12"	5
Andover Street	475'	12"	1
Dunmore Road	300'	6"	1
Waltham Street	370'	6"	1
Upton Court	240'	12"	0
Hall Street	123'	8"	1
Dewey Avenue	200'	6"	0
Naples Road	300'	6"	1
Second Avenue	1275'	8"	3
Dunton Road	234'	6"	1
Clark Terrace	242'	6"	1
New Hampshire/Rand/Garvin Road	2100'	8"	4
Cristo/Vermont Road	700'	8"	2
Amherst Road	1500'	8"	2
Henry L. Drive	600'	8"	2
Lynch Road	268'	8"	1
Buckingham Road	450'	8"	1
Allgrove Estates	900'	8"	3
Cross country for new water tank	3,100'	12"/16"	1
Total	17,327'		

Total water mains installed during 1989 - 17,327' or 3.14 miles  
There have been 41 new hydrant added to the system

# Department of Public Works

In accordance with the Bylaws of the Town of Wilmington, I hereby respectfully submit the Annual Report on the activities of the Department of Public Works for the year 1989.

The Department of Public Works consists of six (6) divisions: Highway, Tree, Cemetery, Parks & Grounds, Engineering and Rubbish Collection and Disposal.

## \*DPW - HIGHWAY DIVISION-(658-4481)\*

All maintenance work was carried out during the year, such as cleaning catch basins, patching streets, making and installing street and warning signs, cutting brush along our roadsides, grading back roads, replacing broken curbing, painting and replacing guardrails, etc.

### Safety Mirrors:

Safety mirrors were installed at the following locations: Butters Row at the bridge, Hopkins Street at Dorchester Street and Glen Road and Drury Lane. These mirrors have been installed to help eliminate accidents.

### Drainage:

Drainage systems were installed, repaired or extended at the following streets: Lawrence Street, Church Street, West Street, Shawsheen Avenue, Ballardvale Street, Andover Street, Jones Avenue, Cottage Street, Clorinda Road, Linda Road, Clark Street and Deming Way.

### Chapter 90 Construction:

The reconstruction of Aldrich Road sidewalks is ongoing.

### Chapter 90 Maintenance and Hot Top Program:

The following roads were upgraded with bituminous concrete: Shawsheen Avenue from Billerica line to Hopkins Street and from Ferguson Road to beyond Canal Street, Andover Street from Andover line to Route 125 and Edwards Road.

### Snow & Ice Removal:

We only had 13.5 inches of snow for the year.

### Sidewalks:

Constructed a sidewalk on Shawsheen Avenue from Nichols Street to beyond Harold Street.

## \*DPW - TREE DIVISION-(658-2809)\*

The Tree Division carried out all regular maintenance such as trimming, cutting spraying and removing trees. We had to remove 58 roadside trees that were dead or interfered with public safety. Hornet nests were removed upon request from residents. The Town Common was illuminated with a fine display of Christmas lights again this year.

### Dutch Elm Disease:

Samples of Elm Trees, believed to be diseased, were sent to the University of Massachusetts, Amherst, MA, to be tested. As a result we removed 2 diseased trees.

### Mosquito Control:

The Town has joined the Central Massachusetts Mosquito Control Project. With this regional approach we are able to provide our Town with a good, environmentally sound, and cost effective mosquito control. There are three basic control methods which are practiced by the Central Massachusetts Mosquito Control Project. They are Source Reduction, Larviciding and Adulticiding.

### Insect Pest Control:

Spraying was done to try to control Elm Leaf Beetles, Ticks, Gypsy Moth, Japanese Beetles, Eastern Tent Caterpillars. Spraying was also done to control the spread of poison ivy.

\*DPW - CEMETERY DIVISION-(658-3901)\*

All regular maintenance was carried out through the year, such as mowing grass, weeding, trimming, reset markers, winter graves were loamed and seeded, foundations for monuments were poured, etc.

<u>Burials</u>		<u>Receipts</u>	
Died in Wilmington	14	Interments	\$19,000.00
Died elsewhere	42	Foundations for monuments	3,181.75
Non-Residents	40	Affidavits	4.00
Cremations	20	Deeds	60.00
Infants	3	Copies of Deeds	2.00
	<u>119</u>		<u>\$22,247.75</u>

<u>Reserve</u>		<u>Trust Fund</u>	
Sale of Lots	\$20,238.00	Perpetual Care	\$17,950.00
		TOTAL	\$60,435.75

\*DPW - PARKS & GROUNDS DIVISION-(658-4481)

All regular maintenance was carried out throughout the year such as cutting grass, trimming shrubs, marking ballfields for baseball, softball, football, field hockey and soccer.

The following are some of the highlights:

1. High School Football Field - Reconstructed the High School varsity football field with new loam, a sprinkler system and sod.
2. Hot topped the parking lots at the Woburn Street School and the Council on Aging.
3. Installed park benches at the Wildwood School and Silver Lake.
4. Upgraded the Shawsheen and Woburn Street School tennis courts.
5. Assisted the Public Buildings Department with the construction of the storage shed at the High School football field.
6. Installed the new front walk at the High School.
7. Assisted the Woburn Street School parents group with the painting of the hot top and installed playground equipment.
8. Upgraded the front of the High School grounds by removing some of the shrubs and replacing with sod.

\*DPW - ENGINEERING DIVISION-(658-4499)\*

The Engineering Division assisted Town departments, boards and commissions with engineering related projects, such as but not limited to:

Parks & Grounds Division - Layout plan for the High School athletic field expansion.

Highway Division -

- a. To find solutions for the many drainage problems throughout the Town.
- b. The relocation layout to straighten the curve on Burlington Avenue near Harris Street.
- c. The relocation of Deming Way to allow for the installation of new traffic lights at this location.
- d. The layout plan for the recycling drop-off center on Main Street.

Cemetery Division - Set layout and grades for Cemetery expansion.

Planning Board - Made recommendation on subdivisions and inspected roadways during construction.

\*RUBBISH COLLECTION AND DISPOSAL-(658-4481)\*

The contract for rubbish collection and disposal is a function of the Department of Public Works. If taxpayers have any questions, suggestions or complaints, please call the above number.

I would like to take this time to thank the Recycling Advisory Committee for all their efforts in setting up the recycling drop-off center at the No. Woburn line. We opened in October and we have already noticed a reduction in the waste stream. Due to recycling, FY'91 budget will be the first budget since FY'84 that I will be requesting less funds than the previous year. I would also like to thank all the volunteers who staff the recycling drop-off center. They are a vital part of the ongoing success.

In concluding my report, I would like to take this opportunity to thank the Police Department for keeping us informed during the winter months of the road conditions, between the hours of 3:00 p.m. and 6:30 a.m. weekdays, weekends and holidays; the Water Department for their help during snow storms, and all various departments for the cooperation extended during the year. I would like to thank the Town Manager, the Assistant Town Manager and the Board of Selectmen for their support throughout the year. Last but not least, to the dedicated employees of all divisions of the Department of Public Works who made 1989 a very productive year, my sincere thanks and appreciation.

## *Handicapped Affairs Commission*

Being that this is the Handicapped Affairs Commission's first annual report, a brief history is in order. In October, 1982, a committee, at the request of the Wilmington Board of Selectmen, was formed to study the situation regarding the disabled of Wilmington. John Brown was elected chairman. The study centered on the present situation, what was made available and what needs there might be. It was noted that there was no physical access availability for persons who used wheelchairs to any of the town's departments.

The Committee went over all information at hand, adopted the name A.I.M. (Access Is Mandatory), (a.k.a. "AIM" or "the AIM Committee"), as access was the most obvious need. A questionnaire was deemed necessary to contact the disabled population regarding needs.

With direct input by the Deaf Community, the need for a T.D.D. (Telecommunication Device for the Deaf) was established for emergencies to the police and fire departments and one for general information in the public library. Public awareness was also deemed necessary and important.

In October, 1983, Laurence Curtis was elected chairman. The purchase and installation of a T.D.D. was arranged for the police and fire departments. A handicapped questionnaire was drawn up and printed and Wilmington Boy Scout Troops volunteered to deliver it to all the households of Wilmington. Two hundred returns were received, establishing transportation, public access, H.P. parking, and social as the primary needs of Wilmington's Disabled Community.

Chairman Curtis and Carol Beaudoin joined the state funded Transportation Advocacy Action Project, studying wheelchair accessible transportation for greater knowledge regarding the stated need. They joined the Massachusetts Coalition of Citizens with Disabilities, Inc. for better cross-disability awareness, organizational knowledge and negotiating strength. They then convinced the A.I.M. Committee to join, and become the local chapter of M.C.C.D. They then volunteered as members of the Organizational Board and Priority Issues Board of M.C.C.D.

The issue of there being no wheelchair access to town departments was brought to the attention of the Board of Selectmen because of potential civil rights violations under the Federal 504 Laws. In 1984, the Town had the Glen Road School renovated and turned into the new town hall making all departments within the town government, that can be physically moved, now accessible. AIM brought the issue of parking permits to the attention of the police department, and ideas were exchanged on the matter. We felt the social issue was too great an issue for the committee, as is, to deal with effectively and re-organizational issues were entertained. As a result of the re-organizational study, we decided to create a Handicapped Affairs Commission, as an integral part of town government in compliance with state guidelines (Massachusetts General Laws Chapter 40, Section 8(J)), and to incorporate the AIM Committee into a non-profit organization.

Public awareness was increased through the questionnaire, numerous letters written to the editor of the local paper (Town Crier), interviews were done with the Lowell Sun newspaper and on State Representative Jim Miceli's talk show on the local cable station, participation in local fund raisers (i.e. Community Fund Walk-a-Thon, of which A.I.M. was awarded most effective adult group) and by submitting the article for the creation of a Handicapped Affairs Commission for the upcoming Town Meeting.

In April 1985 Chairman Curtis submitted, for the Annual Town Meeting, the article to form a Handicapped Affairs Commission which was voted on and unanimously approved by the Town's voters. Membership in the Wilmington Handicapped Affairs Commission, (a.k.a. "the Commission" or "W.H.A.C."), in accordance with state guidelines, was then established, having as great a cross-disability representation as possible and an elected or appointed member of town government, Selectman Dan Ballou. At the first official meeting of said Commission, Laurence Curtis was elected Chairman and basic organizational issues (i.e. by-laws) were dealt with. By-laws were established, submitted and approved by Town Manager and Town Council.

The Commission's first tasks included such things as the additional T.D.D. for use in the public library purchased through negotiated funding by the Wilmington Community Fund. Total accessibility of the newly renovated high school was established. The police department, as one of those non-movable town departments, had a ramp installed. Private public buildings are being addressed on an individual basis with owners as they build or renovate and with our present Building Inspector accessibility is a fact of law. As is the case with the Wilmington Branch of BayBank after the issue was raised they voluntarily ramped their building. DeMoulas Super Market was approached for adequate H.P. parking spaces. Transportation, being the most difficult issue to deal with due to expense, was finally established through the Committee's and Commission's working with the State Office of Transportation and Construction, M.B.T.A., the Governors Commission on Transportation, and with State Representative Jim Miceli. Wilmington, along with seven other communities in line with use and Boston, are now with wheelchair accessible vans provided by Share-a-Ride, Inc. and funded by the M.B.T.A. This service was set up as a pilot program, pending a six month trial basis, at which time it would be determined if there was a great enough need for the M.B.T.A. to take over on a greater scale. A public awareness campaign was enacted by the Committee and Commission to inform those eight towns with the intention of inducing maximum usage of said service thus assuring permanency. Wilmington's para-transit service is now permanent and expanded to "normal" M.B.T.A. operating hours.

Mr. Curtis drew up, with AIM's approval, By-laws and incorporation papers for the Committee in 1985. The State recognized the Wilmington Committee for Citizens with Disabilities, Inc. (a.k.a. "the Committee", "AIM Committee" or "W.C.C.D.") as a non-profit organization in April of 1986. At the first W.C.C.D. Board Meeting, from the appointed eleven member Board of Directors, officers were elected and Judy DiPalma was elected their first president.

Through our negotiations with the Town Manager and the Fourth of July Committee in 1986, AIM headquarters was established in the Fourth of July Committee Building which was made fully accessible for our use. Private homes were being made accessible, according to the level of financial need, through the AIM Committee's established "Home Access Assistance Program" (HAAP). After W.C.C.D.'s first annual meeting in 1987 an official Board of Directors was voted in by the dues paying membership and at the following Board Meeting officers were elected and Phyllis "Dee" Genetti was elected president. The following year Carol Beaudoin was elected president and again in 1989.

Issues presently being addressed are, amongst others, accessible train stations, accessibility of all schools in Wilmington, accessibility of the last church not yet made accessible due to its age, accessibility of the Town Library to the blind and the continued advocacy regarding disabled person's civil rights.

The basic requirements for meeting whatever needs citizens with disabilities of Wilmington may encounter in achieving their equal and civil rights are included in these two entities (W.H.A.C. & W.C.C.D.) as best as we can foresee. W.H.A.C. and W.C.C.D. provide the means for direct involvement of the disabled, by the disabled and for the disabled in having an equal say in their own destiny. Through us and our associates; citizens of Wilmington with disabilities are trained as self advocates for the good of themselves and others who may share similar circumstances now and in the future thereby affecting the lives of all citizens, disabled or otherwise, for the better.

In short, we are a socially and politically recognized component of our community and our intent is to influence all aspects of society into being inclusive, never again exclusive, with regard to persons with disabilities and their rightful place in the term "Public". We've got our foot in the door and we are holding our own.

Members of the Wilmington Handicapped Affairs Commission:

Laurence Curtis, Chairman  
Frank Botte  
Lillian Brown  
Dee Genetti  
Selectman Robert Doucette

We, the disabled, make up the largest minority in America, approximately 43,000,000 strong, that being 1,000,000 from Massachusetts or 3,500 from Wilmington, and if we are to realize our civil rights and shed the unwarranted stigma associated with being a person with a disability, it will be by our direct and equal involvement in society, "for the truth will set you free".

If you are disabled and wish to take part in the evolving Disabled Civil Rights Movement in America here at the grass roots level where democracy is at its purest, please contact the Town Manager or the Commission at the Town Hall.

# School Department

Guidance Department - Following a class meeting in the fall, Wilmington High School college-bound seniors and their Guidance Counselors attended the New England Association of College Admissions Counselors (NEACAC) "College Fair" at Merrimack College. Seniors had an opportunity to tour the fair, speak with admission officers and obtain a variety of materials, catalogues, and application forms. This was the largest of thirteen such fairs presented throughout New England during the fall.

The Wilmington High School Guidance Department hosted two financial aid workshops in December and January for parents and students. Invited guests at the first workshop were Mrs. Grace Bartini, Assistant Director of the Massachusetts Education Loan Authority, and Mr. Charles Byron, Education Loan Officer of the Boston Five Bank. Mr. Anthony Deluca, Accountant, presented the second workshop. Mrs. Florence Anthanasia, Chairman of the Guidance Department, and Mr. Edward Woods, Assistant Principal, presented local information to parents. Parents and students also received a Financial Aid Handbook which was prepared by the Guidance Department and FAF forms along with other relevant materials.

In December the Guidance Department and the Home Economics Department co-hosted a senior reception in the teachers' Dining Room. This was for potential graduates and student alumni. The reception provided prospective seniors with an opportunity to speak informally with alumni and obtain first-hand information about college life or work experiences as well as speak to staff members in attendance.

As a result of a Horace Mann Grant, a series of parent evening workshops on adolescent issues was offered monthly. Guest speakers from various mental health professional groups conducted these workshops.

## Testing Program:

1. Counseling staff administers SAT/Achievements to Wilmington students during three Saturdays in November, January and May.
2. PSATs were administered on Saturday, October 20th.
3. The Advance Placement Exams were administered by the Guidance Counselors in May.
4. The Armed Services Vocation Aptitude Battery (ASVAB) was administered by military personnel at Wilmington High School in December upon request.
5. All grade nine students were tested in the Massachusetts Ability Test in October.
6. Massachusetts Assessment Tests were administered to students in Grade 12 during their English classes in April.

The Guidance Information Service (GIS) program is provided to students upon request. This allowed students to explore career and college plans as well as take the Harrington O'Shea Career Decision Making System Interest Inventory.

The Guidance Department presented all state and national scholarship information to students throughout the year as well as local scholarship information.

All seniors completed a survey which provided information for the Guidance Department annual report on the status of the graduating class.

College representatives met with college-bound seniors throughout the fall and winter.

Services provided by the Guidance Department for students and parents:

College Application (approximately 500 processed)  
Transcripts  
Work Papers  
Progress Reports  
Homework Requests  
Newsletters  
Student of the Month Program  
Scholarship Information and Applications  
End of the Year Report  
Materials prepared for students and parents include:  
College - A Guide  
College - A Guide (updated version)  
Financial Aid Booklet

Home Economics - This year the Home Economics department is offering Child Development I and II. In Child Development I, students learn about the developing child from embryo to five years of age. One activity they participate in is the "egg baby project". They decorate the egg giving it a face, hair, etc. and they provide a carrier for their "baby". For approximately one week the students are responsible for the care of their "egg baby". They must keep the egg with them at all times or provide suitable care. In this way students experience some of the responsibility that a parent has when they have a baby. The students were very excited about this project this year, but learned very quickly how confining caring for a baby can be.

One of the experiences Child Development I students have this year is the opportunity to observe the pre-school classroom. This opportunity gives them a chance to see what really goes on in a pre-school, to observe the activities of the children, and to see the children progress in their development as the year passes.

The Child Development II program and the pre-school program are running very smoothly for the first year. The pre-school teacher, Mrs. Smith, and the high school teacher Mrs. Altobello work very well together. They have coordinated the program to work effectively and provide the greatest learning opportunities for both the pre-schoolers and the high schoolers.

All the students seem to be enjoying the program. Enthusiasm and motivation continue at a high level. The parents and special education staff seem very pleased with the pre-school progress and the adult to child ratio.

The high schoolers are actively involved in the planning and participation of all phases of the pre-school program. Halloween activities and parade, a Thanksgiving turkey feast and a Holiday party for parents have been some of the successful activities planned by the high schoolers.

In the regular Home Economics classes the program is very successful and meeting the needs of the students. The new and different thing that happened this year, was the introduction of a Vietnamese family who speak no English. The food courses which are hands on experiences, are helping them develop living skills, work skills, and skills in interpersonal relationship.

Industrial Arts - The Furniture and Cabinet making curriculum is designed as a one-year course of study. This course of study was written to meet the needs of students about to enter the world of work, with specific job entry skills. The basic objectives they will develop are the ability to use and care for basic woodworking tools and equipment; to develop in each student an understanding of good construction techniques and finishing procedures for fine furniture; to develop logical, step by step design and construction procedures for the development of fine furniture construction to meet job-entry requirements with a sound base for growth.

Upon completion of this course of study the student will have developed job-entry skills in relation to operation of woodworking machines, good joint construction, along with the knowledge of good overall furniture and cabinet construction.

In our Metal I program we have added a manufacturing project. Here the students are given a project to design, jigs to be constructed, jobs to be applied for, and a product to be produced and placed in an attractive display. The results of this project were good, in that the students wanted to do similar work, learn about the design of the product, and the design and construction of the jigs needed to produce a uniform product.

The Woodworking I classes are developing skills through the use of hand and machines tools. The students are concentrating on and relying on project plans for instruction and directions. Particular attention has been given to maintaining dimensions and sizes.

Students are encouraged to design legs with a personal influence giving each project a unique look from the same basic design.

During the second semester the class will evaluate and select a small furniture piece that they in turn produce as a group through mass production.

The students in Electronics have spent the first semester gaining an understanding of the basic principles of component operation, Ohms Law, and various types of circuits. Experimentation with these new concepts, along with a thorough mathematical analysis has given the students a fine understanding of these sometime difficult concepts.

Beginning with the second semester the student will use modeling and further experimentation to solidify their knowledge and understanding. Through project development they will apply knowledge of component performance, circuit analysis and improve assembly techniques. A way as to gain a practical use of the concepts they have studied to date.

The Automotive class is progressing quite well. Students have been studying various systems of the automobile and the specific skills or repair that apply to these systems. Aspects of the brake systems, lubrication system, and cooling system maintenance have been taught during the first semester.

Currently the class is learning about the operation of the ignition system. This will be followed up by diagnostic techniques related to the operation of the electronic ignition system.

Third term will be spent exploring the parts and operation of the internal combustion engine. Students will develop on their own project that will explore a system or particular part of a system.

In Printing we are in the process of organizing with the Distributive Education Store to take orders for stationery, envelopes, or memos and have them printed in our department.

Also, a interdisciplinary project with the Art department who will do the art designs and overlays and the printing department will complete the printing. In this manner the students in both classes will have the opportunity to understand and observe the talents of the other department.

Building to Scale is a course intended to be used in the classroom by the students who undertake the construction of their first model house. The students will convert a two-dimensional plan into a three-dimensional reality. Through the presentation of modern house building, and the accompanying classwork, we will acquaint the student with the fundamentals of house construction, stimulate their initiative to undertake independent study and to provide them with the sense of responsibility and the patience necessary for the successful completion of the project.

Business Education Department - The Business Education students at Wilmington High School continue to benefit and learn business and marketing skills through traditional and modern techniques. Business students are taught innovative applications, examine and discuss the critical issues facing business today and strive to maintain a competitive edge in the marketplace.

The dedicated Business staff preview, review and share with their students new developments in business education and in the business community.

To supplement classroom learning, business students are participating in a Junior Achievement/private industry financed program. A similar highly successful program ran last year with Accounting students. This year, another element was introduced--that of competition! Marketing/Management students are displaying their eagerness to test their marketing and corporate skills as they too elect officers to the board, name and produce a product and attempt to earn a profit by taking the risk of operating a business enterprise.

Members of the simulated business community class Office of the 90's and other business students have enjoyed the privilege of observing at monthly meetings of the Wilmington Chamber of Commerce Executive Board. These observations link classroom learning with the real world. Opportunities such as those being rendered by the business community to the students of Business give "learning in school" a new dimension!

Social Studies Department - The purpose of the social studies program in Wilmington is to prepare students for informed participation in a free society. Informed citizens understand the need to insure individual worth and dignity, to improve society and to recognize the interdependence of human kind.

The social studies program draws from each of the social sciences. Utilizing exciting content from anthropology, sociology, history, economics, political science, and geography, the program also enriches interdisciplinary skills in reading, writing, listening, and speaking. Resources are drawn from a variety of print and nonprint materials.

Thinking skills are enhanced and encouraged. Students are asked to formulate hypotheses, gather data, and test their hypotheses against the data. Students are encouraged to develop curiosity about social phenomena and to respect evidence even when it contradicts preconceptions. The program also develops appreciation and respect for the cultural contributions of others, as well as for their own.

In conclusion, Wilmington students have participated in several competitions designed to test their ability, knowledge, and commitment to social studies. These include National History Day, National Geographic Geography Competition, Good Government Day, Law Day, Model U.N. and many other activities which enhance their knowledge and life experience.

Foreign Language Department - Encouraged by foreign language teachers, about a dozen foreign language students put their language learning to the test last summer when they participated in an exchange program. Several traveled to either France or Spain to spend a month with a host family. Whether in a small town or in a big city, the students were isolated from other Americans and had to rely on their language skills to communicate with their new family. Having been totally immersed in the customs and culture of the country, they have become more cosmopolitan and appreciative of Europeans. Other students, although remaining in Wilmington, were also able to broaden their horizons as they hosted a teenager from either France or Spain. The lives of many local families were enriched as they helped the host families to entertain and welcome the foreign guests.

Our foreign language courses often combine the teaching of language with the teaching of culture. When students who participated in a summer exchange program with France and Spain returned to school in September, their comments about their language courses were very favorable. They said that the French and Spanish people that they had come in contact with were impressed not only with their language skills but also with the knowledge they had about the customs and history of Spain and France.

Townpeople flocked to the high school in April to attend the Foreign Language Fair and to enjoy an array of foreign foods. The Greek and Italian restaurants, the French bakery, and the booths offering Spanish specialties were all very successful. Every student in the foreign language department helped in both the preparation of the food and in the setting up and running of the fair. All who attended were impressed with this "extravaganza".

English Department - The English Department structures its courses to increase reading comprehension and to strengthen the students' ability to communicate orally and in writing. Course work in grades 7-12 exposes students to a variety of classical and world literature and facilitates the students' writing of expository and analytical essays.

Writing is an important component of the program and students are frequently asked to write in the classroom and for homework in English classes as well as other classes. The process used to develop these skills includes prewriting, activities, outlining, organization, development of supporting details and revision and editing of the final product.

Students receive instruction in preparation for the Massachusetts State Basic Skills Tests and the Scholastic Aptitude Tests. Opportunities are given for practice in composing, analogies, sentence completion, reading comprehension and vocabulary development. For example, a sequential vocabulary program is used by students in grades 9 and 10. Also, emphasis is placed on outside reading through assigned book reports and the English Department Summer Reading Program.

Science Department - The Science Department has been awarded the Dwight D. Eisenhower grant for Science by the Department of Education. This grant will be used to further develop our new Basic Science curriculum by affording us the opportunity for teacher training, curriculum workshops, field trips for students, and the purchase of needed supplies and materials.

In an effort to deal with the current budgetary restrictions, we in Science have opted to offer our elective courses on an alternate year basis. By doing so we are able to maintain the diversity of our offerings and still maintain the quality of our program.

Mathematics Department - The Mathematics Department conducted two workshops to update the curriculum in geometry. The workshops involved grades 7-12 and were made possible from Title II grants. A volunteer from the community provided evening tutoring to students in mathematics and another volunteer with the assistance of Textron taught a Fortran Programming course to some of our students during the summer.

NORTH INTERMEDIATE SCHOOL  
Michael Tikonoff, Principal  
and  
WEST INTERMEDIATE SCHOOL  
James Jordan, Principal

Teachers, parents, students and administrators at the North and West Intermediate Schools have been focusing their energies on the development of a Middle School Philosophy for Wilmington. A new philosophy statement was developed and adopted by the School Committee in the Fall of 1989.

With the adoption of a new philosophy came a need to begin the planning for restructuring both Intermediate Schools. A Middle School Task Force was formed in order to develop successful strategies for positive change. The Task Force created several committees which are serving as agents for change. These committees are addressing areas such as:

Middle Transition Teaming  
Student Transition Programs  
Scheduling Models  
Building Utilization  
Parental Involvement  
Interdisciplinary Teaching  
Student Issues  
Staff Development

With the opening of school in September, 1989 this process of change will require ongoing efforts on the part of parents and staff.

WILDWOOD SCHOOL  
Robert J. Arseneault, Principal

In celebration of Black History Month, Len Cabral will present two performances on January 17, 1990. The Wildwood School received a grant from the Wilmington Arts Lottery Council to help defray the cost of this storyteller.

Bill and Bob's Restaurant provided tee shirts and financial assistance for our after-school program last spring. Parents, teachers and Officer Shelley volunteered their time to present this program to the students. A wide range of activities was presented to the children from kindergarten through Grade 5.

The students in Grades 3, 4 and 5 have been introduced to drama by Mr. James Murphy. This drama teacher meets with the students on a weekly basis and involves the students in many creative dramatic activities. In the spring the culminating activity will be a play presented to the parents.

A "Friendly Quilt" is proudly displayed in the Wildwood Cafeteria. Every child in the school had the opportunity of tracing his/her hand on this special quilt. Each student was a part of this special remembrance which is a constant reminder of the Wildwood community working together and being accepted.

Many physical improvements have been made to both the building and the playground during this past year. Plans are currently underway for replacing the burners which fire the furnace. The entire trim around the school has been recently painted. Benches have been added to the playground area and the equipment for the children continues to be improved. The Parent Advisory Council has worked closely with Mr. Palmer, of the Highway Department, to accomplish this goal.

SHAWSHEEN SCHOOL  
Robert G. Coffill, Jr., Principal  
Michele C. Nortonen, Assistant Principal

The Shawsheen Elementary School opened its doors in September with a student enrollment of 555 children. Since then, our enrollment has been gradually creeping upwards with the addition of over 15 new students. Our experienced staff of teachers is dedicated to providing every child with the best educational opportunity possible. Towards that end, many special services supplement our regular school program.

The cooperative efforts of our Parent Advisory Council and its members have made it possible to provide enrichment assembly programs for our students in the areas of language arts, music, science, and nutrition. In addition, a committee of parents is responsible for operating our very successful after-school program, P.A.C.T. (Parents and Children Together), for our students in grades 1-5, and our Saturday morning program for our Kindergarteners, Kids 'n Company. Members of the Shawsheen School Executive Board include: Dana Gray, President; Janet Cahill, Vice President; Ann Sheehan, Treasurer; Joan Gillespie, Secretary; Denise Trueira, Publicity; Jane Mitchie, Sunshine.

The Shawsheen School Student Council serves as an advisory board to the principal and assistant principal. They encourage their peers to cooperate in the day-to-day responsibilities of being part of a school community, assist in the flow of students before school, and work cooperatively on specific problems. In addition, the Student Council is committed to working on community-oriented projects such as their holiday food drive to benefit the homeless sheltered at the House of Hope in Lowell, their used book drive to benefit children with AIDS, and their environmental awareness project to help beautify Kidsplace. We are very proud of the girls and boys who serve on the council: Billy Holloway, President; Lee Trimarchi, Vice President; Greg Anderson, Secretary; Brian Tresher, Treasurer; Fifth Grade Representatives: Jason Brigham, Julie Gillis, Jacob Gronemeyer, Matthew Hardy, Tracy Melzar, and Kevin Tildsley; and Fourth Grade Representatives: Lynn Adley, Alex Athanassiou, Ben DeGennaro, Timmy Gillis, Richard Marquis, Charles Rice, Rebecca Rogers, Laurence Senesi and Julie Yentile.

Because they believe learning is an ongoing process, the Shawsheen School teachers have taken an active role in the inservice workshops sponsored by the Professional Development Committee comprised of administrators and teachers. Examples of workshops in which teachers participated include: Children of Divorce, Children from Chemically Dependent Families, Curriculum Sharing, Integrating the Writing Process and Computers, Math Their Way, Science Education, Stock market, Newsgame, Original Curriculum Design and Positive Discipline.

WOBURN STREET SCHOOL  
Dolores Silva, Principal  
Richard DeRosas, Assistant Principal

The World Book Partners in Excellence program which is a Read-A-Thon activity turned out to be an idea whose time had come for the Woburn Street School. Students read a total of 2,200 books in a seven week period. They turned in sponsor money totalling \$5,219.25. When World Book added \$2,609.62 to the sum, the school was able to purchase 22 sets of encyclopedias for the classrooms with the funds. Participating students received certificates and medals at a special awards ceremony. The larger goal of fostering a love of independent reading exceeded the school's expectations.

Mrs. Marie Shack's art students in the fifth grade of the Woburn Street School experienced the fun of making four-legged creatures out of clay. Most students chose to do dinosaurs but some made turtles, panda bears and alligators.

Miss Susan Hendee wanted to enhance the physical well being of the boys and girls at the school so she formed a "Jump Rope Club". Students participate during their lunch recess. Miss Hendee has currently 250 youngsters spread through grades 1-5 involved in the club. Developing cardiovascular endurance and coordination in Miss Hendee's ultimate goal.

SCHOOL FOODSERVICE DEPARTMENT  
Anne M. Quinn, Director

The Wilmington School Foodservice Department has been very active and busy this year. Along with serving approximately 300,000 student meals and 17,000 Senior Citizen lunches, we have been catering many activities. Our services have been called on to prepare, serve or supervise the National Honor Society Banquet, Athletic Department Awards Dinner, PAC Spaghetti Suppers and Breakfasts, and many Coffee Hours and Meetings.

The U.S.D.A. used Wilmington as a pilot study for its new review system for accountability for all School Lunch Programs nationwide.

The staff has had an opportunity to participate in training programs presented by Massachusetts School Foodservice Association and the Bureau of School Nutrition Services, Department of Education.

We are hoping for increased student lunch participation. As a self-supporting department it is extremely difficult in this era of rising prices to continue to be self-supporting. We are being careful with food and supplies to conserve as much as possible.

We have implemented as many suggestions as possible and continue to seek out new ideas and possibilities to improve Food Service and always have an up-beat, current program for the students and other participants.

READING/LANGUAGE ARTS DEPARTMENT  
Brenda Moran, Director

The Chapter 1 Reading Parent Advisory Council held three general meetings. An informational meeting was held in the Fall. The annual "Make and Take" winter workshop proved again to be a success. The Spring meeting was a presentation of student work completed throughout the year. Stories and poems written by the students as well as a play were shared. The Newspaper Committee published three newsletters which contained children's work and informational articles for parents. The PAC officers for the 1988-1989 year were:

Frances Przyjemski, Chairperson  
Linda Power, Vice Chairperson  
Patricia Parker, Secretary  
Sharyn Develin, Comptroller  
Patricia Fenton, Newsletter Chairperson

The Reading/Language Arts Activities Newsletter was distributed monthly to all students in grades K-5. Many ideas and activities for parents to use in helping their children at home were given.

The Eighth Annual Summer Reading Program, which is a cooperative effort between the Wilmington Memorial Library under the supervision of Mrs. Sara Rueter, and the Wilmington Reading Department was held. The major objectives of this program were to encourage summer reading and visits to the public library. The theme for the Eighth Annual Summer Reading Program was Mystery Summer. A kit consisting of a folder for logging in library visits and books read during the summer was given to each child who attended. Special activities were held throughout the summer.

In September, certificates of participation were presented in each elementary school. The library reported extremely high circulation of books during the summer. Wilmington students are discovering the rewards of reading while on vacation.

PERFORMING AND FINE ARTS DEPARTMENT  
Lorraine M. Kalil, Director

Highlights of a successful year in the Performing and Fine Arts department were two new pilot programs.

Music was introduced in early childhood classes at the High School. The program focuses on two main themes: singing and the instruments of the orchestra. The songs chosen reflect positive individual feelings and strong values such as sharing, family, cooperation, and concepts such as numbers and the alphabet. The instruments are presented as characters with distinct personalities and are sometimes featured in predicaments which the students help solve.

Drama made inroads in each of the elementary schools through a creative theatre program. The program is conducted for third, fourth, and fifth grade classes. At the Shawsheen and Woburn Street Schools, each group is scheduled for two terms in a program concentrating on theatre games and exercises. At the Wildwood School, the program is of a year's duration during which the third grade classes augment classroom curriculum by incorporating creative dramatics into the study units. The program in grades four and five is independent of the classroom and will culminate in a mini drama festival with each class presenting a short play complete with costumes, sets, make-up and props.

These programs have been successful and very well received.

PHYSICAL EDUCATION AND ATHLETICS DEPARTMENT  
James M. Gillis, Director

The Physical Education Department continued to serve all students (K-12), as well as providing an adaptive program for students with special needs. The program sponsors a physical education "Mile Club" to encourage physical fitness in Grades 5 through 8.

The Health program in Grades K-5, under the direction of Mrs. Laura Stinson, has incorporated "Project Charlie" into the curriculum. In Grade 5 we offer the DARE program in cooperation with the Wilmington Police Department and Officer Robert Spencer. These programs emphasize the importance of drug/alcohol education through the teaching of self-esteem, responsibility and decision making.

The Physical Education Department cited several students for outstanding achievement in physical education:

1989	Jennifer DelNinno	Jeffrey Botte
1990	Andrea Ducey	John Ings
1991	Kristina Przyjemski	Adrien Grise'
1992	Jennifer Caira	Derek Stokes

Athletic Awards - 1989

Dr. Gerald Fagan Award - "To the Outstanding Athlete"  
Danielle Fay (Plymouth State College)  
Steve Murray

Lawrence H. Cushing Award - "To The Senior Athlete Demonstrating Both Scholarship and Sportsmanship"  
Karen Lynch (Boston College)  
Joseph Spencer (U. of Lowell)

Harold "Ding" Driscoll Award - "To The Senior With the Most Dedication to Sports"  
Jennifer O'Donnell (Providence College)  
Doug Michaud (Southeastern Mass. U)

George Spanos Award - "For Contribution And Service to W.H.S. Athletics"  
Mrs. Sally Radomski, President Boosters Club

Alumni Award - Recognized former outstanding student-athletics who have gone on to college and continued to demonstrate their commitment to excellence.  
Janet Crowley - Class of '85

Top "10" Awards - Senior athletes who academically finish in the Top "10" of his/her class.

Rank		
1	Noel Bouchie	(Boston College)
2	Matthew Ouellette	(Providence College)
3	Heather Day	(U. Mass. Amherst)
5	Kristin Palm	(U. of Vermont)
6	Jill Martyn	(Amherst College)
7	Deborah Gigante	(Villanova University)
9	David MacMullin	(Worcester Poly Tech)
10	Karen Lynch	(Boston College)

#### MVC All-Conference Awards:

Gina Martiniello (field hockey)  
 Ann Marie Andersen (field hockey)  
 Andy Parr (soccer)  
 Brian Gillespie (soccer)  
 Erin McKenna (soccer)  
 Tracey Greer (gymnastics)  
 Greg Catanzano (football)  
 Scott Tuxbury (football)  
 Ed Harrison (Coach of the Year)

Gina Martiniello was selected by the Boston Herald for the girls field hockey "All Scholastic-First Team" Award.

#### SPECIAL EDUCATION DEPARTMENT Cleo W. Fredette, Jr., Director

During the last calendar year the Special Education Department worked closely with the High School Principal, the SEEM collaborative and the Occupational Education Department at Wilmington High School to plan, develop and implement two Early Childhood Programs at Wilmington High School. The above parties worked cooperatively in the preparation of a joint high school and special education department proposal for the development of two early childhood programs located at WHS. After a coordinated presentation to the school committee in the Spring of 1989 and a subsequent approval by the school committee, the special education department worked closely with high school personnel, SEEM Collaborative personnel and State Department of Education staff to implement the proposal.

In September of '89 WHS opened with two innovative early Childhood Programs in operation. The first program is a SEEM Collaborative/Special Education Program. It services approximately 12 special needs students, most of whom are Wilmington residents. One student is from North Reading. This program operates two half day sessions and also includes speech, physical and occupational therapy services. The second program is an integrated early childhood program which is comprised of young children with and without special needs. This program operates on a four day a week basis. A Federal early Childhood Special Education Grant was written by the department to assist the town in funding this new program.

An integral part of both pre-school programs is the fact that Wilmington High School's Child Development Program works closely with the staff and students of both pre-school classes. Wilmington High School students enrolled in the Child Development Program assist the teachers on a daily basis with the education and care of the preschoolers. This cooperative effort is providing meaningful and practical experience for the students interested in careers in early Childhood Education, Special Education and child care related fields.

#### PERSONNEL

The Wilmington School community wishes the following teachers who have retired from the Wilmington Public Schools this year many happy and healthful years. They include:

Mary Driscoll-Roy, Principal, North Intermediate School  
 Mary Thiel, Business Education, Wilmington High School  
 Marjorie Whelan, Elementary, Woburn Street School

#### WILMINGTON SCHOOL COMMITTEE 1989

Mr. Robert E. Surran, Chairman  
Dr. Shirley F. Callan, Vice Chairman  
Mrs. Andrea M. Paglia, Secretary  
Mr. Aldo Cairra, Sr.  
Dr. James A. Demos  
Mr. John J. DeMarco  
Mr. Bradford Jackson

The Wilmington School Committee wishes to thank the following former members of the School Committee who concluded their terms in office this past year:

Dr. Michael J. Thomas  
Mr. Anthony Accardi, Jr.  
Mrs. Bridget T. Zukas

In conclusion, we would like to take this opportunity to extend our appreciation to the administrators, teachers, parents, and students who contributed their efforts to the Wilmington Public Schools during the 1989 school year. A special note of thanks to the many town departments that cooperated with the school system in 1989.

## *Shawsheen Valley Regional Vocational Technical School*

Elected representatives of the Regional School Committee are: Anthony R. Mazzone and Mark Trifiro from Bedford; Kenneth L. Buffum, Chairman, and Bernard Hoar, Secretary, from Billerica; John P. Miller and Alfred Verrier from Burlington; Richard E. Griffin and J. Peter Downing from Tewksbury; and Kevin J. Sowyrda, Vice Chairman, and John Gillis, Treasurer, from Wilmington.

Sandra McNeal, School Committee member from Burlington, graciously served until May of 1989 filling a vacancy which occurred in the fall of 1988 when Francis McLaughlin resigned. Mrs. McNeal was replaced by Mr. Verrier in Burlington's Annual Town Election. The District gratefully appreciates the significant contribution exhibited by Mrs. McNeal.

As one of twenty-five regional vocational technical school districts in the Commonwealth of Massachusetts, Shawsheen Valley Technical continued to offer comprehensive vocational/technical opportunities for approximately twelve hundred high school students from Bedford, Burlington, Billerica, Tewksbury and Wilmington.

Upon graduation, students acquire both a comprehensive academic high school diploma and certification in their chosen vocational/technical discipline. In June of 1989, two hundred and ninety-four students graduated from Shawsheen Technical, with over ninety-eight percent either acquiring jobs within their skilled professions or pursuing higher education. These placement statistics are consistent with the past performance of Shawsheen's sixteen graduating classes and are amongst the highest placement statistics for all school systems throughout the Commonwealth.

Many activities took place during 1989 which deserve special recognition:

- \* In January of 1989, member communities supported a two million seven hundred thousand dollar bond issue to both upgrade the school facility and purchase state of the art educational equipment. A design contractor was selected to implement a renovation schedule, and plans and specifications for improvements were developed and advertised during the year. Total project completion is expected during the summer of 1990.
- \* The School District continued to comply with accreditation recommendations from the New England Association of Schools and Colleges. Since receiving accreditation in 1988, the district has implemented ninety-eight percent of the Association's recommendations.
- \* The Superintendent/Director, Charles Lyons, served on the Commonwealth's Secretary of Administration and Finance's Local Aid Task Force representing the interests of vocational technical school districts.

- \* All collective bargaining agreements were re-negotiated during the year. Three year contract settlements were reached with administrators, teachers, secretaries and cafeteria workers.
- \* In cooperation with Town Managers from Tewksbury and Wilmington, the School District initiated plans to group purchase health insurance beginning in July of 1990.
- \* The District initiated new adult training programs in Health Technology and Diesel Mechanics. Both programs were completely funded through receipt of state and federal grants. The district continued to receive a grant from the Bay State Skills Corporation, using it to train underemployed adults in electronics in cooperation with area businesses.
- \* The District received both state and federal grants to: complete its Basic Skills Computer Laboratory; provide a vocational skill exploratory and academic enrichment program during the summer months for one hundred students from member communities; initiate an after-school enrichment program for junior high school youngsters to begin in January of 1990. The District also received financial assistance from the Massachusetts Electric Company to reduce energy use by installing energy efficient lighting.
- \* The District completed construction of a home on Carolina Road in Tewksbury, and initiated an affordable house building project on Everett Avenue in Wilmington in cooperation with the Town of Wilmington.
- \* In cooperation with the Middlesex County Sheriff's department, fifty percent of the classrooms throughout the school were painted by inmates from the Billerica House of Correction during August of 1989. Additional cooperative work related improvements are planned for the future.

The aforementioned highlights are documented as a snapshot of the dynamic modifications in both planning and imagination offered member communities by the imaginative staff employed at Shawsheen Valley Technical. Viewed by state wide educators as one of the most experienced professional staff assembled in Massachusetts, one hundred and fifty educators at Shawsheen Valley Technical continue to dedicate their combined efforts to adequately prepare area youth for future employment.

With the assistance of over three hundred area businessmen who serve on our Craft Advisory Committee overseeing each technical/vocational training program, graduates continue to receive four job offers for each graduate who fulfills the curriculum requirements.

Residents are urged to contact the school's Guidance Department at (508) 667-2111 for additional information regarding the various programs offered to area residents.

The continued success of our offerings is a direct result of the support received from our communities, its leaders, and its citizens. We appreciate their combined support.

# Town Meetings

## WARRANT ANNUAL TOWN ELECTION - APRIL 15, 1989 WITH ACTION TAKEN THEREON

TO: THE CONSTABLES OF THE TOWN OF WILMINGTON:

Greetings: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at Town Hall Auditorium, (Precincts 1, 2, and 5) and the Wildwood School (Precincts 3, 4, and 6), N.B., Saturday the fifteenth day of April, A.D. 1989 at 9:45 o'clock in the forenoon, the polls to be opened at 10:00 a.m. and shall be closed at 8:00 p.m. for the election of Town Offices:

ARTICLE 1. To bring in your votes on one ballot respectively for the following named offices, to wit: Two Selectmen for the term of three years, Three Members of the School Committee for the term of three years; One Member of the Regional Vocational School District Committee for the term of three years; One Member of the Housing Authority for the term of Five Years; One Member of the Redevelopment Authority for the term of five years; One Non-binding question regarding the public safety and rebuilding of the bridge in Wilmington Center at the intersection of Routes 62 and 129.

You are also hereby further required and directed to notify and warn the said inhabitants of the Town of Wilmington who are qualified to vote on elections and Town affairs therein to assemble subsequently and meet in the Town Meeting at the High School Gymnasium, Church Street, in said Town of Wilmington, on Saturday the Twenty-second day of April, A.D. 1989 at 1:30 p.m., then and there to act on the following articles:

In accordance with the above Warrant, the meeting was called to order by the Moderator Michael A. Cairra, at 9:45 A.M. at the Town Hall and as much of the Warrant as is noted above was read. Upon the motion of Eleanor Doyle, it was moved and seconded and so voted to dispense with further reading of the Warrant.

All voting machines were opened and the Zero sheets were posted so that the candidates could examine them before the polls were opened. The checkers were prepared with their voting lists and voter identification cards and everything was in readiness at 10:00 A.M.

### SELECTMEN - Three years (Vote for two)

	Daniel H. Ballou, Jr., 194 Woburn Street	1284
Elected	Robert L. Doucette, 20 Palmer Way	1436

	189	
	Blanks	2432

Choice #1 winning with 1454 votes.

(Town Election cont'd)

At 8:00 p.m. the polls were declared closed and the Town Clerk read the results of this election at 10:00 p.m. and all elected officials were sworn to the faithful performance of their duties with the exception of Carl A. Backman, Jr. The total number of votes cast were two thousand three hundred sixty-one (2,361) and seventy-one (71) absentees for a total of two thousand four hundred thirty-two (2,432), which is 23.6% of the 10,291 total registered voters.

Attest:

Priscilla R. Ward  
Town Clerk, Wilmington

WARRANT ANNUAL TOWN MEETING AND SPECIAL TOWN MEETING  
WITH ACTION TAKEN THEREON - APRIL 22, 1989

TO: THE CONSTABLES OF THE TOWN OF WILMINGTON,

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the Inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium, Church Street, on Saturday the twenty-second day of April, 1989, at 1:30 p.m., then and there to act on the following articles:

A quorum being present at 1:40 P.M. the Moderator introduced the High School Jazz Band and the Shown choir members who played and sang prior to the opening. They then played the National Anthem after the pledge of allegiance to the flag. Reverend Stotts of the Methodist Church gave the invocation after which the Moderator asked for a moment of silent prayer for the departed members who passed on this year and the victims of the Iowa who died or were injured this past week. He explained the process of the Open Town Meeting, explaining the rules governing same, and then announced he would start with Special Town Meeting, going immediately thereafter into the Annual. He then introduced the newly elected officials and recognized and thanked those who served before.

Motion by James C. Stewart, "I move that the Moderator dispense with further reading of the warrant and take up and make reference to each article by number." Motion was seconded and so voted.

ARTICLE 1: (drawn as #4) To see if the Town will vote to raise and appropriate by taxation or transfer from available funds a sum or sums of money for the operation of various Town Departments and expenses; or do anything in relation thereto: Finance Committee recommends approval.

DPW - Street Light Account to Household Hazardous Waste  
Insurance & Bonds Workmens' Compensation to Police Dept. - Fill-In Account  
Insurance & Bonds Workmens' Compensation to Police Dept. - Night Shift Differential

ARTICLE 1(a): Motion by Reginald Stapczynski, "I move that the Town vote to transfer the sum of \$30,000 in the FY-1989 budget to the DPW -Household Hazardous Waste Account from the DPW - Street Light Account. Seconded and unanimously so voted.

ARTICLE 1(b): "I move that the Town vote to transfer the sum of \$12,000 in the FY-1989 budget to the Police Department Fill-In Costs Account from the Insurance and Bonds - Workers Compensation Account. Motion seconded and so voted.

ARTICLE 1(c):  
"I move that the Town vote to transfer the sum of \$6,200 in the FY-1989 budget to the Police Department -Night Shift Differential Account from the Insurance and Bonds - Workers' Compensation Account. Motion seconded and so voted

ARTICLE 2: (drawn as #3) To see if the Town will vote to amend the zoning by-law and zoning map of Wilmington Map 10 Parcel 2 by voting to rezone from Residential 60 (R60) district to Residential 20 (R20) the following described parcel of land:

On a plan entitled "Plan of land in Wilmington, MA" dated July 19, 1922 C.B. Humphrey, surveyor for Court recorded with Middlesex North Registry District Land Court Book 1127 Page 385, 4993 and described as follows:

Northerly by Hopkins Street, one hundred eighty nine and 86/100 (189.86) feet;  
Northeasterly by land now or formerly of Joseph H. Crispo, one hundred forty three 55/100 (143.55) feet;  
Southeasterly by land now or formerly of Elmer B. Chase, three hundred ninety-four 40/100 (394.40) feet;  
Westerly by lot B, four hundred thirty nine 22/100 (439.22) feet.

subject to a right of way along the westerly boundary of the granted premises as shown on a "Plan of land in Wilmington, MA" and Billerica dated July 19, 1922 certificate 1888 said Parcel 42 on the town of Wilmington Assessors Map 10 and containing 1.49 acres; or do anything in relation thereto. Finance Committee and Planning Board recommends disapproval.

(Article 2 cont'd)

Motion by James Castellano, "I move that the town vote to rezone the above mentioned parcel of land from Residence 60 (R-60) District to Residence 20 (R-20) District the description being the same as in the main article." After much discussion the voted was taken. 2/3rds vote is required. Motion seconded and so voted. Yes 330 and No 8.

ARTICLE 3: (drawn last): To see if the Town will vote to authorize the Board of Selectmen to make an exception to the moratorium and to sell and convey to Mr Jay P. Harrison a certain parcel of Town-owned land with the residential structure, foreclosed by the Town for non-payment of taxes, shown as Parcel 3 on Assessor's Map 10 bound and described as follows:

"Beginning at a point in the southerly side of Hopkins Street at its intersection with the right of way known as Arlington Street; thence bearing easterly by said Hopkins Street, 125.00 feet to Parcel 2 on Assessor's Map 10; thence bearing southerly, 439.22 feet along property line of Parcel 2 on Assessor's Map 10 and said Town-owned land; thence bearing westerly, 125.43 feet to a point marked by a stake; thence bearing northerly, 330.47 feet along property line of Parcel 5 on Assessor's Map 10, and continuing 138.00 feet along said Arlington Street to the point of the beginning, containing 1.24 +/- acres;

subject to such terms and conditions as the Selectmen may determine, and further to set the minimum amount to be paid for such conveyance; or do anything in relation thereto.

Motion by Jay Harrison was the same as the main article. The Moderator ruled the article OUT OF ORDER as it conflicted as stated in the main article with the moratorium on the sale of town owned land. No action was taken.

ARTICLE 4: (Acted on 1st prior to Article 5 drawn 1st): To see if the Town will vote to amend Chapter 3, Section 16 of the By-Laws of the Inhabitants of the Town of Wilmington Revised, by adding the following pertaining to the moratorium on sale of Town-owned land as voted at the Special Town Meeting of April 27, 1985:

"Notwithstanding the above moratorium, the Selectmen may grant utility easements to provide utility services, with the approval of the Town Meeting, subject to all applicable law" or anything in relation thereto.

Motion by Robert Cain, "I move that the town vote to amend Chapter 3, Section 16, of the By-Laws of the Inhabitants of the Town of Wilmington Revised, by adding the following pertaining to the moratorium on sale of Town-owned land as voted at the Special Town Meeting of April 27, 1985". The Moderator interrupted him and asked if the motion read the same as the main article and it did. Motion was seconded. Finance Committee recommended approval. Voted unanimously. So voted.

ARTICLE 5: To see if the Town will vote to authorize the Board of Selectmen to grant easements, as more particularly described below, to the Tennessee Gas Pipeline Co. for the purpose of natural gas transmission on such terms and conditions as the Selectmen shall determine are in the best interest of the Town.

(a) An easement to lay, construct, maintain, operate, alter, repair, change the size of, remove and replace a 24 inch pipeline as shown on Tennessee Gas Pipeline Co. drawing "TB-L12-E270C-100-40" crossing property owned by the Town of Wilmington by instrument recorded in the North Middlesex District Registry of Deeds, Book 1387, Page 94, shown as Parcel 8 on Assessors Map 27.

(b) An easement to lay, construct, maintain, operate, alter, repair, change the size of, remove and replace a 24 inch pipeline as shown on Tennessee Gas Pipeline Co. drawing "TB-L12-E270C-100-50.04" crossing property owned by the Town of Wilmington by instrument recorded in the North Middlesex District Registry of Deeds, Book 1794, Page 139, shown as Parcel 5 on Assessors Map 49.

(c) An easement to lay, construct, maintain, operate, alter, repair, change the size of, remove and replace a 24 inch pipeline as shown on Tennessee Gas Pipeline Co. drawing "TB-L12-E270C-100-50.16" crossing property owned by the Town of Wilmington by instrument recorded in the North Middlesex District Registry of Deeds, Book 1205, Page 34, shown as parcel 45 on Assessors Map 49 or do anything in relation thereto.

Motion by Robert Cain, "I move that the town voted to authorize the Board of Selectmen to grant easements," he was interrupted as the motion was the same as the main article. Motion seconded. Finance Committee recommended approval. Mason Taber, a representative from the Tennessee Gas Pipeline Co. spoke for the article about the need for the three easements. Motion was voted unanimously. So voted.

ARTICLE 6: (drawn #2) To see if the Town will vote to authorize the Board of Selectmen to grant an easement to the Town of Reading Municipal Light Department to construct, repair, erect and maintain the lines, poles, wires and supporting fixtures for the transmission of electricity, upon, under, across or over property owned by the Town of Wilmington by instrument recorded with Middlesex North District Deeds, Book 1786, Page 580, shown on Assessors Plans as Parcel 65, Sheet 34 or do anything in relation thereto.

Motion by Robert Cain, "I move that the town voted to authorize the Board of Selectmen to grant an easement to the Town of Reading, reading the same as above". Motion seconded. Finance Committee recommends approval. Motion unanimously so voted.

#### WARRANT ANNUAL TOWN MEETING - APRIL 22, 1989

With a motion made and seconded to adjourn the Special Town Meeting, the Moderator continued with the reading of the Warrant for the Annual Town Meeting at 2:25 P.M.

As the Moderator read the warrant he was interrupted by Robert J. Cain, Motion: "I move that the Moderator dispense with further reading of the warrant and take up and make reference to each article by number. Motion seconded and so voted

ARTICLE 2: To hear reports of Committees and act thereon. Motion by Reginald S. Stapczynski, "I move that the Town vote to hear a report from the Strategic Management Committee entitled the Wilmington Strategic Management Plan - 1989. Motion was seconded. The Town Manager explained the project and the work already put into it.

ARTICLE 3: To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying unpaid bills of previous years; or do anything in relation thereto. Motion by James Stewart, "I move to pass over this article." Motion seconded and so voted.

ARTICLE 4: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1989, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17; or do anything in relation thereto. Motion by James Stewart, "I move that the Town vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1989, in accordance with provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable with one year, and to renew any notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with the General Laws, Chapter 44, Section 17. Motion seconded. Finance Committee recommends approval. Motion so voted.

ARTICLE 5: To see how much money the Town will appropriate for the expenses of the Town and the salaries of several Town Officers and Departments and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise; or do anything in relation thereto. Motion James Carroll "I move that the several and respective sums as recommended and presented by the Finance Committee be raised by taxation or by transfer from available funds and appropriated for the purpose set forth in Article #5, each item to be taken up and voted on in the order they appear, subject to amendment, and each item not be open for reconsideration until the entire budget is voted. Motion was seconded and so voted.

ARTICLE 6: To see if the Town will vote to raise and appropriate a sum of money for the purchase of new and replacement capital equipment including but not limited to the following items, and further to authorize the sale or turn-in, if any, and for the use of the several departments so designated; and to determine how the same shall be raised, whether by taxation, transfer, borrowing; to do anything in relation thereto:

FISCAL YEAR 1990:

a. <u>Police Department</u>	
1. Replacement of five (5) police cruisers	72,500
b. <u>Fire Department</u>	
1. Replacement of ambulance	75,000
c. <u>D.P.W. - Highway Division</u>	
1. Replacement of dump truck	35,250
2. Replacement of compressor	8,995
d. <u>Treasurer/Collector</u>	
1. Purchase of personal computer	4,480
e. <u>Town Hall</u>	
1. Purchase of a laser printer	4,248
f. <u>Aquifer Protection Study</u>	0
g. <u>Fire Department</u>	
1. Replacement of rescue truck	65,000
h. <u>D.P.W.-Snow &amp; Ice Control</u>	
1. Replacement of sidewalk plow	39,915
i. <u>Animal Control</u>	
1. Construction of animal shelter	45,000

or do anything in relation thereto:

Motion by Reginald Stapczynski, "I move that the Town vote to appropriate the sum of \$350,388 for the purchase or construction of the several items of capital expenditures listed below; to be raised from FY 1989 appropriation balances (\$200,000 from DPW - Snow and Ice, \$125,000 from Electric Dept. Study, \$10,000 Animal Control Expenses, and \$15,388 from the MBTA Salem Street Land Taking Account); and to authorize the sale or turn-in of the several items so designated. Motion seconded. All appropriated monies to come from transfer. \$350,388 voted transferred from FY 1989

ARTICLE 7: To see if the Town will vote to raise and appropriate a sum of money for the purchase of several items of new and replacement capital equipment for the School Department; or do anything in relation thereto.

Fiscal Year 1990

- a. High School
  - 1. Various furniture and/or equipment
- b. North Intermediate School
  - 1. Various furniture and/or equipment
- c. West Intermediate School
  - 1. Various furniture and/or equipment
- d. Shawsheen School
  - 1. Various furniture and/or equipment
- e. Wildwood School
  - 1. Various furniture and/or equipment
- f. Woburn Street School
  - 1. Various furniture and/or equipment
- g. Health Services
  - 1. Various furniture and/or equipment

Motion by Robert Surran, "I move that the Town vote to appropriate the sum of \$97,000 for the purchase of several items of new and replacement capital equipment consisting of various items of furniture, equipment and a mini-van to be allocated amongst the several public school buildings as approved by the School Committee, and further that the appropriation of \$97,000 be raised as follows: the sum of \$7,112 be raised by transfer from the balance in the MBTA Salem Street land taking account and the sum of \$89,888 be raised by taxation." Motion seconded and so voted. \$7,112 transfer and \$89,888 by taxation.

ARTICLE 8: (drawn as #3) To see if the Town will vote to authorize its Treasurer/Collector to enter into a compensating balance agreement or agreements for Fiscal Year 1990 pursuant to Chapter 44, Section 53F of the General Laws; or do anything in relation thereto. Finance Committee recommends approval.

Motion by Robert Cain, "I move that the Town vote to authorize its Treasurer/Collector to enter into a compensating balance agreement or agreements for Fiscal Year 1990 pursuant to Chapter 44, Section 53F of the General Laws." Motion seconded and so voted

ARTICLE 9: (drawn as #22) To see if the Town will vote to authorize the Board of Selectmen or the Town Manager to apply for, accept, and enter into contracts from time to time for the expenditure of any funds, without further appropriations allotted to Wilmington by the U.S. Federal Government under any Federal Grant Program and the Commonwealth of Massachusetts under any State Grant Program; or do anything in relation thereto.

Motion by James Stewart, "I move that the Town vote to authorize the Board of Selectmen, the Town Manager, or his agent, to apply for, accept, and enter into contracts from time to time for the expenditure of any funds, without further appropriations allotted to Wilmington by the U.S. Federal Government under any Federal Grant Program and the Commonwealth of Massachusetts under any State Grant Program. Motion seconded and so voted. Finance Committee recommends approval.

ARTICLE 10: (drawn as #12) To see if the Town will vote to raise and appropriate the sum of \$8,000 for the Wilmington Council for the Arts; or do anything in relation thereto:

Motion #1 by Elizabeth White, "I move that the Town vote to raise by taxation and appropriate the sum of \$8,000 for the use of the Wilmington Council for the Arts for the maintenance of the Arts Center building (old Town Hall)." Motion seconded. Motion #2 by Neil Wainor of Finance Committee, "I move that the appropriation for the Wilmington Council for the Arts be amended from \$8,000 to \$2,700 for new flooring and an air conditioner for FY-1990." Motion seconded. The floor recognized Anne Buzzell of the Arts Council and after her eloquent explanation of their needs and benefits to the town, motion #2 by Mr. Wainor lost. In fact he jokingly asked if the original \$8,000 was enough. The original motion was then voted unanimously. So voted \$8,000.

ARTICLE 11: (drawn #17) To see if the Town will vote to amend Chapter 3, Section 16 of The By-Laws of the Inhabitants of the Town of Wilmington Revised by amending the year "1989" so as to read "1990," and do anything in relation thereto.

Motion by James Stewart, "I move that the Town vote to amend Chapter 3, Section 16 of the By-Laws of the Inhabitants of the Town of Wilmington revised by adding the following:

"The moratorium provided for above be and hereby is extended until the Annual Town Meeting of April, 1990 in order to complete the inventory and evaluation of all Town-owned land. Motion seconded. Finance Committee recommends approval. So voted.

ARTICLE 12: To see if the Town will vote to accept Chapter 640 of the Acts of 1985 "An Act Relative to the Granting or Renewing of Certain Licenses and Permits in Cities and Towns" and to amend The By-Laws of the Inhabitants of the Town of Wilmington Revised by adding the following new Section 39 to Chapter 5: SUSPENSION OF LOCAL LICENSES AND PERMITS

SECTION 39:

- a) The Tax Collector or other municipal official responsible for records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the Tax Collector, shall annually furnish each department, board, commission or division, hereinafter referred to as the Licensing Authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the Party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such Party has not filed in good faith a pending application for an abatement of such tax or has a pending petition before the appellate tax board.
- (b) The Licensing Authority shall deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing from the Tax Collector; provided, however, that written notice is given to the Party and the Tax Collector, as required by applicable provisions of law, and the Party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any Party. The Tax Collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the Licensing Authority with respect to such license denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be issued or renewed until the Licensing Authority receives a certificate issued by the Tax Collector that the Party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges payable to the municipality as of the date of issuance of said certificate.

- (c) Any Party shall be given an opportunity to enter into a payment agreement with the Tax Collector, thereby allowing the Licensing Authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however that the holder be given notice and a hearing as required by applicable provisions of law.
- (d) The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in section one of chapter two hundred and sixty-eight A in the business or activity conducted in or on said property.

This section shall not apply to the following licenses and permits granted under the General Laws of the Commonwealth of Massachusetts: Open burning; section thirteen of chapter forty-eight; bicycle permits; section eleven A of Chapter eighty-five; sales of articles for charitable purposes; section thirty-three of chapter one hundred and one; children work permits; section sixty-nine of chapter one hundred and forty-nine; clubs, associations dispensing food or beverage license; section twenty-one E of chapter one hundred and forty; dog licenses; section one hundred and thirty-seven of chapter one hundred and forty; fishing, hunting, trapping licenses; section twelve of chapter one hundred and thirty-one; marriage licenses; section twenty-eight of chapter two hundred and seven; and theatrical events, public exhibition permits; section one hundred and eighty-one of chapter one hundred and forty.

or do anything in relation thereto.

Motion by Robert Doucette, "I move that, motion reading the same as above warrant article. Motion seconded and so voted.

ARTICLE 13: (drawn as #10) To see if the Town will vote to accept the provisions of Chapter 245 of the Acts of 1988 which provides for the expenditure of funds to complete the work in an approved definitive subdivision as required by MGL Chapter 41, Section 81U; or do anything in relation thereto.

Motion by Robert Cain, I move, the motion being the same as the above warrant article. Motion seconded and so voted.

ARTICLE 14: To see if the Town will vote to appropriate a sum of money for the construction of sewers, sewerage systems and sewage treatment and disposal facilities in Main Street as shown on a plan on file in the office of the Town Engineer, and for the acquisition of interests in land whether by purchase, eminent domain or otherwise, and to authorize the assessment of betterments, all in accordance with Chapter 297 of the Acts of 1958 and all Acts in amendment and in addition thereto and other General or Special laws hereto enabling; to determine whether said funds shall be raised by taxation, transfer from available funds, or by borrowing under the provisions of Chapter 44, or by any combination thereof; and to authorize the Board of Water & Sewer Commissioners and/or the Board of Selectmen to apply for any federal and state Aid which may be available as contributions to be applied toward the cost of the project, and further to see if the Town will vote to rescind the action taken regarding Article 14 of the Special Town Meeting held on November 14, 1988, or to do anything in relation thereto. Petition by Water and Sewer Commission

Motion by Arthur Smith, "I move that the Town will vote to appropriate a sum of \$747,000 for the construction of sewers, sewerage systems and sewage treatment and disposal facilities in Main Street as shown on a plan on file in the office of the Town Engineer, and for the acquisition of interests in land whether by purchase, eminent domain or otherwise, and to authorize the assessment of betterments, all in accordance with Chapter 297 of the Acts of 1958 and all Acts in amendment and in addition thereto and other General or Special laws hereto enabling; to determine whether said funds shall be raised by taxation, transfer from available funds, or by borrowing under the provisions of Chapter 44, or by any combination thereof; and to authorize the Board of Water & Sewer Commissioners and/or the Board of Selectmen to apply for any federal and state Aid which may be available as contributions to be applied toward the cost of the project, and further to see if the Town will vote to rescind the action taken regarding Article 14 of the Special Town Meeting held on November 14, 1988, or to do anything in relation thereto. Finance Committee recommends approval. Motion seconded. Standing vote was required as this is a bonding issue and 2/3rds vote is required. Yes 174 No 31. Motion so voted. Bonding \$747,000

ARTICLE 15: To see if the Town will accept as Town ways, the layout of the following described streets, as recommended by the Planning Board and approved by the Board of Selectmen (M.G.L. Ch. 82 as amended) and shown on Definitive Sub-Division plans approved in accordance with the "Rules and Regulations Governing the Sub-Division of Land in the Town of Wilmington, Massachusetts", and which plans are recorded at the Middlesex North Registry of Deeds (M.N.R.D.), copies of which are available in the office of the Town Engineer and to authorize the Board of Selectmen to take by right of eminent domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised whether by taxation or by transfer from available funds, by borrowing or otherwise for the purpose of construction of said ways and for the payment of any damages from the takings of land and slope easements and other easements therefor:

(Article 15 cont'd):

a. Blanchard Road, from Kendall Road, a distance of 625' more or less northerly to a dead end, as shown on definitive subdivision plan entitled Blanchard Road and recorded at the M.N.R.D. Plan Book No. 144 and Plan No. 118 dated August 16, 1984.

i. Research Drive, from Ballardvale Street, a distance of 1817' more or less northeasterly to a dead end, as shown on definitive subdivision plan entitled Wilmington Technology Park and recorded at the M.N.R.D. Plan Book No. 156 and Plan No. 67 dated October 24, 1986.

j. Tomahawk Drive, from Aldrich Road, a distance of 575' more or less northeasterly to a dead end, as shown on definitive subdivision plan entitled Tomahawk Drive and recorded at the M.N.R.D. Plan Book No. 149 and Plan No. 8 dated July 16, 1985.

k. Gearty Street, from Ring Avenue, a distance of 627' more or less northwesterly to Pilcher Drive, as shown on definitive subdivision plan entitled Corum Meadows and recorded at the M.N.R.D. Plan Book No. 114 and Plan No. 56 dated April 26, 1972.

l. Pilcher Drive, across the end of Gearty Street, a distance of 410' more or less, from the southerly property line of Lot 51 to the northerly property line of Lot 42, as shown on definitive subdivision plan entitled Corum Meadows and recorded at the M.N.R.D. Plan Book No. 114 and Plan No. 56 dated April 26, 1972.

or do anything in relation thereto. Article by Planning Board

Motion by Reginald Stapczynski, "I move that the town vote to accept, reading the same as the above article with the addition of, "and vote to raise by taxation and appropriate the sum of \$100 for the purpose of construction of said ways and for the payment of any damages resulting from the taking of land, slope, drainage or other easements therefor:". Motion seconded. Finance Committee recommends approval. Voted unanimously.

ARTICLE 16: (drawn as #14) To see if the Town will vote to transfer the following described parcel of land to the care, custody and control of the Selectmen, and further to authorize the Selectmen to transfer said property, or such portion as the Selectmen shall determine, to the Wilmington Housing Authority for the purpose of constructing affordable housing to be built in accordance with the Shawshen Regional Vocational/Technical School house lottery program; a certain parcel of land acquired pursuant to the unanimous vote on Article 10 of the March 6, 1971 Annual Town Meeting, bounded and described as follows:

Westerly by the State Highway, one hundred five and 16/100 (105.16) feet;  
Northwesterly by land now or formerly of Almar Realty Trust, Alexander V. Staniewicz, Trustee, one hundred thirty-five and 64/100 (135.64) feet;  
Northeasterly by lot 7, eighty-six (86) feet;  
Southeasterly by Williams Avenue, one hundred ninety-six and 12/100 (196.12) feet.

(Article 16 cont'd);

All of said boundaries are determined by the Land Court to be located as shown on plan 4312A, drawn by J. Lewis Carr, C.E., dated April 1913, as approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title 425, and said land is shown as Lots 1, 2, 3, 4, 5 and 6 on said plan, and to authorize the Selectmen and/or the Town Manager to enter into an agreement with the aforementioned; or do anything in relation thereto.

Motion by Rev. Michael Stotts, to pass over this article. Motion seconded and so voted to pass over.

ARTICLE 17: (drawn as #31) To see if the Town will vote to transfer the following described parcel of land to the care, custody and control of the Selectmen, and further to authorize the Selectmen to transfer said property, or such portion as the Selectmen shall determine, to the non-profit affordable housing corporation for the purpose of constructing affordable housing; a certain parcel of land granted to the Town by Treasurer's Deed Document No. 21592, registered December 4, 1950 in Middlesex County North Registry District, bounded and described as follows:

Southwesterly by Everett Avenue, one hundred (100) feet;  
Northwesterly by Lot 434, one hundred (100) feet;  
Northeasterly by Lots 438, 442 and 443 one hundred (100) feet; and  
Southeasterly by Lot 429, one hundred (100) feet.

All of said boundaries are determined by the Land Court to be located as shown on subdivision plan 6036 E, Sheet three (3), drawn by A. Millhouse, C.E., dated May 10, 1922, as approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed with Certificate of Title 1896, and said land is shown as Lots 430, 431, 432 and 433 on said plan, and to authorize the Selectmen and/or the Town Manager to enter into agreements with the aforementioned; or do anything in relation thereto. Finance Committee and Planning Board recommends approval.

Motion by James Stewart, "I move that the town vote," his motion being the same as the main article with the addition on the third line after the word corporation, the words (AND/OR THE HOUSING AUTHORITY), he dispensed with reading the full motion. Motion seconded and voted unanimously.

ARTICLE 18: (drawn as #7) To see if the vote to rescind the action taken on Article 16 of the Annual Town Meeting held on April 25, 1987, and to transfer the appropriation of \$22,500 for the purpose of purchasing capital equipment described in Article 6; or do anything in relation thereto. Finance Committee recommends approval.

Motion by Robert Cain, "I move that the town vote, the motion to read the same as the above motion". Motion seconded and so voted unanimously to transfer \$22,500.

ARTICLE 19: (drawn as #6 as meeting reconvened at 7:58 P.M.)) To see if the Town will vote to authorize the Selectmen and/or Town Manager to enter into a lease agreement with the First Baptist Church concerning a parcel of land located to the rear of the church property and contiguous with Town property for the purpose of enlarging the High School playing fields; or do anything in relation thereto. Finance Committee recommends approval.

Motion by Chester Bruce, "I move that the Town vote to authorize the Selectmen and/or Town Manager to enter into a lease agreement, together with options for renewals, with the First Baptist Church concerning a parcel of land located to the rear of the church property and contiguous with Town property for the purpose of enlarging the High School playing fields." Motion second and so voted, unanimously.

ARTICLE 20: (drawn as #30) To see if the Town will vote to authorize the Selectmen and/or Town Manager to request approval from the State Reclamation and Mosquito Control Board and following such approval, if granted, to take such action as may be necessary for the Town to join the Central Massachusetts Mosquito Control Project, or do anything in relation thereto.

Motion by Michael McCoy, "I move that the Town vote to authorize the Selectmen and /or Town Manager to request approval from the State Reclamation and Mosquito Control Board and following such approval, if granted, to take such action as may be necessary for the Town to join the Central Massachusetts Mosquito Control Project. Motion seconded and so voted.

ARTICLE 21: (drawn as #26) To see if the Town will vote to accept as a gift the historical premises located at Glen Road and Middlesex Avenue known as the "Town Pound" and "Scalekeepers House" and to raise by appropriation a sum of money for recording expenses; or do anything in relation thereto. Finance Committee recommends approval

Motion by Reginald Stapczynski, "I move that the Town vote to authorize the Selectmen to accept as a gift the historical premises in fee simple or an interest therein located at Glen Road and Middlesex Avenue known as the "Town Pound and Scalekeeper's House". Motion seconded. Historical Commission spoke of its historical interest to the town and stated it is one of only a few left in the Country. Motion voted unanimously.

ARTICLE 22: (drawn as #29) Conservation/Open Space Land Acquisition - Patches Pond To see if the town will vote to raise and appropriate a sum of money, subject to an affirmative vote for debt exclusion, for the purpose of acquiring the following described parcel of land for Conservation purposes as described in G.L. Chapter 40, Section 8C, as amended, and to determine how said appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise; and further to see if the Town will vote to authorize the Selectmen to purchase, take by eminent domain, receive as a gift or execute an option for said purpose, a certain parcel of land being shown on Wilmington Tax Assessor's Map Number 29, Parcel Number 11-U, and further shown as Lot 22 on a Plan entitled "Bedell Estates", prepared by Robert E. Anderson, Inc., 178 Park Street, North Reading, Massachusetts, dated November 11, 1985, recorded at North Middlesex Registry of Deeds, Plan Book 159, Plan 128, on May 29, 1987, said parcel being bound and described as follows: beginning at a point at the southeasterly corner of Lot 21, as shown on said plan, thence,

N 24 -00'-24"E	170.00 feet, thence,
N 43 -30'-56"W	210.39 feet, thence,
S 77 -04'-15"W	325.20 feet, thence,
N 54 -24'-20"W	65.18 feet, thence,
N 04 -22'-30"W	74.95 feet, thence,
S 81 -43'-41"E	216.22 feet, thence,
N 52 -01'-00"E	601.50 feet, thence,
N 32 -59'-00"W	473.15 feet, thence,
N 73 -34'-46"E	136.77 feet, thence,
N 53 -01'-13"E	240.00 feet, thence,
S 36 -35'-47"E	84.67 feet, thence,
S 35 -51'-07"E	1,919.22 feet, thence,
S 74 -51'-27"W	450.00 feet, thence,

to a concrete bound, thence Northwesterly by various courses and distances the sum of 552.52 feet, thence along a curve with a radius of 1015.81 feet, a distance of 691.24 feet to an iron pipe, thence,

S 23 -23'-18"W	179.24 feet, thence,
S 25 -39'-20"W	100.00 feet, thence,
S 24 -00'-24"W	145.03 feet, thence,
N 54 -05'-42"W	36.00 feet, thence,

along a curve with a radius of 425 feet, a distance of 5.16 feet to the point of beginning. Containing 21.49 Acres, more or less, all as shown on the aforementioned plan.

The land so acquired shall be managed and controlled by the Wilmington Conservation Commission, and the Wilmington Conservation Commission be authorized to file on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from the Commonwealth of Massachusetts deemed necessary under the Self-Help Act (Chapter 132A, Section 11) and/or any others in any way connected with the scope of this Article, and the Town and the Conservation Commission be authorized to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase, or do anything in relation thereto. Article by Conservation Commission Finance Committee recommends approval.

Motion by Donald Ugolini, "I move that the town vote to appropriate the sum of \$125,000 by borrowing, subject to an affirmative vote for debt exclusion, for the purpose of acquiring the following described parcel of land for Conservation purposes as described in G.L. Chapter 40, Section 8C, as amended; and further to see if the Town will vote to authorize the Selectmen to purchase, take by eminent domain, receive as a gift or execute an option for said purpose, a certain parcel of land being shown on Wilmington Tax Assessor's Map Number 29, Parcel Number 11-U, and further shown as Lot 22 on a Plan entitled "Bedell Estates", prepared by Robert E. Anderson, Inc., 178 Park Street, North Reading, Massachusetts, dated November 11, 1985, recorded at North Middlesex Registry of Deeds, Plan Book 159, Plan 128, on May 29, 1987, said parcel being bound and described as follows: beginning at a point at the southeasterly corner of Lot 21, as shown on said plan, thence, the discription being the same as in the main article, see main article above.

The land so acquired shall be managed and controlled by the Wilmington Conservation Commission, and the Wilmington Conservation Commission be authorized to file on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from the Commonwealth of Massachusetts deemed necessary under the Self-Help Act (Chapter 232A, Section 11) and/or any others in any way connected with the scope of this Article, and the Town and the Conservation Commission be authorized to enter into all agreements and execute any and all instruments as may be necessary on behalf of the Town to effect said purchase; and further to raise such appropriation the Town Treasurer, with the approval of the Selectmen, is hereby authorized to borrow the sum of \$125,000 under and pursuant to the provisions of MGL Chapter 44 and other applicable laws pertaining thereto, and to issue bonds and notes of the Town therefor. Article by Conservation Commission. Motion seconded and voted unanimously. So. voted. Bonding pending Prop.2 1/2 over-ride.

ARTICLE 23: (drawn as #11) To see if the Town will vote to create a non-profit affordable housing corporation pursuant to M.G.L. Chapter 180 and all amendments thereto, to provide affordable housing to the Town using town owned land and any other available funds for such purpose. The charter of said non-profit affordable housing corporation shall be as follows:

SECTION 1. There is hereby established a nonprofit housing corporation to be known as the Wilmington Housing Assistance Board, Inc. which shall be subject to the supervision of the Board of Selectmen of the Town of Wilmington. Said board shall consist of not less than five members, who shall be appointed by the Board of Selectmen for staggered three-year terms as designated by said Board of Selectmen, such appointments to be made annually by said Board of Selectmen on or before May thirty-first. Members shall serve until their successors are appointed and qualified. Continuing members may act despite a vacancy or vacancies in said board and for this purpose be deemed to constitute a full board. Any vacancy in said board, however occurring, may be filled by the Board of Selectmen for the unexpired portion of the term.

Said board is hereby established and shall exercise its powers and perform its duties for the purpose of investigating and implementing alternatives for the provision of and providing affordable housing for persons of low, moderate and middle income, and others whose needs may be identified from time to time, in the Town of Wilmington. The powers and duties of said board as set forth herein are intended to be alternative and supplemental to, and not in limitation of, the powers and duties of the Wilmington Housing Authority established pursuant to chapter one hundred and twenty-one B of the General Laws. The liability of said board and its members shall be limited to the same extent as the liability of a public employer and public employees as provided in chapter two hundred and fifty-eight of the General Laws, and all amendments thereto.

SECTION 2. Said board shall have the powers and privileges conferred by the provisions of paragraphs (a) to (i), inclusive, and paragraph (k) of section nine of chapter one hundred and fifty-six B of the General Laws, and the following powers, provided that no such power shall be exercised either in a manner inconsistent with this act or any general or special law, or to carry on any activity which is not in furtherance of the purposes set forth in this act:

- (a) to adopt, amend and repeal by-laws for the regulation and conduct of its business including but not limited to the call and conduct of its meetings, the number of members which shall constitute a quorum and the mode of voting by proxy;
- (b) to elect a chairman and vice-chairman, each of whom shall be members of said board, and a secretary and a treasurer, who need not be members of said board, and who may be the same person. The treasurer shall give bond for the faithful performance of his duties in form and amount approved and fixed by the Board of Selectmen, the cost of which bond shall be paid from funds of said board. The chairman and in his absence the vice-chairman shall chair meetings of said board. The secretary shall be the custodian of all books, documents and papers filed with said board and of the minute book or journal of said board;
- (c) with the approval of the Board of Selectmen, to make and execute all contracts and all other instruments necessary or convenient for the exercise of its power and functions, subject to approval of the Town Counsel of the Town of Wilmington as to form;
- (d) with the approval of the Board of Selectmen, to acquire or lease, by purchase or otherwise, and to own, hold and use, on such terms and conditions and in such manner as it may deem proper, and to exchange, grant options on, sell, transfer, convey, assign, lease, pledge, mortgage, encumber, grant liens on and security interests in, or otherwise dispose of, on such terms and conditions as it may deem proper, real, personal or mixed real and personal property or any interest, easements or rights therein, and any assets or revenues of said board, as may be necessary or appropriate to carry out its purposes;
- (e) with the approval of the Board of Selectmen, to enter into agreements or other transactions with the Commonwealth or any political subdivision or public instrumentality thereof, the United States government or any federal, state or other governmental agency;
- (f) with the approval of the Board of Selectmen, to borrow money and to execute notes therefor which shall not be deemed to be debts or obligations of the Town of Wilmington, to hold mortgages, and to invest any funds held in reserve funds, or any funds not required for immediate disbursement in such investments as may be lawful for fiduciaries in the Commonwealth. Said board shall have no stock;
- (g) with the approval of the Board of Selectmen, to enter into contracts or agreements with, and to employ from time to time contractors, architects, engineers, consultants, attorneys, accountants, construction, financial and other experts, superintendents, managers and such other agents and employees as may be necessary in its judgment and to fix their compensation;

(Article 23 cont'd):

- (h) with the approval of the Board of Selectmen, to receive and hold funds appropriated by the town and other funds, property, labor and other things of value from any source, public or private, by gift, grant, bequest, loan or otherwise, either absolutely or in trust, and to expend or utilize the same on behalf of said board for any of its purposes or to act as an agent or conduit in administering or disbursing funds or financial or other aid from any source; provided, however, that all revenues collected or received by said board in connection with its activities, investments or transactions shall be expended only with the approval of the Board of Selectmen of the Town of Wilmington.
- (i) to appear in its own behalf before boards, commissions, departments or other agencies of government, municipal, state or federal;
- (j) to procure insurance against any loss in connection with the property or activities of said board, in such amounts and from such insurers as it may deem necessary or desirable, and, with the approval of the Board of Selectmen, to indemnify its members or agents if and to the extent specified from time to time in the by-laws of said board and subject to and in the manner provided in section six of chapter one hundred and eighty of the General Laws;
- (k) to formulate and, with the approval of the Board of Selectmen, carry out or monitor plans for projects involving the acquisition or operation of housing facilities of any kind or nature, and to construct, reconstruct, renovate, expand, extend, improve, repair, remodel, equip, furnish, maintain, manage and operate such facilities;
- (l) with the approval of the Board of Selectmen, to fix and revise from time to time, and to charge and collect rates, fees, rentals and other charges and sales prices for or in connection with the use, occupancy or other disposition of any housing facility or other property or portion thereof under its ownership or control;
- (m) with the approval of the Board of Selectmen, to establish, impose, grant or amend, by deed, lease or any other means or method, and to hold the benefit of, monitor, exercise and enforce lawful restrictions on the rental, sale, resale, use or occupancy of housing facilities or other property under its ownership or control, or other facilities or property designated by the Selectmen of the town, or restrictions with respect to the income of owners, tenants or occupants of such housing facilities or other property, or options and rights of first refusal with respect to such facilities or property, and to waive, release or discharge any such rights or restrictions;
- (n) with the approval of the Board of Selectmen, to enter into, perform or monitor agreements or other transactions with contractors, developers, brokers or other real estate professionals or any other person relating to the providing of affordable housing for persons of low and moderate income in the town;
- (o) to do any and all things necessary or convenient to carry out its purposes and exercise the power conferred by this act.

Said board may delegate to any committee or member of the board any action which said board is empowered to do or make. Said board may be a partner in any business enterprise which said board would have power to conduct by itself.

SECTION 3. Notwithstanding the provisions of any general or special law to the contrary, the income, assets and activities of said board shall be exempt from all taxes and assessments and said board shall not be subject to any of the provisions of chapter sixty-three of the General Laws or to any taxes based upon or measured by property or income imposed by the Commonwealth or by any political subdivision thereof. Said board is hereby authorized and empowered to enter into an agreement or agreements with the Board of Assessors of the Town of Wilmington, with the approval of the Board of Selectmen, wherein said board shall undertake to make to the town annual payments in lieu of taxes in connection with any real property acquired and owned by said board, the amounts of such payments to be reasonable sums stipulated in such agreement or agreements or determined in accordance with a reasonable formula so stipulated.

SECTION 4. Without limitation of the powers of said board set forth in section two, said board is authorized to receive and to expend and utilize for its purposes any proceeds of the sale of Town-owned land (tax title or low value) so authorized and designated for its use by a Town Meeting vote. In addition, the town may appropriate other funds for the carrying out by said board of its purposes as set forth herein. Any appropriation therefor may be raised by the town by taxation. At least annually, said board shall cause independent audits to be made of the books and records of said board, which annual audits shall be filed with the Board of Selectmen of the town.

(Article 23 cont'd)

SECTION 5. In the event that said board shall be dissolved in accordance with law at any time, all property and interests therein, assets and rights of said board existing at such time shall be transferred to the Town of Wilmington by authority of this act, and title to all such property and all such rights shall vest in the Town of Wilmington automatically without the need for further action or instrument, and the Town of Wilmington shall, to the maximum extent permitted by law, and acting by and through its Board of Selectmen, assume, hold and exercise the powers and duties of said board set forth herein with respect to such property and rights so transferred to said town.

SECTION 6. The provisions of this act are severable and if any of its provisions shall be held invalid in any circumstance, such invalidity shall not affect any other provisions or circumstances;

and to further petition the Great and General Court for a special act to establish and validate the above described non-profit affordable housing corporation for the Town of Wilmington; or do anything in relation thereto.

Motion by James Stewart, the same as the above Article 23. Motion seconded. Finance Committee and Planning Board recommends approval. Rev. Stotts of the Affordable Task Force spoke on its merits, however their was a lot of disagreement from the audience and the privately formed Affordable group of the early 80's. A standing vote was taken. Yes 93 No 238. Motion lost.

ARTICLE 24: (drawn as #4) ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of \$750.00 each (or a total of \$3,000) for the purpose of renewing under the authority of Section 9 of Chapter 40 of the General Laws as amended, the lease of:

a. Veterans of Foreign Wars Clubhouse on Main Street for the purpose of providing suitable headquarters for the Wee-Ellsworth Post 2458 of the Veterans of Foreign Wars of the United States.

b. American Legion Clubhouse, Inc. in Wilmington for the purpose of providing suitable headquarters for the Wilmington Post 136 of the American Legion.

c. Marine Corp. League in Wilmington for the purpose of providing suitable headquarters for the Wilmington Charter;

d. Disabled American Veterans for the purpose of providing suitable headquarters for the Wilmington Charter;

or do anything in relation thereto. Article by Petition Finance Committee recommends approval.

Motion by Robert Doucette, "I move that the town vote the same as article above". Finance Committee recommends approval. Motion seconded and so vote \$3,000.

ARTICLE 25: (drawn as #2) To see if the Town will vote to raise and appropriate the sum of \$5,500 for the observance of Memorial Day and Veterans Day and that the Moderator appoint a committee who shall arrange and have charge of said observances; or do anything in relation thereto. Article by Petition

Motion by Michael McCoy, the same as the main article. Finance Committee recommends approval. Motion seconded and so voted \$5,550.

ARTICLE 26: (drawn as #25) To see if the Town will vote to accept a \$48,352 Equal Educational Opportunity Grant for the Shawsheen Valley Regional Vocational Technical High School District; or take any action relating thereto. Petition by Shawsheen Tech. Finance Committee recommends approval. Motion by Kevin Sowyrda same as the main motion. Seconded and voted unanimously.

ARTICLE 27: (drawn as #20) To see if the Town will vote to accept the provisions of Section 100B of M.G.L. Chapter 41 which provides for indemnification of retired police officers and firefighters; or to do anything in relation thereto. Article by Petition Finance Committee no action.

Motion by James Stewart, "I move that the town vote to accept the provisions of Section 100B of M.G.L. Chapter 41 which provides for indemnification thereto." Motion seconded and so voted approved.

ARTICLE 28: (drawn as #18) To see if the Town will vote to accept the provisions of Section 100G1/4 of M.G.L. Chapter 41 which provides for the payment of funeral and burial expenses of police officers and firefighters killed in the performance of their duties; or to do anything in relation thereto. Article by Petition

Motion by Phil Spelman, same as main article. Motion seconded and so voted unanimously.

ARTICLE 29: (drawn as #24) To see if the Town will vote to authorize the Selectmen of the Town of Wilmington to grant a drainage easement to Reading Realty Trust over a portion of certain Parcels of Town owned land shown as Parcels 46 and 51A on Assessor's Map 6, and being further described and defined as follows:

(Article 29 cont'd)

Beginning at the Southerly most corner of the hereinafter described Easement, said point lying on the lot line between Parcels 51 and 46, a distance of 78.00 Northerly of the sideline of Walnut Street, the line runs, Northerly for a distance of 50.00 feet along the lot line between Parcels 51 and 46 to an angle point at Parcel 51A, thence the line turns and runs, Northerly for a distance of 50.00 feet along the lot line between Parcel 51 and Parcel 51A to a point, thence Southeasterly for a distance of 32.45 feet across Parcel 51A to Parcel 50, thence Southerly for a distance of 25.00 feet along the lot lines between Parcels 50 and 51A to the lot corner of Parcel 46, thence continuing Southerly for a distance of 52.37 feet across Parcel 46 to the point of beginning.

Said Easement being shown as a Drain Easement continuing 1,563 square feet on a Plan of Land in Wilmington, MA. prepared for Northeastern Development Corporation dated November 2, 1988 and drawn by Robert E. Anderson, Inc.; or do anything in relation thereto. Article by Petition

ARTICLE 30: (drawn as #19) To see if the Town will vote to amend the Zoning By-laws and the Zoning Map of the Town of Wilmington by voting to zone in Aquifer Protection Recharge Districts for each active well-site and potential well-sites as identified in the Groundwater Protection Study done, by B.W. Pauling, Jr., West Groton, Mass. Project 8223 for the Town of Wilmington.

Purpose: The Aquifer Protection Recharge District covers the aquifer ground-water feed underlay area of each well-site. This district is intended to protect the well-sites from the hazards of pollution and to assure that each well-site is properly recharged to keep the well-site operating at it's planned capacity even in cases of years of prolonged rainfall shortages which could or may affect the amount of water that the well-site is planned for while in full production, required for supplying water to the residents of Wilmington.

This Aquifer Protection Recharge District for each existing and potential well-site; is that area which lies within a circle having a radius of one-half mile, 2,640 feet from the center of each well-site and potential site. This current recommended State Standard of one-half mile applies unless a detailed hydrological study is done upon each specific site. That study will then be used to define the Aquifer Protection Recharge District for that well-site.

Prior established uses, homes and industries that now exist in these areas will be allowed to exist but not expanded nor changed from their present allowed use as of the date of passing of this article. Future changes will be allowed, but they must first be presented before the residents of the Town of Wilmington at an Annual Town Meeting for the voters approval. These changes include any and all actions that can disturb the Aquifer Protection Recharge District. Additionally, action taken by any Board, Commission, or Authority of the Town of Wilmington unless changes or corrections are required that are of an emergency nature and affect the health and welfare of the residents of Wilmington are also required to be brought before the voters of the town for approval.

As Wilmington now has no formal Groundwater Aquifer Protection zoning by-laws, present Zoning By-laws are to be amended and a new section added that will be similar and separate as now exist in 6.2 (Flood Plain District) covering Aquifer Protection Recharge District.

New construction, other uses, subdivisions, industrial expansion in the designated Aquifer Protection Recharge District is prohibited until it has been presented for approval of the residents at an Annual Town Meeting for it's approval by a 2/3rds majority.

Exception: Individual lots for residential homes as allowed by existing zoning can be erected, but only after approval by the Building Inspector, Board of Health, Conservation Commission, Water and Sewer, (only with hook-up to existing lines), plus final approval of the Board of Selectmen. Requirements needed to be met, is to show satisfactory proof that what is being erected will in no way affect the quality or quantity of the groundwater which underlays the Aquifer Protection Recharge District that the residence is being built within.

The purpose of amending the Zoning By-laws and the Zoning Map of the Town of Wilmington is to "ensure an adequate volume and quality of water for all citizens of the Town of Wilmington, both present and future".

This amendment calls for management of the Town of Wilmington's surface and groundwater systems. This amendment will be in effect upon acceptance of this article by this Town Meeting. Then the Town Manager, and appropriate Boards of the Town will take the required actions to see that the maps and Zoning By-laws are placed into formal documentation for presentation to the residents at the next Annual Town Meeting; or do anything in relation thereto. Article by Petition

Motion by Conrad Gerhartz, the same as the main article. Motion seconded. After much discussion, Water Commissioner Arthur Smith claimed it was not in the best interest of the town at all, and that the Town and Sewer Commission is working on a project for the protection of our water. Finance Committee recommends disapproval. Planning Board recommends disapproval. Standing vote was taken. Yes 39 No 145. Motion lost.

ARTICLE 31: To see if the town will vote to amend the Zoning By-Law and the Zoning Map of the Town of Wilmington by voting to rezone from General Industrial District (G1) to Residence 60 District (R-60) that land described as follows:

All lands now zoned as General Industrial District (G1) that lie to the South of Route 125, to the east of Interstate Route 93, to the north of Route 62, and then west of the North Reading line which lies within circles having a radius of one-half mile (2640 feet) from the center of the Town of Wilmington's Brown's Crossing and the Salem Street well-sites.

The area within these circles to be considered as Aquifer feed area to the named well-sites. Established industries will be allowed to exist but not expanded nor changed in nature from present allowed use. All further use of present and re-zoned Residence 60 District (R-60), of the unbuilt lands, will be presented before the residents of the Town of Wilmington at an Annual Town Meeting, including that land owned and operated by any Board, Commission or Authority for, of the Town of Wilmington: or do anything in relation thereto. Article by Petition

Motion by Conrad Gerhartz, same as the main article. Motion seconded. After much discussion, Water Commissioner Arthur Smith claimed it was not in the best interest of the town at all, and that to rezone in this manner could get the town involved in many legal actions. Finance Committee and Planning Board recommends disapproval. A standing vote was taken as a 2/3rds vote is required. Yes 41 No 116. Motion lost.

ARTICLE 32: (drawn #27) To see if the Town will vote to amend, delete or add as the case may be, to the Wilmington Zoning Bylaw as follows:

Amend by adding in Section 8.5 after the sentence "A special permit is a permit to use property for the purpose specified and shall not reverse, alter or vary any provision of this By-law applicable thereto." add the sentence: "Special Permits shall not be changed by way of variances as provided for in Section 8.3.3 of this By-law" or do anything in relation thereto. Article by Petition

Motion by Scott Kent, the same as the main article. Motion seconded. Finance Committee recommends no action. Planning Board recommends approval. 2/3rd vote required. Yes 103 No 36. Voted.

ARTICLE 33: To see if the Town will vote to amend the Zoning By-Law by adding the following section the "Definitions" as follows:

1.3.17 A restaurant is an establishment where food is prepared on the premises for the purpose of sale to customers whether at a table or counter for consumption on the premises or enclosed patio or off the premises as carry out orders and may be allowed only as provided in section 3.5.4 Limited Service Restaurant or 3.5.5 General Service Restaurant; or do anything in relation thereto. Article by Petition

Finance Committee and Planning Board recommends approval. Article was withdrawn by James Meehan without prejudice. Withdrawn

ARTICLE 34: (drawn #5) To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residential 60 (R-60) District to Residence 20 (R-20) the following described parcel of land:

Southwesterly for a distance of 121.53 by land of said Sciarappa to a corner, thence northeasterly for a distance of 408.58 by land of said Sciarappa to an iron pipe at a corner thence westerly for a distance of 1181.57 feet still by land of said Sciarappa to a corner of land of A.A. Tambone and J.W. Blackman III, thence northerly for a distance of 1315.61 feet by land of said Tambone and Blackman to a corner of land of the Town of Wilmington, thence easterly for a distance of 754.62 by land of the Town of Wilmington to a concrete bound at the corner, thence southerly for a distance of 683.06 feet still by land of the Town of Wilmington to an iron pipe at the corner, thence easterly for a distance of 553.80 feet still by land of the Town of Wilmington to a drill hole at a corner of a stone wall at land of Scott A. Ferguson, thence southerly for a total distance of 1217.54 along a stone wall by land of said Ferguson and land of Albert G. Fiorenza, Scott W. Richmond and Antionette M. Volpe, Edward F. and Lorraine R. Hanlon and land of Joseph F. and Stella Courtney to a corner of the stone wall, thence easterly for a distance of 110.50 feet by land of aforementioned Courtney to a corner on the westerly sideline of Andover Street, thence southerly for a distance of 183.53 feet along the sideline of Andover Street, a public way, to the point of beginning. Said parcel being shown generally as Parcels 3, 19, 21, 33 and 34 on the Town of Wilmington Assessors' Map R-3 and containing 40.66 acres; or do anything in relation thereto. Article by Petition

Motion by Robert Peterson, reads same as main article. Finance Committee and Planning Board recommends disapproval. Motion seconded. Many spoke for and against this change. 2/3rds vote required. Yes 224 No 38 So voted.

ARTICLE 35: (drawn #16) To see if the Town will vote to amend the zoning by-laws and the associated zoning map by zoning from General Industrial (GI) to High Density Business (HDB) the following parcel of land:

A certain parcel of land with the buildings thereon situated in Wilmington, Middlesex County, Massachusetts, and being shown as Lots 1, 2, 4 and 5 on a plan entitled "Plan of Lots in Wilmington, Mass., Scale 1 in. - 20 ft., October 19, 1966, Rowland H. Barnes & Co., Civil Engineers", recorded with Middlesex North District of Deeds, Plan Book 104, Plan 130, and said Lots are together bounded and described as follows: Beginning at a point at the Southwesterly corner of said Lot 2 on the Easterly side line of Middlesex Avenue at land of Shell Oil Co., being Lot 3 on said plan; thence running Northwesterly, and Northeasterly by said Middlesex Avenue in three (3) courses, fifty (50) feet, thirty-eight (38) feet and ninety-two and 05/100 (92.05) feet, respectively; to land of Boston and Maine Railroad, as shown on said plan, thence turning and running Southeasterly by said Boston and Maine Railroad land, three hundred forty-seven and 16/100 (347.16) feet to land of Wilmington Development Co., Inc. as shown on said plan; thence turning and running Southwesterly by said Wilmington Development Co., Inc. land, as shown on said plan, one hundred forty-three and 45/100 (143.45) feet to Lot 6 as shown on said plan; thence turning and running Northeasterly and Northwesterly in three (3) courses, seventy-four and 97/100 (74.97) feet, twenty-four and 16/100 (24.16) feet and sixty-two and 91/100 (62.91) feet, respectively, to a point at the Northwesterly line of said Lot 3; thence turning and running Westerly by said Lot 3, as shown on said plan, fifty (50) feet to said Middlesex Avenue and the point of beginning. Said Lot 1 contains 22,381 square feet; said Lot 2 contains 1,249 square feet; said Lot 4 contains 133 square feet and said Lot 5 contains 5,062 square feet, be any or all of said measurements more or less, according to plan. Said premises are conveyed subject to and with the benefit of Easements over said Lot 2 as set forth in a deed to said Shell Oil Co., dated November 30, 1966, recorded with said Deeds, Book 1779, Page 94. Said premises are also conveyed subject to and with the benefit of any restrictions and easements of record, insofar as the same or now in force and applicable. For title, see deed of Albert G. Fiorenza, Trustee dated January 15, 1986 and recorded at Middlesex North Registry of Deeds Book 3325, Page 150.

or to do anything in relation thereto. Article by Petition The petitioner withdrew this article prior to Town Meeting and Moderator so stated. So voted to withdraw.

ARTICLE 36: (drawn as #21) To see if the Town will vote to amend the Zoning By-law and Zoning Map of the Town of Wilmington by voting to rezone from Residential 20 (R-20) to Residential 10 (R-10) the following parcel of land:

Lot 1 and Lot 2 as shown on a plan entitled "Subdivison Plan of Land in Wilmington" dated November 10, 1988, and prepared by Middlesex Survey, Inc., Land Surveyors, 131 Park Street, North Reading, Massachusetts, Scale one inch equals 20 feet (1" = 20'), said land consisting of 22,723 square feet of land area more or less according to said plan, a copy of which plan is filed in the Office of the Town Clerk. Said land is shown as Parcel 86 on the Town of Wilmington Assessors' Map 32, and is the premises conveyed to Joseph S. Maison and Paul L. Olson by deed dated July 29, 1982, and recorded with Middlesex North District Registry of Deeds in Book 2548, Page 698; or do anything in relation thereto. Article by Petition

Motion by James Stewart because petitioner Mr. Maison is not a voter. Motion seconded. Finance Committee and Planning Board recommends disapproval. 2/3rds vote required. Yes 149 No 20 Motion so voted.

ARTICLE 37: (drawn as #9) To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Residential 20 (R20) District to Neighborhood Business (NB) District the following described parcel of land:

That parcel of land with the buildings thereon, situated at, and now known as and numbered, 306 Main Street, on the easterly side of said street, being Lot 1 as shown on a plan dated November 3, 1926, recorded with Middlesex North District Deeds, Book of Plans 49, Plan 73, bounded and described as follows: Beginning at the southwesterly corner of Main Street at Lot 7 on said plan, thence

Northwesterly on Main Street, nineteen and 54/100 (19.54) feet to a stone bound, thence still by Main Street, thirty-nine and 96/100 (39.96) feet to an angle; thence

Northwesterly and

Northeasterly on a curved line, fifteen (15) feet, more or less, to a stonebound; thence

Easterly on Clark Street, one hundred forty-five and 96/100 (145.96) feet to Lot 2 on said plan; thence

Southerly on said Lot 2, sixty-six and 75/100 (66.75) feet to Lot 7 on said plan; thence

Westerly by said Lot 7, on hundred thirty-nine and 32/100 (139.32) feet to the point of beginning.

(Article 37 cont'd)

Containing 9,950 square feet, more or less, or however otherwise bounded, measured or described, be any or all of these measurements more or less.

Said parcel being shown generally as Parcel 53 on the Town of Wilmington Assessors' Map 42; or do anything in relation thereto. Article by Petition

Motion by Finance Committee recommends no action and Planning Board recommends disapproval. The petitioner withdrew this article prior to Town Meeting. So voted withdrawn.

ARTICLE 38: (drawn as #8) To see if the Town will vote to amend Section 5.3.4 of the zoning by-laws of the Town of Wilmington by deleting the words "... no more than two hammerhead lots shall have contiguous frontage . . .", or do anything in relation thereto. Article by Petition.

Motion by Robert Peterson, "I move that the town vote, the same as the article above. Motion seconded. 2/3rds vote required. After much discussion, vote was taken. Yes 6 No 180. Motion lost.

The Annual Town Meeting was opened after the completion of the Special Town Meeting. All preliminary proceedings were done upon the opening of the Special Town Meeting. The afternoon session had three hundred eighty (380) voters and fifty (50) non-voters, and the evening session had one hundred ninety-seven (197) voters and (12) non-voters. All articles after Article 7 were drawn at random as prescribed in our Town by-laws. The meeting adjourned at 6:00 P.M. for dinner and reconvened at 7:52 p.m. with a quorum present. The Moderator declared he would entertain a motion to adjourn at 11:14 p.m. Chairman James Stewart rose to thank all those who stayed to finish and thanked our Moderator for the good job he did in spite of the fact that his father Aldo Cairra, Sr. had been taken to the hospital that same day.

#### WARRANT FOR SPECIAL TOWN ELECTION JUNE 13, 1989 WITH ACTION TAKEN THEREON

TO: THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Elections to assemble at the Town Hall Auditorium, (Precincts 1, 2 & 5) and Wildwood Street School (Precincts 3, 4 & 6,) Tuesday, the thirteenth day of June 1989, the polls to be opened from 7:00 a.m. and shall be closed at 8:00 p.m. for the following purposes:

#### BALLOT QUESTIONS

Question #1: "Shall the Town of Wilmington be allowed to assess an additional \$632,180 in real estate and personal property taxes for the purpose of meeting operating expenses of the Wilmington School Department for the fiscal year beginning July 1, 1989?" Yes No

Question #2: "Shall the Town of Wilmington be allowed to exempt from the provisions of Proposition Two and One Half (2 1/2), so called, the amounts required to pay the bond issued in order to acquire, for the sum of \$125,000, a 21.49 acre parcel of land on Patches Pond for conservation and open space purposes?" Yes No

All was in readiness at 6:45 a.m. when the Town Clerk read the warrant and polls were declared open at 7:00 a. m.

The totals from the twenty-five machines plus the absentee ballots were recorded and declaration thereof made, as by law is directed:

Question #1	YES	1,154	NO	1,908
Question #2	YES	1,052	NO	1,958

The polls were closed at 8:00 p.m. with three thousand sixty-eight (3,068) voters voting and twenty-seven (27) absentee ballots cast for the total of three thousand ninety-five (3,095). 30.098% of the 10,283 registered voters.

TOWN OF WILMINGTON, MASSACHUSETTS SPECIAL TOWN MEETING, OCTOBER 16, 1989

Greetings: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the Inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the Cushing Gymnasium, Wilmington High School, Church Street, on Monday the sixteenth day of October, 1989 at 7:30 p.m., then and there to act on the following articles:

With a quorum being present at 7:35 p.m. the Moderator called the meeting to order, opening with the Pledge of Allegiance to the Flag. He then explained the procedures for open town meeting. He then read the warrant to this point where he was interrupted by Robert Cain, with a motion, "I move that the Moderator dispense with further reading of the Warrant and take up and make reference to each article by number." motion was seconded and the moderator drew the first of the random selections first being Article 13.

ARTICLE 1: (drawn as #12) To see if the Town will vote to amend the votes taken under Article 5 of the Warrant of Annual Town Meeting held on April 22, 1989 by reducing, transferring or taking any other action relative thereto in the following departments and/or line items:

- A Department of Public Works
  - B Miscellaneous - Unclassified and Reserve
  - C Schools - Wilmington School Department
  - D Schools - Shawsheen Valley Regional Vocational School District
- or do anything in relation thereto. Finance Committee recommended approval

Motion by Reginald Stapczynski, "I move that the Town vote to amend the votes taken under Article 5 of the Annual Town Meeting held on April 22, 1989 by reducing or transferring certain sums raised and appropriated in the

A. Department of Public Works:

1. Reduce the line item entitled Engineering Division - Salaries by \$8,039 so that the amount raised by taxation will be \$130,824.
2. Transfer the sum of \$2,906 from Chapter 90 Construction Account to the line item entitled Tree Division - Salaries and reduce the amount raised by taxation to \$78,309.
3. Transfer the sum of \$68,222 from Chapter 90 Construction Account to the line item entitled Highway Division - Other Salaries and reduce the amount raised by taxation to \$649,105.

The motion was seconded and the total amount of \$79,167 was voted to be dispersed as indicated Motion was unanimously so voted.

Motion by Chester A. Bruce, "I move that the Town vote to amend the votes taken under Article 5 of the Annual Town Meeting held on April 22, 1989 by reducing certain sums raised and appropriated in the

B: Miscellaneous - Unclassified and Reserve Account:

1. Reduce the line item entitled Insurance and Bonds Account by \$66,000 so that the amount raised by taxation will be \$583,200.
2. Reduce the line item entitled MWRA Sewer Assessment Account by \$126,349 so that the amount raised by taxation will be \$660,581.

The motion was seconded and the total amount of \$192,349 was voted to be dispersed as indicated Motion was unanimously so voted

Motion by James Stewart: "I move that the Town vote to amend the votes taken under Article 5 of the Annual Town Meeting held on April 22, 1989 by reducing a certain sum raised and appropriated in the

C: School Department:

1. Reduce the line item entitled Wilmington School Department by \$142,000 so that the amount raised by taxation will be \$12,463,326. Furthermore, if the Town receives an additional \$664,000. or thereabouts in State Aid, the reduction to the line item entitled Wilmington School department will be reduced by \$0.

The motion was seconded and the total amount of \$142,000 was voted to be dispersed as indicated Motion was unanimously so voted.

Motion by Kevin Sowyrda: "I move that the Town vote to amend the votes taken under Article 5 of the Annual Town Meeting held on April 22, 1989 by reducing a certain sum raised and appropriated in the

D: Shawshen Valley Regional Vocational Technical School District budget:

1. Reduce the line item entitled Shawshen Valley Regional Vocational Technical School District by \$24,318 so that the amount raised by taxation will be \$1,065,485.

The motion was seconded and the total amount of \$24,318 was voted to be dispersed as indicated Motion was unanimously so voted.

ARTICLE 2: (drawn as #11) To see if the Town will vote to amend the actions taken under Article 6 of the Warrant of the Annual Town Meeting held on April 22, 1989 wherein the sum of \$72,500 was appropriated for the Police Department, replacement of five (5) police cruisers, previously raised by transfer and by this action, in the alternative, transfer said \$72,500 to Police Department, Patrolmen salary line item; also to amend the action taken at said Town Meeting

Annual Town Meeting wherein the sum of \$45,000 was appropriated for Animal Control, construction of animal shelter, previously raised by transfer and by this action, in the alternative, transfer said \$45,000 to Fire Department, Private salary line item; or do anything in relation thereto.  
Finance Committee recommended approval

Motion by Robert Doucette "I move that the Town vote to amend the votes taken under Article 6 of the Annual Town Meeting held on April 22, 1989 by reducing certain sums raised and appropriated in the following items:

- A. Transfer the sum of \$72,500 from the line item entitled Police Department - Replacement of Five (5) Police Cruisers, which was previously transferred from appropriation balances, to the line item entitled Police Department - Patrolman Salaries and reduce the amount appropriated by taxation to \$879,851. Seconded and unanimously so voted
- B. Transfer the sum of \$45,000 from the line item entitled Animal Control, Construction of Animal Shelter, which was previously transferred from appropriation balances, to the line item entitled Fire Department - Private Salaries and reduce the amount to be raised by taxation to \$762,655. Seconded and unanimously so voted

ARTICLE 3: (drawn #3) To see if the Town will vote to amend the actions taken under Article 5 of the Warrant of the Annual Town Meeting held on April 22, 1989 wherein the sum of \$19,000 was raised by taxation and appropriated for Maintenance of Public Buildings, Town Maintenance and Operations - Capital Outlay (football field/track storage building), and by this action reduce the amount raised by taxation by \$19,000 and in the alternative raise said sum by transfer from the insurance reimbursement account which is anticipated to be received from a fire loss at the football field/track former storage building; or do anything in relation thereto. Finance Committee recommended approval.

Motion, Robert J. Cain, "I move that the Town vote to amend the vote taken under Article 5 of the Warrant of the Annual Town Meeting held on April 22, 1989 by reducing the amount raised by taxation for the line item entitled Maintenance of Public Buildings, Town Building Maintenance, - Capital Outlay (football field/track storage building), by the amount of \$19,000 and to raise said \$19,000 by transfer from the Insurance Reimbursement Account." Seconded and unanimously so voted

ARTICLE 4: (drawn as #9) To see if the Town will vote to raise and appropriate the sum of \$18,886 for the Maintenance of Public Buildings - School Maintenance and Operations - Capital Outlay Account (Woburn Street School heating system) to be raised by transfer from the insurance reimbursement account which amount was received from an insurance settlement concerning a fire loss in the Woburn Street School boiler room; or do anything in relation thereto. Finance Committee recommended approval.

Motion by Michael McCoy, "I move that the Town vote to raise and appropriate the sum of \$18,886 for the Maintenance of Public Buildings - School Maintenance and Operations - Capital Outlay Account (Woburn Street School heating system) to be raised by transfer from the Insurance Reimbursement Account, which amount was received from an insurance settlement concerning a fire loss in the Woburn Street School boiler room." Motion seconded so voted

ARTICLE 5: (drawn as #8) To see if the Town will vote to rescind the actions taken in Article 11 of the Annual Town Meeting held on April 26, 1986 and Article 10 of the Annual Town Meeting held on April 25, 1987 to establish a municipal electric plant pursuant to M.G.L. Chapter 164 and furthermore to authorize the Board of Selectmen and Town Manager subject to entering into an acceptance agreement with the Reading Municipal Light Board for the supply of electric services, to accept payments of in lieu of taxes and, to take all other actions incidental or necessary thereto; or do anything in relation thereto. Finance Committee No action. Motion by James Stewart, "I move that the Town vote to pass over this article and take no action thereon." Seconded and so voted to pass over.

ARTICLE 6: (drawn as #7) To see if the Town will vote to appropriate a sum of money for reconstructing and making extraordinary repairs to the heating system of the present high school, and to determine whether such appropriation shall be raised taxation, transfers from available funds or by borrowing or

(Article 6 cont'd):

otherwise; or to take any other action relative thereto. Finance Committee recommends approval. Motion by Reginald Stapczynski, "I move that the sum of \$852,705 is hereby appropriated for reconstructing and making extraordinary repairs to the heating system of the present high school, that to raise such appropriation the Town Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$852,705 under and pursuant to M.G.L. Chapter 44, Section 7 as amended and supplemented, or any other enabling authority; and to authorize the Board of Selectmen or Town Manager to accept any state or other grants that may be available for the foregoing purposes; and to issue bonds or notes of the Town therefor, and further provided that no bonds or notes be issued hereunder until the Town votes to exempt principal and interest from the Proposition 2 1/2 limitations; and that a special election be called for November 4, 1989 contingent upon an affirmative vote at this Special Town Meeting, for the purpose of obtaining the necessary debt exemption." Motion seconded After much discussion and an hour later the vote was taken. Yes 295 No 28 So voted

ARTICLE 7: (drawn as #5) To see if the Town will vote to appropriate a sum of money for remodeling, reconstructing and making extraordinary repairs to the Barrows Auditorium of the present high school, and to determine whether such appropriation shall be raised by taxation, transfer from available funds or by borrowing or otherwise; or to take any other action relative thereto. Finance Committee recommends no action. Motion by Robert J. Cain. "I move that the Town vote to pass over this article and take no action thereon. Motion seconded and so voted to pass over

ARTICLE 8: (Drawn as #2) To see if the Town will vote to accept a gift of money from the Wilmington Redevelopment Authority for the purpose of balancing the Town budget for Fiscal Year 1990; or do anything in relation thereto. Finance Committee recommends approval Motion by Robert Cain. "I move that the Town vote to accept the sum of \$110,685 as a gift from the Wilmington Redevelopment Authority for the purpose of balancing the municipal budget for Fiscal Year 1990." Motion seconded after much discussion and a public Thank You from the Board of Selectmen was unanimously so voted.

ARTICLE 9: (Drawn as #6) To see if the Town will accept as Town ways, the layout of the following described streets, as recommended by the Planning Board and approved by the Board of Selectmen (M.G.L. Ch. 82 as amended) and shown on Definitive Subdivision plans approved in accordance with the "Rules and Regulations Governing the Sub-Division of Land in the Town of Wilmington, Massachusetts", and which plans are recorded at the Middlesex North Registry of Deeds (M.N.R.D.), copies of which are available in the office of the Town Engineer and to authorize the Board of Selectmen to take by right of eminent domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised whether by taxation or by transfer from available funds, by borrowing or otherwise for the purpose of construction of said ways and for the payment of any damages from the takings of land and slope easements and other easements therefor: Finance Committee recommends approval.

Motion by Robert J. Cain, "I move that the Town vote to accept as Town ways, the layout of the following described streets, as recommended by the Planning Board and approved by the Board of Selectmen (M.G.L. Sullivan, two hundred and 85/100 (200.85) feet; SOUTHWESTERLY by said land now or formerly of Kevin C. Sullivan, thirty-seven and 23/100 (37.23) feet; SOUTHEASTERLY by said land now or formerly of Kevin C. Sullivan, one hundred twenty-five and 56/100 (125.56) feet. Containing 44,917 square feet of land according to

(Article 11 cont'd):

said plan. Being the same premises conveyed to the said Mortgagers by deed of Matthew R. Comerford, Jr. and Mary A. Comerford recorded in said Registry on October 2, 1985, as Instrument No. 40809, Book 3199, Page 343. (Article by Petition) Finance Committee and Planning Board recommends No Action the Moderator read a letter from the petitioner Michael Greer of his wish to withdraw the article no vote being needed it was withdrawn.

ARTICLE 12: (Drawn as #10) To see if the Town will vote to authorize the Board of Selectmen to file a petition with a state legislature to authorize the Town through a special act to abate the amount of \$330.16, together with interest and additional costs, a sewer assessment imposed upon Frank and Mary Kaszynski of 3 Jones Avenue, Wilmington by the Water and Sewer Commissioners, notwithstanding Massachusetts General Law Chapter 80; or do anything in relation thereto. (Petition) Finance Committee approved Motion, Mary B. Kaszynski "I move that the Town vote to authorize the Board of Selectmen to file a petition with the state legislature to authorize the Town by a special act to abate the amount of \$330.16, together with interest and additional costs for a sewer assessment imposed upon Frank and Mary Kaszynski of 3 Jones Avenue, Wilmington by the Water and Sewer Commissioners, notwithstanding Massachusetts General Law Chapter 80." Seconded Bob Cain explained that they live between two streets both having sewer hookups, and this family was being charged from both sides. vote was unanimously so voted

ARTICLE 13: (drawn as #1): To see if the Town will vote to raise and appropriate the sum of \$3,700 by taxation, transfer from available funds or by borrowing to purchase and/or take by eminent domain a 4,500 square foot parcel of land owned by Josephine LaCourt McKinnon described as Map 6 Parcel 127 located on Bowdoin Street off Burlington Ave.; said parcel to be used in conjunction with a number of Town owned parcels for affordable housing; or do anything in relation thereto. Finance Committee No action. Motion by James Stewart, "I move that the Town vote to pass over this article and take no action thereon." Motion seconded and so voted to pass over.

With all business having been taken up in accordance with our By-laws the Moderator asked for a motion to adjourn. Motion was made and seconded at 9:44 PM Their were (three hundred thirty-nine (339) voters in attendance and thirteen (13) Non-voters. This was our first live cable transmission to local cable Channel 6.

The vote of ARTICLE 6 to appropriate \$852,705. by BONDING with 2 1/2 debt exemption will depend on the outcome of the Special Election to be held November 4, 1989.

Priscilla R. Ward, CMC  
Town Clerk  
Wilmington

WARRANT FOR SPECIAL TOWN ELECTION  
NOVEMBER 4, 1989  
WITH ACTION TAKEN THEREON

TO THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the Town Hall Auditorium 121 Glen Road (Precincts 1, 2, and 5), and the Wildwood School, (Precincts 3, 4 and 6), Saturday, the fourth day of November, A.D. 1989 at 9:45 in the forenoon, the polls to be opened at 10:00 in the forenoon and shall be closed at 8:00 p.m. for the vote on Questions 1 and 2 as follows:

Question #1: "Shall the Town of Wilmington be allowed to exempt from the provisions of Proposition 2 1/2, so called, the amounts required to pay for the bond issued in order to provide for reconstructing and making extraordinary repairs to the heating system of the present high school?"  
Yes NO

All was in readiness at 9:45 a.m. and the polls were declared open in accordance with all By-laws at 10:00 a.m.

The totals from the twenty-five machines plus the absentee ballots were recorded and declaration thereof made, as by law is directed:

Question #1	Yes	856	NO	726
-------------	-----	-----	----	-----

The polls were closed at 8:00 p.m. with One thousand five hundred eighty-two (1,582) voters voting and an and twenty-three (23) absentee ballots. 15.5% of the registered voters.

Wilmington

REPORT OF THE TOWN ACCOUNTANT

June 30, 1989

Members of the Board of Selectmen  
and Town Manager  
Town Hall  
Wilmington, Massachusetts 01887

The General Purpose Financial Statements of the Town of Wilmington, Massachusetts, for the fiscal year ended June 30, 1989 is submitted herewith. This report was prepared by the Town Accountant. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the Town.

I believe the data, as presented, is accurate in all material aspects; that it is presented in a manner designed to fairly set forth the financial position and results of operations of the Town as measured by the financial activity of its various funds; and that all disclosures necessary to enable the reader to gain the maximum understanding of the Town's financial affairs have been included.

Respectfully submitted,

Michael Morris  
Town Accountant

LIABILITIES & FUND BALANCES

TOWN OF WILMINGTON, MASSACHUSETTS

NOTES TO FINANCIAL STATEMENTS

June 30, 1989

1. Summary of Significant Accounting Policies

The accounting policies for financial reporting purposes of the Town of Wilmington conform to generally accepted accounting principles for local governmental units except as indicated in Note 2. The following is a summary of the significant accounting policies:

A. Fund Accounting

The town reports its financial activities in several funds and one account group in order to comply with the limitations and restrictions placed on both the resources made available to the town and the services provided. The various funds are grouped in the financial statements in this report into five generic fund types and two broad fund categories as follows:

GOVERNMENTAL FUNDS

General Fund - The general fund is the general operating fund of the town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Fund - General Revenue Sharing - This special revenue fund is used to account for the proceeds of the State and Local Fiscal Assistance Act and their expenditures as prescribed by the Office of Revenue Sharing.

Special Revenue Funds - Others - This special revenue fund is used to account for the proceeds of specific revenue resources (other than general revenue sharing, expendable trust or major capital projects) that are legally restricted to expenditures for specific purposes.

Capital Projects Fund - This fund is used to account for the purchase or construction of major capital facilities.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and agency funds are used to account for assets by the town in a trustee capacity or as an agent for individuals, private organizations, other governments and/or other funds. These include expendable trust, non-expendable trust and agency funds. Non-expendable trust funds are accounted for in a manner that permits the periodic measurement of revenues earned, expenses incurred and/or net income in order to demonstrate maintenance of capital. Expendable trust funds are accounted for in essentially the same manner as governmental funds. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

ACCOUNT GROUP

Long-Term Debt and Liabilities - Long-term liabilities expected to be financed from governmental funds are accumulated in the general long-term debt group of accounts. This account group is not a fund. It is only concerned with the measurement of financial position and, therefore, is not involved with a measurement of the results from any operations.

B. Basis of Accounting

The accompanying financial statements have been prepared principally on the modified accrual basis of accounting. This method recognizes revenues when they become measurable and available. Expenses are recognized under this method as they are incurred.

Revenue Recognition - Property tax revenues are recognized when they become available. Available means then due or past due and receivable within the current period or expected to be collected soon enough thereafter to be used to pay liabilities of the current period.

All other revenues are recognized throughout the year when cash is received. Receipts during the sixty days immediately following the close of the fiscal year are also recognized as available revenue.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended on the specific purpose or project before any amounts will be paid to the town, therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria is met.

Expenses - Expenditures are recorded during the year on a cash disbursement basis. In addition, as required by Massachusetts General Laws, disbursements made during the fifteen days immediately following the close of each fiscal year and which pertain to the prior year are recorded as warrants payable and expenses as of June 30th.

Purchase orders outstanding at June 30th related to annual operating expenses are recorded as encumbrances and, accordingly, as a reservation of fund balances at that date.

Deferred Revenue - Property taxes and other revenues that are measurable but not available have been classified as deferred revenue on June 30, 1989.

## 2. Departures from Generally Accepted Accounting Principles

For years prior to 1985, the town presented its financial statements on the basis of accounting practices prescribed by the Commonwealth of Massachusetts, Department of Revenue. These practices differed in many significant respects from G.A.A.P.

During 1981, the Commonwealth of Massachusetts issued a revised uniform municipal accounting system entitled "U.M.A.S." The departures from G.A.A.P. under this revised system have been significantly narrowed. The town has adopted a modified U.M.A.S. for its financial statement presentation for 1985.

The significant departures from G.A.A.P. included in the Town of Wilmington's financial statements are:

- a. Retirement benefits are provided for on a "pay-as-you-go" basis rather than an acceptable actuarial cost methods (see note 5).
- b. General fixed asset acquisitions are recorded as expenditures at the time purchases are made rather than being capitalized in a general fixed asset group of accounts.
- c. Purchases for materials and supplies inventories are recorded as expenditures rather than assets at the time of purchase.
